(2) Except as provided by subsection **[**6**]** **5** of this section, the department shall not require compliance with any additional standards for establishing or renewing **trauma, STEMI, or** stroke designations **under this subsection**. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

Section 1396r-6. Section 1396d(l)(1) and (2) or the payment requirements for such clinics and centers as provided in 42 U.S.C. Section 1396a(a)(15) and 1396a(bb) unless such waiver application is approved by the oversight committee created in section 208.955. A request for such a waiver so submitted shall only become effective by executive order not sooner than ninety days after the final adjournment of the session of the general assembly to which it is submitted, unless it is disapproved within sixty days of its submission to a regular session by a senate or house resolution adopted by a majority vote of the respective elected members thereof, unless the request for such a waiver is made subject to appropriation or directed by statute.

6. Notwithstanding any other provision of law to the contrary, in any given fiscal year, any persons made eligible for MO HealthNet benefits under subdivisions (1) to (22) of subsection 1 of this section shall only be eligible if annual appropriations are made for such eligibility. This subsection shall not apply to classes of individuals listed in 42 U.S.C. Section 1396a(a)(10)(A)(i).

2. For an unborn child to be enrolled in the show-me healthy babies program, his or her mother shall not be eligible for coverage under Title XIX of the federal Social Security Act, the Medicaid program, as it is administered by the state, and shall not have access to affordable employer-subsidized health care insurance or other affordable health care coverage that includes coverage for the unborn child. In addition, the unborn child shall be in a family with income eligibility of no more than three hundred percent of the federal poverty level, or the equivalent modified adjusted gross income, unless the income eligibility is set lower by the general assembly through appropriations. In calculating family size as it relates to income eligibility, the family shall include, in addition to other family members, the unborn child, or in the case of a mother with a multiple pregnancy, all unborn children.

3. Coverage for an unborn child enrolled in the show-me healthy babies program shall include all prenatal care and pregnancy-related services that benefit the health of the unborn child and that promote healthy labor, delivery, and birth. Coverage need not include services that are solely for the benefit of the pregnant mother, that are unrelated to maintaining or promoting a healthy pregnancy, and that provide no benefit to the unborn child. However, the department may include pregnancy-related assistance as defined in 42 U.S.C. Section 1397ll.

4. There shall be no waiting period before an unborn child may be enrolled in the show-me healthy babies program. In accordance with the definition of child in 42 CFR 457.10, coverage shall include the period from conception to birth. The department shall develop a presumptive eligibility procedure for enrolling an unborn child. There shall be verification of the pregnancy.

5. Coverage for the child shall continue for up to one year after birth, unless otherwise prohibited by law or unless otherwise limited by the general assembly through appropriations.

6. **(1)** Pregnancy-related and postpartum coverage for the mother shall begin on the day the pregnancy ends and extend through the last day of the month that includes the sixtieth day after the pregnancy ends, unless otherwise prohibited by law or unless otherwise limited by the general assembly through appropriations. The department may include pregnancy-related assistance as defined in 42 U.S.C. Section 1397ll.

(2) Beginning April 1, 2022, or the effective date of this act, whichever is later, mothers eligible to receive coverage under this section shall receive medical assistance benefits during the pregnancy and during the twelve-month period that begins on the last day of the woman's pregnancy and ends on the last day of the month in which such twelve-month period ends, consistent with the provisions of 42 U.S.C. Section 1397gg(e)(1)(J). The department shall seek any necessary state plan amendments or waivers to implement the provisions of this subdivision within sixty days of the effective date of this

act. The provisions of this subdivision shall remain in effect for any period of time during which the federal authority under 42 U.S.C. Section 1397gg(e)(1)(J), as amended, or any successor statutes or implementing regulations, is in effect.

7. The department shall provide coverage for an unborn child enrolled in the show-me healthy babies program in the same manner in which the department provides coverage for the children's health insurance program (CHIP) in the county of the primary residence of the mother.

8. The department shall provide information about the show-me healthy babies program to maternity homes as defined in section 135.600, pregnancy resource centers as defined in section 135.630, and other similar agencies and programs in the state that assist unborn children and their mothers. The department shall consider allowing such agencies and programs to assist in the enrollment of unborn children in the program, and in making determinations about presumptive eligibility and verification of the pregnancy.

9. Within sixty days after August 28, 2014, the department shall submit a state plan amendment or seek any necessary waivers from the federal Department of Health and Human Services requesting approval for the show-me healthy babies program.

10. At least annually, the department shall prepare and submit a report to the governor, the speaker of the house of representatives, and the president pro tempore of the senate analyzing and projecting the cost savings and benefits, if any, to the state, counties, local communities, school districts, law enforcement agencies, correctional centers, health care providers, employers, other public and private entities, and persons by enrolling unborn children in the show-me healthy babies program. The analysis and projection of cost savings and benefits, if any, may include but need not be limited to:

(1) The higher federal matching rate for having an unborn child enrolled in the show-me healthy babies program versus the lower federal matching rate for a pregnant woman being enrolled in MO HealthNet or other federal programs;

(2) The efficacy in providing services to unborn children through managed care organizations, group or individual health insurance providers or premium assistance, or through other nontraditional arrangements of providing health care;

(3) The change in the proportion of unborn children who receive care in the first trimester of pregnancy due to a lack of waiting periods, by allowing presumptive eligibility, or by removal of other barriers, and any resulting or projected decrease in health problems and other problems for unborn children and women throughout pregnancy; at labor, delivery, and birth; and during infancy and childhood;

(4) The change in healthy behaviors by pregnant women, such as the cessation of the use of tobacco, alcohol, illicit drugs, or other harmful practices, and any resulting or projected short-term and long-term decrease in birth defects; poor motor skills; vision, speech, and hearing problems; breathing and respiratory problems; feeding and digestive problems; and other physical, mental, educational, and behavioral problems; and

(5) The change in infant and maternal mortality, preterm births and low birth weight babies and any resulting or projected decrease in short-term and long-term medical and other interventions.

11. The show-me healthy babies program shall not be deemed an entitlement program, but instead shall

be subject to a federal allotment or other federal appropriations and matching state appropriations.

12. Nothing in this section shall be construed as obligating the state to continue the show-me healthy babies program if the allotment or payments from the federal government end or are not sufficient for the program to operate, or if the general assembly does not appropriate funds for the program.

13. Nothing in this section shall be construed as expanding MO HealthNet or fulfilling a mandate imposed by the federal government on the state."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Emergency clause adopted.

In which the concurrence of the Senate is respectfully requested.

MESSAGES FROM THE HOUSE

The following messages were received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and passed **HCS** for **SB 845**, entitled:

An Act to repeal sections 50.800, 50.810, 50.815, 50.820, 115.306, and 473.742, RSMo, and to enact in lieu thereof four new sections relating to financial information provided to county officials.

With House Amendment Nos. 1, 2, and 3.

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Bill No. 845, Page 1, In the Title, Lines 3-4, by deleting the words "financial information provided to county officials" and inserting in lieu thereof the words "county economic activity"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 2

Amend House Committee Substitute for Senate Bill No. 845, Page 8, Section 473.742, Line 84, by inserting after all of said section and line the following:

"620.2020. 1. The department shall respond to a written request, by or on behalf of a qualified company or qualified military project, for a proposed benefit award under the provisions of this program within five business days of receipt of such request. The department shall respond to a written request, by or on behalf of a qualified manufacturing company, for a proposed benefit award under the provisions of this program within fifteen business days of receipt of such request. Such response shall contain either a proposal of benefits for the qualified company or qualified military project, or a written response refusing to provide such a proposal and stating the reasons for such refusal. A qualified company or qualified military project that intends to seek benefits under the program shall submit to the department a notice of intent. The department shall respond within thirty days to a notice of intent with an approval or a rejection, provided that the department may withhold approval or provide a contingent approval until it is satisfied that proper

documentation of eligibility has been provided. The department shall certify or reject the qualifying company's plan outlined in their notice of intent as satisfying good faith efforts made to employ, at a minimum, commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, the following: racial minorities, contractors who are racial minorities, and contractors that, in turn, employ at a minimum racial minorities commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census. Failure to respond on behalf of the department shall result in the notice of intent being deemed approved. A qualified company receiving approval for program benefits may receive additional benefits for subsequent new jobs at the same facility after the full initial project period if the applicable minimum job requirements are met. There shall be no limit on the number of project periods a qualified company may participate in the program, and a qualified company may elect to file a notice of intent to begin a new project period concurrent with an existing project period if the applicable minimum job requirements are achieved, the qualified company provides the department with the required annual reporting, and the qualified company is in compliance with this program and any other state programs in which the qualified company is currently or has previously participated. However, the qualified company shall not receive any further program benefits under the original approval for any new jobs created after the date of the new notice of intent, and any jobs created before the new notice of intent shall not be included as new jobs for purposes of the benefit calculation for the new approval. When a qualified company has filed and received approval of a notice of intent and subsequently files another notice of intent, the department shall apply the definition of project facility under subdivision (24) of section 620.2005 to the new notice of intent as well as all previously approved notices of intent and shall determine the application of the definitions of new job, new payroll, project facility base employment, and project facility base payroll accordingly.

2. Notwithstanding any provision of law to the contrary, the benefits available to the qualified company under any other state programs for which the company is eligible and which utilize withholding tax from the new or retained jobs of the company shall first be credited to the other state program before the withholding retention level applicable under this program will begin to accrue. If any qualified company also participates in a job training program utilizing withholding tax, the company shall retain no withholding tax under this program, but the department shall issue a refundable tax credit for the full amount of benefit allowed under this program. The calendar year annual maximum amount of tax credits which may be issued to a qualifying company that also participates in a job training program shall be increased by an amount equivalent to the withholding tax retained by that company under a jobs training program.

3. A qualified company or qualified military project receiving benefits under this program shall provide an annual report of the number of jobs, along with minority jobs created or retained, and such other information as may be required by the department to document the basis for program benefits available no later than ninety days prior to the end of the qualified company's or industrial development authority's tax year immediately following the tax year for which the benefits provided under the program are attributed. In such annual report, if the average wage is below the applicable percentage of the county average wage, the qualified company or qualified military project has not maintained the employee insurance as required, if the department after a review determines the qualifying company fails to satisfy other aspects of their notice of intent, including failure to make good faith efforts to employ, at a minimum, commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, the following: racial minorities, contractors who are racial minorities, and contractors that, in turn, employ at a minimum racial minorities commensurate with the percentage of minority populations in the state of

Missouri, as reported in the previous decennial census, or if the number of jobs is below the number required, the qualified company or qualified military project shall not receive tax credits or retain the withholding tax for the balance of the project period. **If a statewide state of emergency exists for more than sixteen months, a qualified company or industrial development authority shall be entitled to a one-time suspension of program deadlines equal to the number of months such statewide state of emergency existed with any partial month rounded to the next whole month. During such suspension, the qualified company or industrial development authority shall not be entitled to retain any withholding tax as calculated under subdivision (38) of section 620.2005 nor shall it earn any awarded tax credit or receive any tax credit under the program for the suspension period. The suspension period shall run consecutively and be available to a qualified company or industrial development authority that, during the statewide state of emergency, submitted a notice of intent that was approved or that was in year one or a subsequent year of benefits under a program agreement with the department. The suspension period that runs consecutively and may be available to a qualified company or industrial development authority as provided in this subsection may apply retroactively. Any qualified company or industrial development authority requesting a suspension pursuant to this subsection shall submit notice to the department on its provided form identifying the requested start and end dates of the suspension, not to exceed the maximum number of months available under this subsection. Such notice shall be submitted to the department not later than the end of the twelfth month following the termination of the statewide state of emergency. No suspension period shall start later than the date on which the statewide state of emergency was terminated. The department and the qualified company or the industrial development authority shall enter into a program agreement or shall amend an existing program agreement, as applicable, stating the deadlines following the suspension period and updating the applicable wage requirements.** Failure to timely file the annual report required under this section [shall] **may** result in the forfeiture of tax credits attributable to the year for which the reporting was required and a recapture of withholding taxes retained by the qualified company or qualified military project during such year.

4. The department may withhold the approval of any benefits under this program until it is satisfied that proper documentation has been provided, and shall reduce the benefits to reflect any reduction in full-time employees or payroll. Upon approval by the department, the qualified company may begin the retention of the withholding taxes when it reaches the required number of jobs and the average wage meets or exceeds the applicable percentage of county average wage. Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the applicable percentage of county average wage and the required number of jobs; provided that, tax credits awarded under subsection 7 of section 620.2010 may be issued following the qualified company's acceptance of the department's proposal and pursuant to the requirements set forth in the written agreement between the department and the qualified company under subsection 4 of section 620.2010.

5. Any qualified company or qualified military project approved for benefits under this program shall provide to the department, upon request, any and all information and records reasonably required to monitor compliance with program requirements. This program shall be considered a business recruitment tax credit under subdivision (4) of subsection 2 of section 135.800, and any qualified company or qualified military project approved for benefits under this program shall be subject to the provisions of sections 135.800 to 135.830.

6. Any taxpayer who is awarded benefits under this program who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the

state an amount equal to any state tax credits already redeemed and any withholding taxes already retained.

7. (1) The maximum amount of tax credits that may be authorized under this program for any fiscal year shall be limited as follows, less the amount of any tax credits previously obligated for that fiscal year under any of the tax credit programs referenced in subsection 14 of this section:

(a) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014, no more than one hundred six million dollars in tax credits may be authorized;

(b) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015, no more than one hundred eleven million dollars in tax credits may be authorized;

(c) For fiscal years beginning on or after July 1, 2015, but ending on or before June 30, 2020, no more than one hundred sixteen million dollars in tax credits may be authorized for each fiscal year; and

(d) For all fiscal years beginning on or after July 1, 2020, no more than one hundred six million dollars in tax credits may be authorized for each fiscal year. The provisions of this paragraph shall not apply to tax credits issued to qualified companies under a notice of intent filed prior to July 1, 2020.

(2) For all fiscal years beginning on or after July 1, 2020, in addition to the amount of tax credits that may be authorized under paragraph (d) of subdivision (1) of this subsection, an additional ten million dollars in tax credits may be authorized for each fiscal year for the purpose of the completion of infrastructure projects directly connected with the creation or retention of jobs under the provisions of sections620.2000 to 620.2020 and an additional ten million dollars in tax credits may be authorized for each fiscal year for a qualified manufacturing company based on a manufacturing capital investment as set forth in section 620.2010.

8. For all fiscal years beginning on or after July 1, 2020, the maximum total amount of withholding tax that may be authorized for retention for the creation of new jobs under the provisions of sections 620.2000 to 620.2020 by qualified companies with a project facility base employment of at least fifty shall not exceed seventy-five million dollars for each fiscal year. The provisions of this subsection shall not apply to withholding tax authorized for retention for the creation of new jobs by qualified companies with a project facility base employment of less than fifty.

9. For tax credits for the creation of new jobs under section 620.2010, the department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and any other applicable factors in determining the amount of benefits available to the qualified company or qualified military project under this program; provided that, the department may reserve up to twenty-one and one-half percent of the maximum annual amount of tax credits that may be authorized under subsection 7 of this section for award under subsection 7 of section 620.2010. However, the annual issuance of tax credits shall be subject to annual verification of actual payroll by the department or, for qualified military projects, annual verification of average salary for the jobs directly created by the qualified military project. Any authorization of tax credits shall expire if, within two years from the date of commencement of operations, or approval if applicable, the qualified company has failed to meet the applicable minimum job requirements. The qualified company may retain authorized amounts from the withholding tax under the project once the applicable minimum job requirements have been met for the duration of the project period. No benefits shall be provided under this program until the qualified company or qualified military project meets the applicable minimum new job

requirements or, for benefits awarded under subsection 7 of section 620.2010, until the qualified company has satisfied the requirements set forth in the written agreement between the department and the qualified company under subsection 4 of section 620.2010. In the event the qualified company or qualified military project does not meet the applicable minimum new job requirements, the qualified company or qualified military project may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company or qualified military project at the project facility or other facilities.

10. Tax credits provided under this program may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within one year of the close of the taxable year for which they were issued. Tax credits provided under this program may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department. For a qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

11. Prior to the issuance of tax credits or the qualified company beginning to retain withholding taxes, the department shall verify through the department of revenue and any other applicable state department that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of commerce and insurance that the applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not affect the approval, except that any tax credits issued shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue, the department of commerce and insurance, or any other state department concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

12. The director of revenue shall issue a refund to the qualified company to the extent that the amount of tax credits allowed under this program exceeds the amount of the qualified company's tax liability under chapter 143 or 148.

13. An employee of a qualified company shall receive full credit for the amount of tax withheld as provided in section 143.211.

14. Notwithstanding any provision of law to the contrary, beginning August 28, 2013, no new benefits shall be authorized for any project that had not received from the department a proposal or approval for such benefits prior to August 28, 2013, under the development tax credit program created under sections 32.100 to 32.125, the rebuilding communities tax credit program created under section 135.535, the enhanced enterprise zone tax credit program created under sections 135.950 to 135.973, and the Missouri quality jobs program created under sections 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair the ability of any administering agency to authorize or issue benefits for any

project that had received an approval or a proposal from the department under any of the programs referenced in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits or to retain any withholding tax under an approval issued prior to that date. The provisions of this subsection shall not be construed to limit or in any way impair the ability of any governing authority to provide any local abatement or designate a new zone under the enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any provision of law to the contrary, no qualified company that is awarded benefits under this program shall:

(1) Simultaneously receive benefits under the programs referenced in this subsection at the same capital investment; or

(2) Receive benefits under the provisions of section 620.1910 for the same jobs.

15. If any provision of sections 620.2000 to 620.2020 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared severable.

16. By no later than January 1, 2014, and the first day of each calendar quarter thereafter, the department shall present a quarterly report to the general assembly detailing the benefits authorized under this program during the immediately preceding calendar quarter to the extent such information may be disclosed under state and federal law. The report shall include, at a minimum:

(1) A list of all approved and disapproved applicants for each tax credit;

(2) A list of the aggregate amount of new or retained jobs that are directly attributable to the tax credits authorized;

(3) A statement of the aggregate amount of new capital investment directly attributable to the tax credits authorized;

(4) Documentation of the estimated net state fiscal benefit for each authorized project and, to the extent available, the actual benefit realized upon completion of such project or activity; and

(5) The department's response time for each request for a proposed benefit award under this program.

17. The department may adopt such rules, statements of policy, procedures, forms, and guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

18. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the program authorized under sections 620.2000 to 620.2020 shall be reauthorized as of August 28, 2018, and shall expire on August 28, 2030; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset

twelve years after the effective date of the reauthorization of sections 620.2000 to 620.2020; and

(3) Sections 620.2000 to 620.2020 shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under sections 620.2000 to 620.2020 is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Substitute No. 2 for Senate Committee Substitute for Senate Bill No. 745, Page 46, Section 393.1656, Line 35, by inserting after all of said section and line the following:

"393.1715. 1. An electrical corporation may petition the commission for a determination of the ratemaking principles and treatment, as proposed by the electrical corporation, that will apply to the reflection in base rates of the electrical corporation's capital and noncapital costs associated with the proposed retirement of one or more of the electrical corporation's generating facilities. Without limiting the foregoing, such principles and treatment may also establish the retirement date and useful life parameters used to set depreciation rates for such facilities. Except as provided for in subsection 4 of this section, the ratemaking principles and treatment approved by the commission under this section for such facilities shall apply to the determination of the revenue requirement in each of the electrical corporation's post-determination general rate proceedings until such time as such facility is fully depreciated on the electrical corporation's books.

2. If the commission fails to issue a determination within two hundred fifteen days that a petition for determination of ratemaking principles and treatment is filed, the ratemaking principles and treatment proposed by the petitioning electrical corporation shall be deemed to have been approved by the commission.

3. Subject to the provisions of subsection 4 of this section, ratemaking principles and treatment approved by the commission, or deemed to have been approved under subsection 2 of this section, shall be binding for ratemaking purposes.

4. (1) An electrical corporation with ratemaking principles and treatment approved by the commission, or deemed to have been approved under subsection 2 of this section, shall monitor the major factors and circumstances relating to the facility to which such principles and treatment apply. Such factors and circumstances include, but are not limited to:

(a) Terrorist activity or an act of God;

(b) A significant change in federal or state tax laws;

(c) A significant change in federal utility laws or regulations or a significant change in generally accepted accounting principles;

(d) An unexpected, extended outage or shutdown of a major generating unit, other than any major generating unit shut down due to an extended outage at the time of the approval of the ratemaking principles

and treatment;

(e) A significant change in the cost or reliability of power generation technologies;

(f) A significant change in fuel prices and wholesale electric market conditions;

(g) A significant change in the cost or effectiveness of emission control technologies;

(h) A significant change in the price of emission allowances;

(i) A significant change in the electrical corporation's load forecast;

(j) A significant change in capital market conditions;

(k) A significant change in the scope or effective dates of environmental regulations; or

(l) A significant change in federal or state environmental laws.

(2) If the electrical corporation determines that one or more major factor or circumstance has changed in a manner that warrants a change in the approved ratemaking principles and treatment, then it shall file a notice in the docket in which the approved ratemaking principles and treatment were established within forty-five days of any such determination. In its notification, the electrical corporation shall:

(a) Explain and specify the changes it contends are appropriate to the ratemaking principles and treatment and the reasons for the proposed changes;

(b) Provide a description of the alternatives that it evaluated and the process that it went through in developing its proposed changes; and

(c) Provide detailed workpapers that support the evaluation and the process whereby proposed changes were developed.

(3) If a party has concerns regarding the proposed changes, that party shall file a notice of its concerns within thirty days of the electrical corporation's filing. If the parties agree on a resolution of the concerns, the agreement shall be submitted to the commission for approval. If the parties do not reach agreement on changes to the ratemaking principles and treatment within ninety days of the date the electrical corporation filed its notice, whether the previously approved ratemaking and treatment will be changed shall be determined by the commission. If a party to the docket in which the approved ratemaking principles and treatment were approved believes that one or more major factor or circumstance has changed in a manner that warrants a change in the approved ratemaking principles and treatment and if the electrical corporation does not agree the principles and treatment should be changed, such party shall file a notice in the docket in which the approved ratemaking principles and treatment were established within forty-five days of any such determination. In its notification, such party shall:

(a) Explain and specify the changes it contends are appropriate to the ratemaking principles and treatment and the reasons for the proposed changes;

(b) Provide a description of the alternatives that it evaluated and the process that it went through in developing its proposed changes; and

(c) Provide detailed workpapers that support the evaluation and the process whereby proposed changes were developed.

(4) If a party, including the electrical corporation, has concerns regarding the proposed changes, that party shall file a notice of its concerns within thirty days of the other party's filing. If the parties do not reach agreement on changes to the ratemaking principles and treatment within ninety days of the date the notice was filed, whether the previously approved ratemaking and treatment will be changed shall be determined by the commission.

5. A determination of ratemaking principles and treatment under this section does not preclude an electrical corporation from also petitioning the commission under either or both of sections 393.1700 and 393.1705, provided that any costs to which such ratemaking principles and treatment would have applied in the electrical corporation's general rate proceedings which become funded by securitized utility tariff bond proceeds from a securitized utility tariff bond issued under section 393.1700 shall not thereafter be reflected in the electrical corporation's base rates.

6. If determined by the commission to be just, reasonable, and necessary for the provision of safe and adequate service, the electrical corporation **[**may**]** **shall** be permitted to retain coal-fired generating assets in rate base and recover **prudently incurred** costs associated with operating the coal-fired assets **[**that remain in service to provide greater certainty that generating capacity will be available to provide essential service to customers, including during extreme weather events, and the commission shall not disallow any portion of such cost recovery on the basis that such coal-fired generating assets operate**], including** at a low capacity factor, or **that** are offline and providing capacity only**[**, during normal operating conditions**] in order to remain in service to customers for reliability during events such as extreme weather**.

7. The commission may promulgate rules necessary to implement the provisions of sections 393.1700 to 393.1715. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2021, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this subsection shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

7. Notwithstanding any other provision of law to the contrary, the state auditor may audit all records maintained and established by the fee office in the same manner as the auditor may audit any agency of the state, and the department shall ensure that this audit requirement is a necessary condition for the award of all fee office contracts. No confidential records shall be divulged in such a way to reveal personally identifiable information.

An intermediate driver's license shall be readily distinguishable from a license issued to those over the age of eighteen. All applicants for an intermediate driver's license shall:

(1) Successfully complete the examination required by section 302.173;

(2) Pay the fee required by subsection 4 of this section;

(3) Have had a temporary instruction permit issued pursuant to subsection 1 of section 302.130 for at least a six-month period or a valid license from another state; and

For purposes of this section, the term "emancipated minor" means a person who is at least sixteen years of age,

but less than eighteen years of age, who:

(a) Marries with the consent of the legal custodial parent or legal guardian pursuant to section 451.080;

(b) Has been declared emancipated by a court of competent jurisdiction;

(c) Enters active duty in the Armed Forces;

(d) Has written consent to the emancipation from the custodial parent or legal guardian; **[**or**]**

(f) Qualifies as a homeless child or homeless youth, as defined in subsection 1 of section 167.020, or as an unaccompanied youth as defined in 42 U.S.C. Section 11434a(6), and whose status as such is verified as provided under subsection 10 of this section;

(5) Have had no alcohol-related enforcement contacts as defined in section 302.525 during the preceding twelve months; and

(6) Have no nonalcoholic traffic convictions for which points are assessed pursuant to section 302.302, within the preceding six months.

2. An intermediate driver's license grants the licensee the same privileges to operate that classification of motor vehicle as a license issued pursuant to section 302.177, except that no person shall operate a motor vehicle on the highways of this state under such an intermediate driver's license between the hours of 1:00 a.m. and 5:00 a.m. unless accompanied by a person described in subsection 1 of section 302.130; except the licensee may operate a motor vehicle without being accompanied if the travel is to or from a school or educational program or activity, a regular place of employment or in emergency situations as defined by the director by regulation.

3. Each intermediate driver's license shall be restricted by requiring that the driver and all passengers in the licensee's vehicle wear safety belts at all times. This safety belt restriction shall not apply to a person operating a motorcycle. For the first six months after issuance of the intermediate driver's license, the holder of the license shall not operate a motor vehicle with more than one passenger who is under the age of nineteen who is not a member of the holder's immediate family. As used in this subsection, an intermediate driver's license holder's immediate family shall include brothers, sisters, stepbrothers or stepsisters of the driver, including adopted or foster children residing in the same household of the intermediate driver's license holder. After the expiration of the first six months, the holder of an intermediate driver's license shall not operate a motor vehicle with more than three passengers who are under nineteen years of age and who are not members of the holder's immediate family. The passenger restrictions of this subsection shall not be applicable to any intermediate driver's license holder who is operating a motor vehicle being used in agricultural work-related activities.

4. Notwithstanding the provisions of section 302.177 to the contrary, the fee for an intermediate driver's license shall be five dollars and such license shall be valid for a period of two years. **Such fee shall be waived for any person qualifying as an emancipated minor under subdivision (4) of subsection 1 of this section.**

5. Any intermediate driver's licensee accumulating six or more points in a twelve-month period may be required to participate in and successfully complete a driver-improvement program approved by the state

highways and transportation commission. The driver-improvement program ordered by the director of revenue shall not be used in lieu of point assessment.

6. (1) An intermediate driver's licensee who has, for the preceding twelve-month period, had no alcohol-related enforcement contacts, as defined in section 302.525 and no traffic convictions for which points are assessed, upon reaching the age of eighteen years or within the thirty days immediately preceding their eighteenth birthday may apply for and receive without further examination, other than a vision test as prescribed by section 302.173, a license issued pursuant to this chapter granting full driving privileges. Such person shall pay the required fee for such license as prescribed in section 302.177.

(2) If an intermediate driver's license expires on a Saturday, Sunday, or legal holiday, such license shall remain valid for the five business days immediately following the expiration date. In no case shall a licensee whose intermediate driver's license expires on a Saturday, Sunday, or legal holiday be guilty of an offense of driving with an expired or invalid driver's license if such offense occurred within five business days immediately following an expiration date that occurs on a Saturday, Sunday, or legal holiday.

(3) The director of revenue shall deny an application for a full driver's license until the person has had no traffic convictions for which points are assessed for a period of twelve months prior to the date of application for license or until the person is eligible to apply for a six-year driver's license as provided for in section 302.177, provided the applicant is otherwise eligible for full driving privileges. An intermediate driver's license shall expire when the licensee is eligible and receives a full driver's license as prescribed in subdivision (1) of this section.

7. No person upon reaching the age of eighteen years whose intermediate driver's license and driving privilege is denied, suspended, cancelled or revoked in this state or any other state for any reason may apply for a full driver's license until such license or driving privilege is fully reinstated. Any such person whose intermediate driver's license has been revoked pursuant to the provisions of sections 302.010 to 302.540 shall, upon receipt of reinstatement of the revocation from the director, pass the complete driver examination, apply for a new license, and pay the proper fee before again operating a motor vehicle upon the highways of this state.

8. A person shall be exempt from the intermediate licensing requirements if the person has reached the age of eighteen years and meets all other licensing requirements.

9. Any person who violates any of the provisions of this section relating to intermediate drivers' licenses or the provisions of section 302.130 relating to temporary instruction permits is guilty of an infraction, and no points shall be assessed to his or her driving record for any such violation.

10. **A person's status as a homeless child or youth or unaccompanied youth under paragraph (f) of subdivision (4) of subsection 1 of this section shall be verified by a letter signed by one of the following persons:**

(1) A director or designee of a governmental or nonprofit agency that receives public or private funding to provide services to homeless persons;

(2) A local education agency liaison for homeless children and youth designated under 42 U.S.C. Section 11432(g)(1)(J)(ii);

(3) A licensed attorney representing the minor in any legal matter; or

(4) A school social worker or counselor.

11. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void.

302.181. 1. The license issued pursuant to the provisions of sections 302.010 to 302.340 shall be in such form as the director shall prescribe, but the license shall be a card made of plastic or other comparable material. All licenses shall be manufactured of materials and processes that will prohibit, as nearly as possible, the ability to reproduce, alter, counterfeit, forge, or duplicate any license without ready detection. The license shall also bear the expiration date of the license, the classification of the license, the name, date of birth, residence address including the county of residence or a code number corresponding to such county established by the department, and brief description and colored digitized image of the licensee, and a facsimile of the signature of the licensee. The director shall provide by administrative rule the procedure and format for a licensee to indicate on the back of the license together with the designation for an anatomical gift as provided in section 194.240 the name and address of the person designated pursuant to sections 404.800 to 404.865 as the licensee's attorney in fact for the purposes of a durable power of attorney for health care decisions. No license shall be valid until it has been so signed by the licensee. If any portion of the license is prepared by a private firm, any contract with such firm shall be made in accordance with the competitive purchasing procedures as established by the state director of the division of purchasing.

2. All digital images produced for licenses shall become the property of the department of revenue.

3. The license issued shall be carried at all times by the holder thereof while driving a motor vehicle, and shall be displayed upon demand of any officer of the highway patrol, or any police officer or peace officer, or any other duly authorized person, for inspection when demand is made therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any duly authorized officer shall be presumptive evidence that such person is not a duly licensed operator.

4. The director of revenue shall not issue a license without a facial digital image of the license applicant, except as provided pursuant to subsection 7 of this section. A digital image of the applicant's full facial features shall be taken in a manner prescribed by the director. No digital image shall be taken wearing anything which cloaks the facial features of the individual.

5. The department of revenue may issue a temporary license or a full license without the photograph or with the last photograph or digital image in the department's records to members of the Armed Forces, except that where such temporary license is issued it shall be valid only until the applicant shall have had time to appear and have his or her picture taken and a license with his or her photograph issued.

6. The department of revenue shall issue upon request a nondriver's license card containing essentially the same information and photograph or digital image, except as provided pursuant to subsection 7 of this section, as the driver's license upon payment of six dollars. All nondriver's licenses shall expire on the applicant's birthday in the sixth year after issuance. A person who has passed his or her seventieth birthday shall upon application be issued a nonexpiring nondriver's license card. Notwithstanding any other provision of this chapter, a nondriver's license containing a concealed carry endorsement shall expire three years from the date the certificate of qualification was issued pursuant to section 571.101, as section 571.101 existed prior to August 28, 2013. The fee for nondriver's licenses issued for a period exceeding

three years is six dollars or three dollars for nondriver's licenses issued for a period of three years or less. The nondriver's license card shall be used for identification purposes only and shall not be valid as a license. **No fee shall be required or collected from a homeless child or homeless youth, as defined in subsection 1 of section 167.020, or unaccompanied youth, as defined in 42 U.S.C. Section 11434a(6), for a first nondriver's license card issued under this subsection. Such person's status as a homeless child or youth or unaccompanied youth shall be verified by a letter signed by one of the following persons:**

(1) A director or designee of a governmental or nonprofit agency that receives public or private funding to provide services to homeless persons;

(2) A local education agency liaison for homeless children and youth designated under 42 U.S.C. Section 11432(g)(1)(J)(ii);

(3) A licensed attorney representing the minor in any legal matter; or

(4) A school social worker or counselor.

7. If otherwise eligible, an applicant may receive a driver's license or nondriver's license without a photograph or digital image of the applicant's full facial features except that such applicant's photograph or digital image shall be taken and maintained by the director and not printed on such license. In order to qualify for a license without a photograph or digital image pursuant to this section the applicant must:

(1) Present a form provided by the department of revenue requesting the applicant's photograph be omitted from the license or nondriver's license due to religious affiliations. The form shall be signed by the applicant and another member of the religious tenant verifying the photograph or digital image exemption on the license or nondriver's license is required as part of their religious affiliation. The required signatures on the prescribed form shall be properly notarized;

(2) Provide satisfactory proof to the director that the applicant has been a United States citizen for at least five years and a resident of this state for at least one year, except that an applicant moving to this state possessing a valid driver's license from another state without a photograph shall be exempt from the one-year state residency requirement. The director may establish rules necessary to determine satisfactory proof of citizenship and residency pursuant to this section;

(3) Applications for a driver's license or nondriver's license without a photograph or digital image must be made in person at a license office determined by the director. The director is authorized to limit the number of offices that may issue a driver's or nondriver's license without a photograph or digital image pursuant to this section.

8. The department of revenue shall make available, at one or more locations within the state, an opportunity for individuals to have their full facial photograph taken by an employee of the department of revenue, or their designee, who is of the same sex as the individual being photographed, in a segregated location.

9. Beginning July 1, 2005, the director shall not issue a driver's license or a nondriver's license for a period that exceeds an applicant's lawful presence in the United States. The director may, by rule or regulation, establish procedures to verify the lawful presence of the applicant and establish the duration of any driver's license or nondriver's license issued under this section.

10. (1) Notwithstanding any biometric data restrictions contained in section 302.170, the department of revenue is hereby authorized to design and implement a secure digital driver's license program that

allows applicants applying for a driver's license in accordance with this chapter to obtain a secure digital driver's license in addition to the physical card-based license specified in this section.

(2) A digital driver's license as described in this subsection shall be accepted for all purposes for which a license, as defined in section 302.010, is used.

(3) The department may contract with one or more entities to develop the secure digital driver's license system. The department or entity may develop a mobile software application capable of being utilized through a person's electronic device to access the person's secure digital driver's license.

(4) The department shall suspend, disable, or terminate a person's participation in the secure digital driver's license program if:

(a) The person's driving privilege is suspended, revoked, denied, withdrawn, or cancelled as provided in this chapter; or

(b) The person reports that the person's electronic device has been lost, stolen, or compromised.

11. The director of the department of revenue may promulgate rules as necessary for the implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void."; and

Further amend the title and enacting clause accordingly.

Senator Razer moved that the above amendment be adopted, which motion prevailed.

Senator Bean assumed the Chair.

Section 9902(2), as amended, or any school district in which more than seventy percent of students in the district qualify for a free or reduced price lunch under the

federal Richard B. Russell National School Lunch Act, 42 U.S.C. Section 1751 et seq.;

(3) "Drinking water outlet", a potable water fixture that is used for drinking or food preparation. "Drinking water outlet" includes, but is not limited to:

(7) "Public school", the same definition as in section 160.011;

(8) "Remediation", decreasing the lead concentration in water from a drinking water outlet to less than five parts per billion without relying solely on flushing practices, or using methods such as the replacement of lead-containing pipes, solder, fittings, or fixtures with lead-free components. Flushing as a stand alone action shall not be considered remediation;

(9) "School", any public school, private school, or provider of an early childhood education program that receives state funding.

3. Beginning in the 2023-2024 school year and for each subsequent school year, each school shall provide drinking water with a lead concentration level below five parts per billion in sufficient amounts to meet the drinking water needs of all students and staff as provided in this section.

4. (1) On or before January 1, 2024, each school shall:

(a) Conduct an inventory of all drinking water outlets and all outlets that are used for dispensing water for cooking or for cleaning cooking and eating utensils in each of the school's buildings;

(b) Develop a plan for testing each outlet inventoried under paragraph (a) of this subdivision and make such plan available to the public; and

(c) Upon request, provide general information on the health effects of lead contamination and additional informational resources for employees and parents of children at each school.

(2) Each school shall make buildings housing early childhood education programs, kindergartens, and elementary schools the priority when complying with paragraphs (a) and (b) of subdivision (1) of this subsection.

(3) Before August 1, 2024, or the first day on which students will be present in the building, whichever is later, each school shall:

(a) Perform all testing as required by subsection 5 of this section and within two weeks after receiving test results, make all testing results and any lead remediation plans available on the school's website;

(b) Remove and replace any drinking water coolers or drinking water outlets that the United States Environmental Protection Agency has determined are not lead-free under the federal Lead

Contamination Control Act of 1988, as amended; except the school shall not be required to replace those drinking water outlets or water coolers that tested under the requirements of this section and have been determined to be dispensing drinking water with a lead concentration less than five part per billion; however, such drinking water outlet or water cooler shall be subject to all testing requirements and shall not be excluded from testing under subsection 10 of this section.

(4) If testing indicates that the water source is causing the contamination and until such time that the source of the contamination has been remediated, the school shall:

(a) Install a filter at each point at which the water supply enters the building;

(b) Install a filter that reduces lead in drinking water on each water outlet inventoried under paragraph (a) of subdivision (1) of this subsection to ensure lead concentrations are below five parts per billion; or

(c) Provide purified water at each water outlet inventoried under paragraph (a) of subdivision (1) of this subsection.

(5) If testing indicates that the internal building piping is causing the contamination and until such time that the source of the contamination has been remediated, the school shall:

(a) Install a filter that reduces lead in drinking water on each water outlet inventoried under paragraph (a) of subdivision (1) of this subsection to ensure lead concentrations are below five parts per billion; or

(b) Provide purified water at each water outlet inventoried under paragraph (a) of subdivision (1) of this subsection.

(6) If a pipe, solder, fitting, or fixture is replaced as part of remediation, the replacement shall be lead-free, as such term is defined in 40 CFR 143.12, as amended.

(7) If a test result exceeds five parts per billion, the affected school shall:

(a) Contact parents and staff via written notification within seven business days after receiving the test result. The notification shall include at least:

a. The test results and a summary that explains such results;

b. A description of any remedial steps taken; and

c. A description of general health effects of lead contamination and community specific resources; and

(b) Provide bottled water if there is not enough water to meet the drinking water needs of the students, teachers, and staff.

(8) School districts shall submit such annual testing results to the department.

(9) This subsection shall not be construed to prevent a school from conducting more frequent testing than required under this section.

5. (1) Before August 1, 2024, or the first day on which students will be present in the building, whichever is later, and annually thereafter, each school shall conduct testing for lead by first-draw and follow-up flush samples of a random sampling of at least twenty-five percent of remediated drinking water outlets until all remediated sources have been tested as recommended by the 2018 version of the United States Environmental Protection Agency's "Training, Testing, and Taking

Action" program. The testing shall be conducted and the results analyzed for both types of tests by an entity or entities approved by the department.

(2) If, in the ten years prior to the 2023-2024 school year, a fixture tested above five parts per billion for lead, such fixture does not need to be repeat tested for lead, but instead remediation shall begin on such fixture.

6. (1) In addition to the apportionments payable to a school district under chapter 163, the department of natural resources, with support from the department of elementary and secondary education and the department of health and senior services, is hereby authorized to apportion to any school additional funding for the filtration, testing, and other remediation of drinking water systems required under this section, subject to appropriation.

(2) To the extent permitted by federal law, a school district may seek reimbursement or other funds for compliance incurred under this section under any applicable federal law including, but not limited to, the America's Water Infrastructure Act of 2018 and the Water Infrastructure Finance and Innovation Act of 2014, 33 U.S.C. Section 3901, et seq.

(3) Disadvantaged school districts shall receive funding priority under this subsection.

7. The department, in conjunction with the department of elementary and secondary education, shall publish a report biennially based on the findings from the water testing conducted under this section. Such report shall be published on the department of natural resources website.

8. For public schools, the department shall ensure compliance with this section. Each school district shall be responsible for ensuring compliance within each school within the school district's jurisdiction.

9. No school building constructed after January 4, 2014, as provided in the federal Reduction of Lead in Drinking Water Act (42 U.S.C. Section 300g-6), as amended, shall be required to install, maintain, or replace filters under paragraph (c) of subdivision (1) of subsection 4 of this section.

10. A school that tests and does not find a drinking water source with a lead concentration above the acceptable level as described in subsection 3 of this section shall be required to test only every five years.

11. The department may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section"; and

SENATE AMENDMENT NO. 6

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2151, Page 78, Section 217.947, Line 13, by inserting after all of said line the following:

"452.375. 1. As used in this chapter, unless the context clearly indicates otherwise:

(1) "Custody" means joint legal custody, sole legal custody, joint physical custody or sole physical custody or any combination thereof;

(2) "Joint legal custody" means that the parents share the decision-making rights, responsibilities, and authority relating to the health, education and welfare of the child, and, unless allocated, apportioned, or decreed, the parents shall confer with one another in the exercise of decision-making rights, responsibilities, and authority;

(3) "Joint physical custody" means an order awarding each of the parents significant, but not necessarily equal, periods of time during which a child resides with or is under the care and supervision of each of the parents. Joint physical custody shall be shared by the parents in such a way as to assure the child of frequent, continuing and meaningful contact with both parents;

(4) "Third-party custody" means a third party designated as a legal and physical custodian pursuant to subdivision (5) of subsection 5 of this section.

2. The court shall determine custody in accordance with the best interests of the child. **[**When the parties have not reached an agreement on all issues related to custody, the court**]** **There shall be a rebuttable presumption that an award of equal or approximately equal parenting time that maximizes time with each parent is in the best interests of the child. Such presumption is rebuttable by a preponderance of the evidence in accordance with all relevant factors, including, but not limited to, the factors contained in subdivisions (1) to (9) of this subsection. The presumption shall be rebutted if the court finds that the parents have reached an agreement on all issues related to custody, or if the court finds that a pattern of domestic violence has occurred as set out in subdivision (7) of this subsection. The court shall construct a parenting plan that is consistent with ensuring the child's welfare and** shall consider all relevant factors and enter written findings of fact and conclusions of law, including, but not limited to, the following:

(1) The wishes of the child's parents as to custody and the proposed parenting plan submitted by both parties;

(2) The needs of the child for a frequent, continuing and meaningful relationship with both parents and the ability and willingness of parents to actively perform their functions as mother and father for the needs of the child;

(3) The interaction and interrelationship of the child with parents, siblings, and any other person who may significantly affect the child's best interests;

(4) Which parent is more likely to allow the child frequent, continuing and meaningful contact with the other parent; **the willingness and ability of parents to cooperate in the rearing of their child; to maximize sharing information and minimize exposure of the child to parental conflict; and to utilize methods for resolving disputes regarding any major decision concerning the life of the child;**

(5) The child's **needs;** adjustment to the child's home, school, and community; **and the child's physical, emotional, educational, and other needs. The fact that a parent sends his or her child or children to a home school, as defined in section 167.031, shall not be the sole factor that a court considers in determining custody of such child or children;**

(6) The mental and physical health of all individuals involved, including **the mental health or substance abuse history experienced by either parent;**

(7) Any history of abuse of any individuals involved**, including domestic and child abuse. In determining whether the presumption is rebutted by a pattern of domestic violence, the court shall consider the nature and context of the domestic violence and the implications of the domestic violence for parenting and for the child's safety, well-being, and developmental needs**. If the court finds that a pattern of domestic violence as defined in section 455.010 has occurred, and, if the court also finds that awarding custody to the abusive parent is in the best interest of the child, then the court shall enter written findings of fact and conclusions of law. Custody and visitation rights shall be ordered in a manner that best protects the child and any other child or children for whom the parent has custodial or visitation rights, and the parent or other family or household member who is the victim of domestic violence from any further harm**, whether physical, verbal, emotional, or psychological**;

[(7) The intention of either parent to relocate the principal residence of the child; and

(8) The wishes of a child as to the child's custodian. The fact that a parent sends his or her child or children to a home school, as defined in section 167.031, shall not be the sole factor that a court considers in determining custody of such child or children.**]**

(8) The distance between the residences of the parents seeking custody, including consideration of any relocation which has occurred or an intent to relocate; and

(9) The reasonable input of the child as to the child's custodian, if the court deems the child to be of sufficient ability, age, and maturity to express an independent, reliable preference and that such input is in the best interests of the child and will not be emotionally damaging, with due consideration of the influence that a parent may have on the child's input.

3. (1) In any court proceedings relating to custody of a child, the court shall not award custody or unsupervised visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any of the following offenses when a child was the victim:

(a) A felony violation of section 566.030, 566.031, 566.032, 566.060, 566.061, 566.062, 566.064, 566.067, 566.068, 566.083, 566.100, 566.101, 566.111, 566.151, 566.203, 566.206, 566.209, 566.211, or 566.215;

(b) A violation of section 568.020;

(c) A violation of subdivision (2) of subsection 1 of section 568.060;

(d) A violation of section 568.065;

(e) A violation of section 573.200;

(f) A violation of section 573.205; or

(g) A violation of section 568.175.

(2) For all other violations of offenses in chapters 566 and 568 not specifically listed in subdivision (1) of this subsection or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the court may exercise its discretion in awarding custody or visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any such offense.

4. The general assembly finds and declares that it is the public policy of this state that frequent, continuing and meaningful contact with both parents after the parents have separated or dissolved their marriage is in the best interest of the child, except for cases where the court specifically finds that such contact is not in the best interest of the child, and that it is the public policy of this state to encourage parents to participate in decisions affecting the health, education and welfare of their children, and to resolve disputes involving their children amicably through alternative dispute resolution. In order to effectuate these policies, **the general assembly encourages the court to enter a temporary parenting plan as early as practicable in a proceeding under this chapter, including, but not limited to, at an initial case management conference, consistent with the provisions of subsection 2 of this section, and in doing so** the court shall determine the custody arrangement which will best assure both parents participate in such decisions and have frequent, continuing and meaningful contact with their children so long as it is in the best interests of the child.

5. Prior to awarding the appropriate custody arrangement in the best interest of the child, the court shall

consider each of the following as follows:

(1) Joint physical and joint legal custody to both parents, which shall not be denied solely for the reason that one parent opposes a joint physical and joint legal custody award. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(2) Joint physical custody with one party granted sole legal custody. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(3) Joint legal custody with one party granted sole physical custody;

(4) Sole custody to either parent; or

(5) Third-party custody or visitation:

(a) When the court finds that each parent is unfit, unsuitable, or unable to be a custodian, or the welfare of the child requires, and it is in the best interests of the child, then custody, temporary custody or visitation may be awarded **to** a person related by consanguinity or affinity to the child. If no person related to the child by consanguinity or affinity is willing to accept custody, then the court may award custody to any other person or persons deemed by the court to be suitable and able to provide an adequate and stable environment for the child. Before the court awards custody, temporary custody or visitation to a third person under this subdivision, the court shall make that person a party to the action;

(b) Under the provisions of this subsection, any person may petition the court to intervene as a party in interest at any time as provided by supreme court rule.

6. If the parties have not agreed to a custodial arrangement, or the court determines such arrangement is not in the best interest of the child, the court shall include a written finding in the judgment or order based on the public policy in subsection 4 of this section and each of the factors listed in subdivisions (1) to **[**(8)**] (9)** of subsection 2 of this section detailing the specific relevant factors that made a particular arrangement in the best interest of the child. If a proposed custodial arrangement is rejected by the court, the court shall include a written finding in the judgment or order detailing the specific relevant factors resulting in the rejection of such arrangement.

7. Upon a finding by the court that either parent has refused to exchange information with the other parent, which shall include but not be limited to information concerning the health, education and welfare of the child, the court shall order the parent to comply immediately and to pay the prevailing party a sum equal to the prevailing party's cost associated with obtaining the requested information, which shall include but not be limited to reasonable attorney's fees and court costs.

8. As between the parents of a child, no preference may be given to either parent in the awarding of custody because of that parent's age, sex, or financial status, nor because of the age or sex of the child. The court shall not presume that a parent, solely because of his or her sex, is more qualified than the other parent to act as a joint or sole legal or physical custodian for the child.

9. Any judgment providing for custody shall include a specific written parenting plan setting forth the terms of such parenting plan arrangements specified in subsection 8 of section 452.310. Such plan may be a parenting plan submitted by the parties pursuant to section 452.310 or, in the absence thereof, a plan determined by the court, but in all cases, the custody plan approved and ordered by the court shall be in the court's discretion and shall be in the best interest of the child.

10. After August 28, 2016, every court order establishing or modifying custody or visitation shall include the following language: "In the event of noncompliance with this order, the aggrieved party may file a verified motion for contempt. If custody, visitation, or third-party custody is denied or interfered with by a parent or third party without good cause, the aggrieved person may file a family access motion with the court stating the specific facts that constitute a violation of the custody provisions of the judgment of dissolution, legal separation, or judgment of paternity. The circuit clerk will provide the aggrieved party with an explanation of the procedures for filing a family access motion and a simple form for use in filing the family access motion. A family access motion does not require the assistance of legal counsel to prepare and file.".

11. No court shall adopt any local rule, form, or practice requiring a standardized or default parenting plan for interim, temporary, or permanent orders or judgments. Notwithstanding any other provision to the contrary, a court may enter an interim order in a proceeding under this chapter, provided that the interim order shall not contain any provisions about child custody or a parenting schedule or plan without first providing the parties with notice and a hearing, unless the parties otherwise agree.

12. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, both parents shall have access to records and information pertaining to a minor child including, but not limited to, medical, dental, and school records. If the parent without custody has been granted restricted or supervised visitation because the court has found that the parent with custody or any child has been the victim of domestic violence, as defined in section 455.010, by the parent without custody, the court may order that the reports and records made available pursuant to this subsection not include the address of the parent with custody or the child. A court shall order that the reports and records made available under this subsection not include the address of the parent with custody if the parent with custody is a participant in the address confidentiality program under section 589.663. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, any judgment of dissolution or other applicable court order shall specifically allow both parents access to such records and reports.

13. Except as otherwise precluded by state or federal law, if any individual, professional, public or private institution or organization denies access or fails to provide or disclose any and all records and information, including, but not limited to, past and present dental, medical and school records pertaining to a minor child, to either parent upon the written request of such parent, the court shall, upon its finding that the individual, professional, public or private institution or organization denied such request without good cause, order that party to comply immediately with such request and to pay to the prevailing party all costs incurred, including, but not limited to, attorney's fees and court costs associated with obtaining the requested information.

14. An award of joint custody does not preclude an award of child support pursuant to section 452.340 and applicable supreme court rules. The court shall consider the factors contained in section 452.340 and applicable supreme court rules in determining an amount reasonable or necessary for the support of the child.

15. If the court finds that domestic violence or abuse as defined in section 455.010 has occurred, the court shall make specific findings of fact to show that the custody or visitation arrangement ordered by the court best protects the child and the parent or other family or household member who is the victim of domestic violence, as defined in section 455.010, and any other children for whom such parent has custodial

or visitation rights from any further harm."; and

The Senate met pursuant to adjournment.

"The Lord loves those who hate evil... Light dawns for the righteous, and joy for the upright in heart." (Psalm 97:10a, 11)

Faithful Father, grant us, Your servants, joy and protection from all that would hurt us and heal lives that are broken and mend the bodies that need Your touch and guide us towards Your benevolent light. We pray especially for Your help so our hearts are grateful in all things that we share and that this weekend with those You have given us to love is filled with joy and upright hearts. In Your Holy Name we pray. Amen.

Journal of the Senate

SECOND REGULAR SESSION

SIXTY-SECOND DAY—MONDAY, MAY 9, 2022

The Senate met pursuant to adjournment.

President Pro Tem Schatz in the Chair.

The Reverend Carl Gauck offered the following prayer:

"The path of the righteous is like the light of dawn, which shines brighter and higher until full day." (Proverbs 4:18)

We praise You Lord God, that the longer we walk in Your way the stronger Your leadership and Lordship in our lives. So, we pray that You will continue to guide us in the way of righteousness for the sake of Your love at work for us, which then touches our world through us. And Lord, we pray for Senator Eigel's wife as she goes through surgery that the surgeons are successful and your guiding hand assists with her healing. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

CONCURRENT RESOLUTIONS

Senator Brown offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 37

Whereas, the Constitution of the United States makes no reference to a right to an abortion and no such right exists under the Missouri Constitution; and

Whereas, *Roe v. Wade*, 410 U.S. 113 (1973), and *Planned Parenthood of Southeastern Pa. v. Casey*, 505 U.S. 833 (1992), serve as egregious examples of "legislating from the bench" in finding that a broad right to an abortion implicitly exists, despite the lack of such right in common law and in most state laws leading up to the *Roe* opinion; and

Whereas, the United States Supreme Court has revisited its previous decisions in *Dobbs v. Jackson Women's Health Organization* and has indicated its intent to overturn *Roe* and its line of cases, thereby recognizing the authority of the elected representatives of the states to once again settle the question of abortion according to the will of the people in accordance with the rule of law; and

Whereas, Missouri has a longstanding history from the state's earliest beginnings of recognizing abortion as the murder of an unborn child and the prohibition of such remained the law of the land until the Supreme Court's decision in *Roe*; and

Whereas, Missouri continues to recognize the importance of the right to life of an unborn child and has implemented the strongest protections for unborn life in the United States; and

Whereas, the General Assembly passed House Bill 126 in 2019 containing the "Right to Life of the Unborn Child Act", Section 188.017, which makes the knowing performance or inducement of an abortion, except in cases of medical emergency, a Class B felony; and

Whereas, Section 188.017 contains a contingent effective date reliant upon the action of the United States Supreme Court in overruling *Roe* and restoring to Missouri the authority to regulate abortion; and

Whereas, the Revisor of Statutes shall put Section 188.017 into effect in Missouri upon notification by the adoption of a concurrent resolution by the General Assembly, an opinion of the Attorney General, or a proclamation of the Governor:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby notify the Revisor of Statutes that this resolution shall serve as the General Assembly's notice pursuant to the provisions of Section 188.017 that the provisions of such section shall become effective upon the issuance by the United States Supreme Court of the *Dobbs* opinion overruling *Roe v. Wade*, 410 U.S. 113 (1973); and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Revisor of Statutes.

3. When the court has, after a hearing for any full order of protection, issued an order of protection, it may, in addition:

(1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;

[6.**]** **7.** The court shall grant to the noncustodial parent rights to visitation with any minor child born to or adopted by the parties, unless the court finds, after hearing, that visitation would endanger the child's physical health, impair the child's emotional development or would otherwise conflict with the best interests of the child, or that no visitation can be arranged which would sufficiently protect the custodial parent from further domestic violence. The court may appoint a guardian ad litem or court-appointed special advocate to represent the minor child in accordance with chapter 452 whenever the custodial parent alleges that visitation with the noncustodial parent will damage the minor child.

[7.**]** **8.** The court shall make an order requiring the noncustodial party to pay an amount reasonable and necessary for the support of any child to whom the party owes a duty of support when no prior order of support is outstanding and after all relevant factors have been considered, in accordance with Missouri supreme court rule 88.01 and chapter 452.

The court shall ensure that the contact information of the petitioner is not provided to the accountholder in proceedings held under this chapter.

(b) Upon issuance, a copy of the full order of protection shall be transmitted, either electronically or by certified mail, to the wireless service provider's registered agent listed with the secretary of state, or electronically to the email address provided by the wireless service provider. Such transmittal shall constitute adequate notice for the wireless service provider acting under this section and section 455.523.

(c) If the wireless service provider cannot operationally or technically effectuate the order due to certain circumstances, the wireless service provider shall notify the petitioner within three business days. Such circumstances shall include, but not be limited to, the following:

11. **The state EMS medical directors advisory committee shall review and make recommendations regarding all proposed community and regional time-critical diagnosis plans.**

12. Notwithstanding any other provision of law to the contrary, when regional EMS medical directors are providing either online telecommunication medical direction to AEMTs, EMT-Bs, EMT-Ps, and community paramedics, or offline medical direction per standardized EMS treatment, triage, and transport protocols for patients, those medical directions or treatment protocols may include the administration of the patient's own prescription medications.

(2) Assess the capacity of the emergency medical services system and hospitals to deliver recommended treatments in a timely fashion;

(3) Use the research, guidelines, and assessment to promulgate rules establishing protocols for transporting **trauma patients to a trauma center,** STEMI patients to a STEMI center**,** or stroke patients to a stroke center. Such transport protocols shall direct patients to **trauma centers,** STEMI centers**,** and stroke centers under section 190.243 based on the centers' capacities to deliver recommended acute care treatments within time limits suggested by clinical research;

(4) Define regions within the state for purposes of coordinating the delivery of **trauma care,** STEMI care**,** and stroke care, respectively;

(5) Promote the development of regional or community-based plans for transporting **trauma,** STEMI**,** or stroke patients via ground or air ambulance to **trauma centers,** STEMI centers**,** or stroke centers, respectively, in accordance with section 190.243; and

Such plan shall be based on the clinical research and guidelines and assessment of capacity described in subsection **[**1**]** **2** of this section and shall include a mechanism for evaluating its effect on medical outcomes. Upon approval of a plan, the department shall waive the requirements of rules promulgated under sections 190.100 to 190.245 that are inconsistent with the community-based or regional plan. A community-based or regional plan shall be developed by **[**or in consultation with**]** the representatives of hospitals, physicians, and emergency medical services providers in the community or region.

190.241. 1. **Except as provided for in subsection 4 of this section,** the department shall designate a hospital as an adult, pediatric or adult and pediatric trauma center when a hospital, upon proper application submitted by the hospital and site review, has been found by the department to meet the applicable level of trauma center criteria for designation in accordance with rules adopted by the department as prescribed by section 190.185. **Site review may occur on-site or by any reasonable means of communication, or by any combination thereof.** Such rules shall include designation as a trauma center without site review if such hospital is verified by a national verifying or designating body at the level which corresponds to a level approved in rule. **In developing trauma center designation criteria, the department shall use, as it deems practicable, peer-reviewed and evidence-based clinical research and guidelines including, but not limited to, the most recent guidelines of the American College of Surgeons.**

2. Except as provided for in subsection **[**5**]** **4** of this section, the department shall designate a hospital as a STEMI or stroke center when such hospital, upon proper application and site review, has been found by the department to meet the applicable level of STEMI or stroke center criteria for designation in accordance with rules adopted by the department as prescribed by section 190.185. **Site review may occur on-site or by any reasonable means of communication, or by any combination thereof.** In developing STEMI center and stroke center designation criteria, the department shall use, as it deems practicable, **[**appropriate**]** peer-reviewed **[**or**]** **and** evidence-based **clinical** research **[**on such topics**]** **and guidelines**

The department may remove a hospital's designation as a **trauma center, STEMI center, or** stroke center if the hospital requests removal of the designation or the department determines that the certificate **[**recognizing**] or verification that qualified** the hospital **[**as a stroke center**] for the designation under this subsection** has been suspended or revoked. Any decision made by the department to withdraw its designation of a **[**stroke**]** center pursuant to this subsection that is based on the revocation or suspension of a certification **or verification** by a certifying **or verifying** organization shall not be subject to judicial review. 8. A licensee providing audiology or speech-language pathology services in a remote state under the compact privilege shall function within the laws and regulations of the remote state.

9. A licensee providing audiology or speech-language pathology services in a remote state is subject to that state's regulatory authority. A remote state may, in accordance with due process and that state's laws, remove a licensee's compact privilege in the remote state for a specific period of time, impose fines, and/or take any other necessary actions to protect the health and safety of its citizens.

10. If a home state license is encumbered, the licensee shall lose the compact privilege in any remote state until the following occur:

(1) The home state license is no longer encumbered; and

(2) Two years have elapsed from the date of the adverse action.

11. Once an encumbered license in the home state is restored to good standing, the licensee must meet the requirements of subsection 1 of this section to obtain a compact privilege in any remote state.

12. Once the requirements of subsection 10 of this section have been met, the licensee must meet the requirements in subsection 1 of this section to obtain a compact privilege in a remote state.

345.195. Member states shall recognize the right of an audiologist or speech-language pathologist, licensed by a home state in accordance with section 345.185 and under rules promulgated by the Commission, to practice audiology or speech-language pathology in any member state via telehealth under a privilege to practice as provided in the Compact and rules promulgated by the Commission.

345.200. Active duty military personnel, or their spouse, shall designate a home state where the individual has a current license in good standing. The individual may retain the home state designation during the period the service member is on active duty. Subsequent to designating a home state, the individual shall only change their home state through application for licensure in the new state.

345.205. 1. In addition to the other powers conferred by state law, a remote state shall have the authority, in accordance with existing state due process law, to:

(1) Take adverse action against an audiologist's or speech-language pathologist's privilege to practice within that member state.

(2) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing board in a member

state for the attendance and testimony of witnesses or the production of evidence from another member state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage and other fees required by the service statutes of the state in which the witnesses or evidence are located.

(3) Only the home state shall have the power to take adverse action against an audiologist's or speech-language pathologist's license issued by the home state.

2. For purposes of taking adverse action, the home state shall give the same priority and effect to reported conduct received from a member state as it would if the conduct had occurred within the home state. In so doing, the home state shall apply its own state laws to determine appropriate action.

3. The home state shall complete any pending investigations of an audiologist or speech-language pathologist who changes primary state of residence during the course of the investigations. The home state shall also have the authority to take appropriate action or actions and shall promptly report the conclusions of the investigations to the administrator of the data system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any adverse actions.

4. If otherwise permitted by state law, the member state may recover from the affected audiologist or speech-language pathologist the costs of investigations and disposition of cases resulting from any adverse action taken against that audiologist or speech-language pathologist.

5. The member state may take adverse action based on the factual findings of the remote state, provided that the member state follows the member state's own procedures for taking the adverse action.

6. (1) In addition to the authority granted to a member state by its respective audiology or speech-language pathology practice act or other applicable state law, any member state may participate with other member states in joint investigations of licensees.

(2) Member states shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under the Compact.

7. If adverse action is taken by the home state against an audiologist's or speech language pathologist's license, the audiologist's or speech-language pathologist's privilege to practice in all other member states shall be deactivated until all encumbrances have been removed from the state license. All home state disciplinary orders that impose adverse action against an audiologist's or speech language pathologist's license shall include a statement that the audiologist's or speech-language pathologist's privilege to practice is deactivated in all member states during the pendency of the order.

8. If a member state takes adverse action, it shall promptly notify the administrator of the data system. The administrator of the data system shall promptly notify the home state of any adverse actions by remote states.

9. Nothing in this Compact shall override a member state's decision that participation in an alternative program may be used in lieu of adverse action.

345.210. 1. The Compact member states hereby create and establish a joint public agency known

as the Audiology and Speech-Language Pathology Compact Commission:

(1) The Commission is an instrumentality of the Compact states.

(2) Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

(3) Nothing in this Compact shall be construed to be a waiver of sovereign immunity.

2. (1) Each member state shall have two (2) delegates selected by that member state's licensing board. The delegates shall be current members of the licensing board. One shall be an audiologist and one shall be a speech-language pathologist.

(2) An additional five (5) delegates, who are either a public member or board administrator from a state licensing board, shall be chosen by the Executive Committee from a pool of nominees provided by the Commission at Large.

(3) Any delegate may be removed or suspended from office as provided by the law of the state from which the delegate is appointed.

(4) The member state board shall fill any vacancy occurring on the Commission, within 90 days.

(5) Each delegate shall be entitled to one (1) vote with regard to the promulgation of rules and creation of bylaws and shall otherwise have an opportunity to participate in the business and affairs of the Commission.

(6) A delegate shall vote in person or by other means as provided in the bylaws. The bylaws may provide for delegates' participation in meetings by telephone or other means of communication.

(7) The Commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

3. The Commission shall have the following powers and duties:

(1) Establish the fiscal year of the Commission;

(2) Establish bylaws;

(3) Establish a Code of Ethics;

(4) Maintain its financial records in accordance with the bylaws;

(5) Meet and take actions as are consistent with the provisions of this Compact and the bylaws;

(6) Promulgate uniform rules to facilitate and coordinate implementation and administration of this Compact. The rules shall have the force and effect of law and shall be binding in all member states;

(7) Bring and prosecute legal proceedings or actions in the name of the Commission, provided that the standing of any state audiology or speech-language pathology licensing board to sue or be sued under applicable law shall not be affected;

(8) Purchase and maintain insurance and bonds;

(9) Borrow, accept, or contract for services of personnel, including, but not limited to, employees of a member state;

(10) Hire employees, elect or appoint officers, fix compensation, define duties, grant individuals appropriate authority to carry out the purposes of the Compact, and to establish the Commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel, and other related personnel matters;

(11) Accept any and all appropriate donations and grants of money, equipment, supplies, materials and services, and to receive, utilize and dispose of the same; provided that at all times the Commission shall avoid any appearance of impropriety and/or conflict of interest;

(12) Lease, purchase, accept appropriate gifts or donations of, or otherwise to own, hold, improve or use, any property, real, personal or mixed; provided that at all times the Commission shall avoid any appearance of impropriety;

(13) Sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property real, personal, or mixed;

(14) Establish a budget and make expenditures;

(15) Borrow money;

(16) Appoint committees, including standing committees composed of members, and other interested persons as may be designated in this Compact and the bylaws;

(17) Provide and receive information from, and cooperate with, law enforcement agencies;

(18) Establish and elect an Executive Committee; and

(19) Perform other functions as may be necessary or appropriate to achieve the purposes of this Compact consistent with the state regulation of audiology and speech-language pathology licensure and practice.

4. The Executive Committee shall have the power to act on behalf of the Commission according to the terms of this Compact:

(1) The Executive Committee shall be composed of ten (10) members:

(a) Seven (7) voting members who are elected by the Commission from the current membership of the Commission;

(b) Two (2) ex-officios, consisting of one nonvoting member from a recognized national audiology professional association and one nonvoting member from a recognized national speech-language pathology association; and

(c) One (1) ex-officio, nonvoting member from the recognized membership organization of the audiology and speech-language pathology licensing boards.

5. The ex-officio members shall be selected by their respective organizations.

(1) The Commission may remove any member of the Executive Committee as provided in bylaws.

(2) The Executive Committee shall meet at least annually.

(3) The Executive Committee shall have the following duties and responsibilities:

(a) Recommend to the entire Commission changes to the rules or bylaws, changes to this Compact legislation, fees paid by Compact member states such as annual dues, and any commission Compact fee charged to licensees for the compact privilege;

(b) Ensure Compact administration services are appropriately provided, contractual or otherwise;

(c) Prepare and recommend the budget;

(d) Maintain financial records on behalf of the Commission;

(e) Monitor Compact compliance of member states and provide compliance reports to the Commission;

(f) Establish additional committees as necessary; and

(g) Other duties as provided in rules or bylaws.

(4) All meetings shall be open to the public, and public notice of meetings shall be given in the same manner as required under the rulemaking provisions in section 345.220.

(5) The Commission or the Executive Committee or other committees of the Commission may convene in a closed, non-public meeting if the Commission or Executive Committee or other committees of the Commission must discuss:

(a) Non-compliance of a member state with its obligations under the Compact;

(b) The employment, compensation, discipline or other matters, practices or procedures related to specific employees or other matters related to the Commission's internal personnel practices and procedures;

(c) Current, threatened, or reasonably anticipated litigation;

(d) Negotiation of contracts for the purchase, lease, or sale of goods, services, or real estate;

(e) Accusing any person of a crime or formally censuring any person;

(f) Disclosure of trade secrets or commercial or financial information that is privileged or confidential;

(g) Disclosure of information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(h) Disclosure of investigative records compiled for law enforcement purposes;

(i) Disclosure of information related to any investigative reports prepared by or on behalf of or for use of the Commission or other committee charged with responsibility of investigation or determination of compliance issues pursuant to the Compact; or

(j) Matters specifically exempted from disclosure by federal or member state statute.

(6) If a meeting, or portion of a meeting, is closed pursuant to this provision, the Commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting provision.

(7) The Commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the Commission or order of a court of competent jurisdiction.

(8) (a) The Commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization, and ongoing activities.

(b) The Commission may accept any and all appropriate revenue sources, donations, and grants of money, equipment, supplies, materials, and services.

(c) The Commission may levy on and collect an annual assessment from each member state or impose fees on other parties to cover the cost of the operations and activities of the Commission and its staff, which must be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Commission, which shall promulgate a rule binding upon all member states.

(9) The Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Commission pledge the credit of any of the member states, except by and with the authority of the member state.

(10) The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the Commission.

6. (1) The members, officers, executive director, employees and representatives of the Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities; provided that nothing in this subdivision shall be construed to protect any person from suit and/or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person.

(2) The Commission shall defend any member, officer, executive director, employee or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The Commission shall indemnify and hold harmless any member, officer, executive director, employee, or representative of the Commission for the amount of any settlement or judgment

obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

345.215. 1. The Commission shall provide for the development, maintenance, and utilization of a coordinated database and reporting system containing licensure, adverse action, and investigative information on all licensed individuals in member states.

2. Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the data system on all individuals to whom this Compact is applicable as required by the rules of the Commission, including:

(1) Identifying information;

(2) Licensure data;

(3) Adverse actions against a license or compact privilege;

(4) Non-confidential information related to alternative program participation;

(5) Any denial of application for licensure, and the reason or reasons for denial; and

(6) Other information that may facilitate the administration of this Compact, as determined by the rules of the Commission.

3. Investigative information pertaining to a licensee in any member state shall only be available to other member states.

4. The Commission shall promptly notify all member states of any adverse action taken against a licensee or an individual applying for a license. Adverse action information pertaining to a licensee in any member state shall be available to any other member state.

5. Member states contributing information to the data system may designate information that may not be shared with the public without the express permission of the contributing state.

6. Any information submitted to the data system that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the data system.

345.220. 1. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

2. If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within 4 years of the date of adoption of the rule, the rule shall have no further force and effect in any member state.

3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the Commission.

4. Prior to promulgation and adoption of a final rule or rules by the Commission, and at least thirty (30) days in advance of the meeting at which the rule shall be considered and voted upon, the

Commission shall file a Notice of Proposed Rulemaking:

(1) On the website of the Commission or other publicly accessible platform; and

(2) On the website of each member state audiology or speech-language pathology licensing board or other publicly accessible platform or the publication in which each state would otherwise publish proposed rules.

5. The Notice of Proposed Rulemaking shall include:

(1) The proposed time, date, and location of the meeting in which the rule shall be considered and voted upon;

(2) The text of the proposed rule or amendment and the reason for the proposed rule;

(3) A request for comments on the proposed rule from any interested person; and

(4) The manner in which interested persons may submit notice to the Commission of their intention to attend the public hearing and any written comments.

6. Prior to the adoption of a proposed rule, the Commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

7. The Commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(1) At least twenty-five (25) persons;

(2) A state or federal governmental subdivision or agency; or

(3) An association having at least twenty-five (25) members.

8. If a hearing is held on the proposed rule or amendment, the Commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the Commission shall publish the mechanism for access to the electronic hearing.

(1) All persons wishing to be heard at the hearing shall notify the executive director of the Commission or other designated member in writing of their desire to appear and testify at the hearing not less than five (5) business days before the scheduled date of the hearing.

(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) All hearings shall be recorded. A copy of the recording shall be made available on request.

(4) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the Commission at hearings required by this section.

9. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Commission shall consider all written and oral comments received.

10. If no written notice of intent to attend the public hearing by interested parties is received, the Commission may proceed with promulgation of the proposed rule without a public hearing.

11. The Commission shall, by majority vote of all members, take final action on the proposed rule

and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

12. Upon determination that an emergency exists, the Commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the Compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

(1) Meet an imminent threat to public health, safety, or welfare;

(2) Prevent a loss of Commission or member state funds; or

(3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule.

13. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

345.225. 1. (1) Upon request by a member state, the Commission shall attempt to resolve disputes related to the Compact that arise among member states and between member and non-member states.

(2) The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

2. (1) The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this Compact.

(2) By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a member state in default to enforce compliance with the provisions of the Compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or state law.

345.230. 1. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the 10th member state. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.

2. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

3. Any member state may withdraw from this Compact by enacting a statute repealing the same.

(1) A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's audiology or speech-language pathology licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

4. Nothing contained in this Compact shall be construed to invalidate or prevent any audiology or speech-language pathology licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this Compact.

5. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

345.235. This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any member state, the Compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

345.240. 1. Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the Compact.

2. All laws in a member state in conflict with the Compact are superseded to the extent of the conflict.

3. All lawful actions of the Commission, including all rules and bylaws promulgated by the Commission, are binding upon the member states.

4. All agreements between the Commission and the member states are binding in accordance with their terms.

5. In the event any provision of the Compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state."; and

Journal of the Senate

SECOND REGULAR SESSION

SIXTY-THIRD DAY—TUESDAY, MAY 10, 2022

The Senate met pursuant to adjournment.

Senator Riddle in the Chair.

The Reverend Carl Gauck offered the following prayer:

"A little stress is like a little salt in that it flavors the moment…(but) excessive stress is killing us." (Hans Seale)

Gracious God, many of us thrive on the stress to accomplish those things we have set out for ourselves to accomplish. So, we pray that You will guide us in the way of righteousness for the sake of Your love at work in and through us. What we do in this chamber touches the people of Missouri and we pray it will be a beneficial blessing to our people. So, we pray for calm in our hearts and minds so that it will provide healing and a peace that quiets us during this stressful time. Give to us moments of clarity and faithfulness to get done only what must be brought to completion through us. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

197.315. 1. Any person who proposes to develop or offer a new institutional health service within the state **[**must**] shall** obtain a certificate of need from the committee prior to the time such services are offered.

2. Only those new institutional health services which are found by the committee to be needed shall be granted a certificate of need. Only those new institutional health services which are granted certificates of need shall be offered or developed within the state. No expenditures for new institutional health services in excess of the applicable expenditure minimum shall be made by any person unless a certificate of need has been granted.

8. Periodic reports to the committee shall be required of any applicant who has been granted a certificate of need until the project has been completed. The committee may order the forfeiture of the certificate of need upon failure of the applicant to file any such report.

9. A certificate of need shall be subject to forfeiture for failure to incur a capital expenditure on any approved project within six months after the date of the order. The applicant may request an extension from the committee of not more than six additional months based upon substantial expenditure made.

10. Each application for a certificate of need must be accompanied by an application fee. The time of filing commences with the receipt of the application and the application fee. The application fee is one thousand dollars, or one-tenth of one percent of the total cost of the proposed project, whichever is greater. All application fees shall be deposited in the state treasury. Because of the loss of federal funds, the general assembly will appropriate funds to the Missouri health facilities review committee.

17. Notwithstanding other provisions of this section, a certificate of need may be issued after July 1, 1983, for an intermediate care facility operated exclusively for the intellectually disabled.

[18. To assure the safe, appropriate, and cost-effective transfer of new medical technology throughout the state, a certificate of need shall not be required for the purchase and operation of:

(1) Research equipment that is to be used in a clinical trial that has received written approval from a duly constituted institutional review board of an accredited school of medicine or osteopathy located in Missouri to establish its safety and efficacy and does not increase the bed complement of the institution in which the equipment is to be located. After the clinical trial has been completed, a certificate of need must be obtained for continued use in such facility; or

(2) Equipment that is to be used by an academic health center operated by the state in furtherance of its research or teaching missions.**]**

197.320. The committee shall have the power to promulgate reasonable rules, regulations, criteria and standards in conformity with this section and chapter 536 to meet the objectives of sections 197.300 to **[**197.366**]** **197.367** including the power to establish criteria and standards to review new types of **[**equipment or service**]** **services**. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions of law. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

354.095. 1. A corporation subject to the provisions of sections 354.010 to 354.380 may, in the discretion of its board of directors, limit or define the classes of persons who shall be eligible to become members or beneficiaries, limit and define the benefits which it will furnish, and may define such benefits as it undertakes to furnish into classes or kinds. It may make available to its members or beneficiaries such health services, or reimbursement therefor, as the board of directors of any such corporation may approve; if maternity benefits are provided to any members of any plan, then maternity benefits shall be provided to any member of such plan without discrimination as to whether the member is married or unmarried, and if maternity benefits are provided to a beneficiary of any plan, then maternity benefits shall be provided to such beneficiary of such plan without discrimination as to whether the beneficiary is married or unmarried.

A health services corporation shall use the same standards that are applied to any other health care facility within the same health services area in defining the benefits that the corporation will furnish to the ambulatory surgical facility, the classes to which such benefits will be furnished, and the amount of reimbursement."; and

Further amend said bill, page 12, section 630.202, line 113, by inserting after all of said line the following:

Failure to respond on behalf of the department shall result in the notice of intent being deemed approved. A qualified company receiving approval for program benefits may receive additional benefits for subsequent new jobs at the same facility after the full initial project period if the applicable minimum job requirements are met. There shall be no limit on the number of project periods a qualified company may participate in the program, and a qualified company may elect to file a notice of intent to begin a new project period concurrent with an existing project period if the applicable minimum job requirements are achieved, the qualified company provides the department with the required annual reporting, and the qualified company is in compliance with this program and any other state programs in which the qualified company is currently or has previously participated. However, the qualified company shall not receive any further program

benefits under the original approval for any new jobs created after the date of the new notice of intent, and any jobs created before the new notice of intent shall not be included as new jobs for purposes of the benefit calculation for the new approval. When a qualified company has filed and received approval of a notice of intent and subsequently files another notice of intent, the department shall apply the definition of project facility under subdivision (24) of section 620.2005 to the new notice of intent as well as all previously approved notices of intent and shall determine the application of the definitions of new job, new payroll, project facility base employment, and project facility base payroll accordingly.

2. Notwithstanding any provision of law to the contrary, the benefits available to the qualified company under any other state programs for which the company is eligible and which utilize withholding tax from the new or retained jobs of the company shall first be credited to the other state program before the withholding retention level applicable under this program will begin to accrue. If any qualified company also participates in a job training program utilizing withholding tax, the company shall retain no withholding tax under this program, but the department shall issue a refundable tax credit for the full amount of benefit allowed under this program. The calendar year annual maximum amount of tax credits which may be issued to a qualifying company that also participates in a job training program shall be increased by an amount equivalent to the withholding tax retained by that company under a jobs training program.

3. A qualified company or qualified military project receiving benefits under this program shall provide an annual report of the number of jobs, along with minority jobs created or retained, and such other information as may be required by the department to document the basis for program benefits available no later than ninety days prior to the end of the qualified company's or industrial development authority's tax year immediately following the tax year for which the benefits provided under the program are attributed. In such annual report, if the average wage is below the applicable percentage of the county average wage, the qualified company or qualified military project has not maintained the employee insurance as required, if the department after a review determines the qualifying company fails to satisfy other aspects of their notice of intent, including failure to make good faith efforts to employ, at a minimum, commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, the following: racial minorities, contractors who are racial minorities, and contractors that, in turn, employ at a minimum racial minorities commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, or if the number of jobs is below the number required, the qualified company or qualified military project shall not receive tax credits or retain the withholding tax for the balance of the project period. **If a statewide state of emergency exists for more than sixteen months, a qualified company or industrial development authority shall be entitled to a one-time suspension of program deadlines equal to the number of months such statewide state of emergency existed with any partial month rounded to the next whole month. During such suspension, the qualified company or industrial development authority shall not be entitled to retain any withholding tax as calculated under subdivision (38) of section 620.2005 nor shall it earn any awarded tax credit or receive any tax credit under the program for the suspension period. The suspension period shall run consecutively and be available to a qualified company or industrial development authority that, during the statewide state of emergency, submitted a notice of intent that was approved or that was in year one or a subsequent year of benefits under a program agreement with the department. The suspension period that runs consecutively and may be available to a qualified company or industrial development authority as provided in this subsection may apply retroactively. Any qualified company or industrial development authority requesting a suspension pursuant to this subsection shall submit notice to the department on its provided form identifying the requested start**

and end dates of the suspension, not to exceed the maximum number of months available under this subsection. Such notice shall be submitted to the department not later than the end of the twelfth month following the termination of the statewide state of emergency. No suspension period shall start later than the date on which the statewide state of emergency was terminated. The department and the qualified company or the industrial development authority shall enter into a program agreement or shall amend an existing program agreement, as applicable, stating the deadlines following the suspension period and updating the applicable wage requirements. Failure to timely file the annual report required under this section [shall] **may** result in the forfeiture of tax credits attributable to the year for which the reporting was required and a recapture of withholding taxes retained by the qualified company or qualified military project during such year.

4. The department may withhold the approval of any benefits under this program until it is satisfied that proper documentation has been provided, and shall reduce the benefits to reflect any reduction in full-time employees or payroll. Upon approval by the department, the qualified company may begin the retention of the withholding taxes when it reaches the required number of jobs and the average wage meets or exceeds the applicable percentage of county average wage. Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the applicable percentage of county average wage and the required number of jobs; provided that, tax credits awarded under subsection 7 of section 620.2010 may be issued following the qualified company's acceptance of the department's proposal and pursuant to the requirements set forth in the written agreement between the department and the qualified company under subsection 4 of section 620.2010.

5. Any qualified company or qualified military project approved for benefits under this program shall provide to the department, upon request, any and all information and records reasonably required to monitor compliance with program requirements. This program shall be considered a business recruitment tax credit under subdivision (4) of subsection 2 of section 135.800, and any qualified company or qualified military project approved for benefits under this program shall be subject to the provisions of sections 135.800 to 135.830.

6. Any taxpayer who is awarded benefits under this program who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state an amount equal to any state tax credits already redeemed and any withholding taxes already retained.

7. (1) The maximum amount of tax credits that may be authorized under this program for any fiscal year shall be limited as follows, less the amount of any tax credits previously obligated for that fiscal year under any of the tax credit programs referenced in subsection 14 of this section:

(a) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014, no more than one hundred six million dollars in tax credits may be authorized;

(b) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015, no more than one hundred eleven million dollars in tax credits may be authorized;

(c) For fiscal years beginning on or after July 1, 2015, but ending on or before June 30, 2020, no more than one hundred sixteen million dollars in tax credits may be authorized for each fiscal year; and

(d) For all fiscal years beginning on or after July 1, 2020, no more than one hundred six million dollars in tax credits may be authorized for each fiscal year. The provisions of this paragraph shall not apply to tax

credits issued to qualified companies under a notice of intent filed prior to July 1, 2020.

(2) For all fiscal years beginning on or after July 1, 2020, in addition to the amount of tax credits that may be authorized under paragraph (d) of subdivision (1) of this subsection, an additional ten million dollars in tax credits may be authorized for each fiscal year for the purpose of the completion of infrastructure projects directly connected with the creation or retention of jobs under the provisions of sections620.2000 to 620.2020 and an additional ten million dollars in tax credits may be authorized for each fiscal year for a qualified manufacturing company based on a manufacturing capital investment as set forth in section 620.2010.

8. For all fiscal years beginning on or after July 1, 2020, the maximum total amount of withholding tax that may be authorized for retention for the creation of new jobs under the provisions of sections 620.2000 to 620.2020 by qualified companies with a project facility base employment of at least fifty shall not exceed seventy-five million dollars for each fiscal year. The provisions of this subsection shall not apply to withholding tax authorized for retention for the creation of new jobs by qualified companies with a project facility base employment of less than fifty.

9. For tax credits for the creation of new jobs under section 620.2010, the department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and any other applicable factors in determining the amount of benefits available to the qualified company or qualified military project under this program; provided that, the department may reserve up to twenty-one and one-half percent of the maximum annual amount of tax credits that may be authorized under subsection 7 of this section for award under subsection 7 of section 620.2010. However, the annual issuance of tax credits shall be subject to annual verification of actual payroll by the department or, for qualified military projects, annual verification of average salary for the jobs directly created by the qualified military project. Any authorization of tax credits shall expire if, within two years from the date of commencement of operations, or approval if applicable, the qualified company has failed to meet the applicable minimum job requirements. The qualified company may retain authorized amounts from the withholding tax under the project once the applicable minimum job requirements have been met for the duration of the project period. No benefits shall be provided under this program until the qualified company or qualified military project meets the applicable minimum new job requirements or, for benefits awarded under subsection 7 of section 620.2010, until the qualified company has satisfied the requirements set forth in the written agreement between the department and the qualified company under subsection 4 of section 620.2010. In the event the qualified company or qualified military project does not meet the applicable minimum new job requirements, the qualified company or qualified military project may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company or qualified military project at the project facility or other facilities.

10. Tax credits provided under this program may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within one year of the close of the taxable year for which they were issued. Tax credits provided under this program may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department. For a qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

11. Prior to the issuance of tax credits or the qualified company beginning to retain withholding taxes,

the department shall verify through the department of revenue and any other applicable state department that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of commerce and insurance that the applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not affect the approval, except that any tax credits issued shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue, the department of commerce and insurance, or any other state department concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

12. The director of revenue shall issue a refund to the qualified company to the extent that the amount of tax credits allowed under this program exceeds the amount of the qualified company's tax liability under chapter 143 or 148.

13. An employee of a qualified company shall receive full credit for the amount of tax withheld as provided in section 143.211.

14. Notwithstanding any provision of law to the contrary, beginning August 28, 2013, no new benefits shall be authorized for any project that had not received from the department a proposal or approval for such benefits prior to August 28, 2013, under the development tax credit program created under sections 32.100 to 32.125, the rebuilding communities tax credit program created under section 135.535, the enhanced enterprise zone tax credit program created under sections 135.950 to 135.973, and the Missouri quality jobs program created under sections 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair the ability of any administering agency to authorize or issue benefits for any project that had received an approval or a proposal from the department under any of the programs referenced in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits or to retain any withholding tax under an approval issued prior to that date. The provisions of this subsection shall not be construed to limit or in any way impair the ability of any governing authority to provide any local abatement or designate a new zone under the enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any provision of law to the contrary, no qualified company that is awarded benefits under this program shall:

(1) Simultaneously receive benefits under the programs referenced in this subsection at the same capital investment; or

(2) Receive benefits under the provisions of section 620.1910 for the same jobs.

15. If any provision of sections 620.2000 to 620.2020 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared severable.

16. By no later than January 1, 2014, and the first day of each calendar quarter thereafter, the department

shall present a quarterly report to the general assembly detailing the benefits authorized under this program during the immediately preceding calendar quarter to the extent such information may be disclosed under state and federal law. The report shall include, at a minimum:

(1) A list of all approved and disapproved applicants for each tax credit;

(2) A list of the aggregate amount of new or retained jobs that are directly attributable to the tax credits authorized;

(3) A statement of the aggregate amount of new capital investment directly attributable to the tax credits authorized;

(4) Documentation of the estimated net state fiscal benefit for each authorized project and, to the extent available, the actual benefit realized upon completion of such project or activity; and

(5) The department's response time for each request for a proposed benefit award under this program.

17. The department may adopt such rules, statements of policy, procedures, forms, and guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

18. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the program authorized under sections 620.2000 to 620.2020 shall be reauthorized as of August 28, 2018, and shall expire on August 28, 2030; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of sections 620.2000 to 620.2020; and

(3) Sections 620.2000 to 620.2020 shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under sections 620.2000 to 620.2020 is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

The department may require any documentation it deems necessary to administer the provisions of this section.

6. Notwithstanding any other provision of law to contrary, if the tax credit cap in this section is not met, the remaining amount of tax credits available to claim shall be applied to the tax credit in section 135.778 if the tax credit cap in section 135.778 has been met.

7. Notwithstanding the provisions of section 32.057 to the contrary, the department may work with the division of weights and measures within the department of agriculture to validate that the biodiesel blend a retail dealer or distributor claims for the tax credit authorized under this section contains a sufficient percentage of biodiesel fuel.

8. The department shall promulgate rules to implement and administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created pursuant to the authority delegated in this section shall become effective only if it complies with and

is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

9. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December 31, 2028, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset. The termination of the program as described in this subsection shall not be construed to preclude any qualified taxpayer who claims any benefit under any program that is sunset under this subsection from claiming such benefit for all allowable activities related to such claim that were completed before the program was sunset or to eliminate any responsibility of the department to verify the continued eligibility of qualified individuals receiving tax credits and to enforce other requirements of law that applied before the program was sunset.

135.778. 1. For the purposes of this section, the following terms shall mean:

(1) "Biodiesel fuel", a renewable, biodegradable, mono alkyl ester combustible liquid fuel that is derived from agricultural and other plant oils or animal fats and that meets the most recent version of the ASTM International D6751 Standard Specification for Biodiesel Fuel Blend Stock. A fuel shall be deemed to be biodiesel fuel if the fuel consists of a pure B100 or B99 ratio. Biodiesel produced from palm oil is not biodiesel fuel for the purposes of this section unless the palm oil is contained within waste oil and grease collected within the United States;

(2) "B99", a blend of ninety-nine percent biodiesel fuel that meets the most recent version of the ASTM International D6751 Standard Specification for Biodiesel Fuel Blend Stock with a minimum of one-tenth of one percent and maximum of one percent diesel fuel that meets the most recent version of the ASTM International D975 Standard Specification for Diesel Fuel;

(3) "Department", the Missouri department of revenue;

(4) "Missouri biodiesel producer", a person, firm, or corporation doing business in this state that produces biodiesel fuel in this state, is registered with the United States Environmental Protection Agency according to the requirements of 40 CFR Part 79, and has begun construction on such facility or has been selling biodiesel fuel produced at such facility on or before August 28, 2022.

2. For all tax years beginning on or after January 1, 2023, a Missouri biodiesel producer shall be allowed a tax credit to be taken against the producer's state income tax liability. The amount of the tax credit shall be two cents per gallon of biodiesel fuel produced by the Missouri biodiesel producer.

3. Tax credits authorized under this section shall not be transferred, sold, or assigned. If the amount of the tax credit exceeds the taxpayer's state tax liability, the difference shall be refundable. The total amount of tax credits authorized under this section for any given fiscal year shall not exceed

four million dollars.

4. In the event the total amount of tax credits claimed under this section exceeds the amount of available tax credits, the tax credits shall be apportioned among all eligible Missouri biodiesel producers claiming the credit by April fifteenth, or as directed by section 143.851, of the fiscal year in which the tax credit is claimed.

5. The tax credit authorized under this section shall be claimed by such taxpayer at the time such taxpayer files a return and shall be applied against the income tax liability imposed by chapter 143 after reduction for all other credits allowed thereon. The department may require any documentation it deems necessary to administer the provisions of this section.

6. Notwithstanding any other provision of law to contrary, if the tax credit cap in this section is not met, the remaining amount of tax credits available to claim shall be applied to the tax credit in section 135.775 if the tax credit cap in section 135.775 has been met.

7. The department shall promulgate rules to implement and administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created pursuant to the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

8. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December 31, 2028, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset. The termination of the program as described in this subsection shall not be construed to preclude any qualified taxpayer who claims any benefit under any program that is sunset under this subsection from claiming such benefit for all allowable activities related to such claim that were completed before the program was sunset, or to eliminate any responsibility of the department to verify the continued eligibility of qualified individuals receiving tax credits and to enforce other requirements of law that applied before the program was sunset.

135.1610. 1. As used in this section, the following terms mean:

(1) "Eligible expenses", expenses incurred in the construction or development of establishing or improving an urban farm in an urban area. The term "eligible expenses" shall not include any expense for labor or any expense incurred to grow medical marijuana or industrial hemp;

2. For all tax years beginning on or after January 1, 2023, a taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty percent of the taxpayer's eligible expenses for establishing or improving an urban farm that focuses on food production.

3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability in the tax year for which the credit is claimed, and the taxpayer shall not be allowed to claim a tax credit under this section in excess of five thousand dollars for each urban farm. The total amount of tax credits that may be authorized for all taxpayers for eligible expenses incurred on any given urban farm shall not exceed twenty-five thousand dollars. Any tax credit that cannot be claimed in the tax year the contribution was made may be carried over to the next three succeeding tax years until the full credit is claimed.

4. The total amount of tax credits that may be authorized under this section shall not exceed two hundred thousand dollars in any calendar year.

5. Tax credits issued under the provisions of this section shall not be transferred, sold, or assigned.

6. The Missouri agriculture and small business authority shall recapture the amount of tax credits issued to any taxpayer who, after receiving such tax credit, uses the urban farm for the personal benefit of the taxpayer instead of for producing agricultural food products used solely for distribution to the public by sale or donation.

7. The Missouri agriculture and small business development authority may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

8. Under section 23.253 of the Missouri sunset act:

(1) The program authorized under this section shall automatically sunset on December thirty-first, six years after the effective date of this section unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically

sunset on December thirty-first, twelve years after the effective date of the reauthorization of this section;

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset; and

(4) Nothing in this subsection shall prevent a taxpayer from claiming a tax credit properly issued before the program was sunset in a tax year after the program is sunset.

137.1018. 1. The commission shall ascertain the statewide average rate of property taxes levied the preceding year, based upon the total assessed valuation of the railroad and street railway companies and the total property taxes levied upon the railroad and street railway companies. It shall determine total property taxes levied from reports prescribed by the commission from the railroad and street railway companies. Total taxes levied shall not include revenues from the surtax on subclass three real property.

2. The commission shall report its determination of average property tax rate for the preceding year, together with the taxable distributable assessed valuation of each freight line company for the current year to the director no later than October first of each year.

3. Taxes on property of such freight line companies shall be collected at the state level by the director on behalf of the counties and other local public taxing entities and shall be distributed in accordance with sections 137.1021 and 137.1024. The director shall tax such property based upon the distributable assessed valuation attributable to Missouri of each freight line company, using the average tax rate for the preceding year of the railroad and street railway companies certified by the commission. Such tax shall be due and payable on or before December thirty-first of the year levied and, if it becomes delinquent, shall be subject to a penalty equal to that specified in section 140.100.

4. (1) As used in this subsection, the following terms mean:

(a) "Eligible expenses", expenses incurred in this state to manufacture, maintain, or improve a freight line company's qualified rolling stock;

(b) "Qualified rolling stock", any freight, stock, refrigerator, or other railcars subject to the tax levied under this section.

(2) For all taxable years beginning on or after January 1, 2009, a freight line company shall, subject to appropriation, be allowed a credit against the tax levied under this section for the applicable tax year. The tax credit amount shall be equal to the amount of eligible expenses incurred during the calendar year immediately preceding the tax year for which the credit under this section is claimed. The amount of the tax credit issued shall not exceed the freight line company's liability for the tax levied under this section for the tax year for which the credit is claimed.

(3) A freight line company may apply for the credit by submitting to the commission an application in the form prescribed by the state tax commission.

(4) Subject to appropriation, the state shall reimburse, on an annual basis, any political subdivision of this state for any decrease in revenue due to the provisions of this subsection.

5. Pursuant to section 23.253 of the Missouri sunset act:

144.030. 1. There is hereby specifically exempted from the provisions of sections 144.010 to 144.525 and from the computation of the tax levied, assessed or payable pursuant to sections 144.010 to 144.525 such retail sales as may be made in commerce between this state and any other state of the United States, or between this state and any foreign country, and any retail sale which the state of Missouri is prohibited from taxing pursuant to the Constitution or laws of the United States of America, and such retail sales of tangible personal property which the general assembly of the state of Missouri is prohibited from taxing or further taxing by the constitution of this state.

2. There are also specifically exempted from the provisions of the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.761 and from the computation of the tax levied, assessed or payable pursuant to the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.745:

(1) Motor fuel or special fuel subject to an excise tax of this state, unless all or part of such excise tax is refunded pursuant to section 142.824; or upon the sale at retail of fuel to be consumed in manufacturing or creating gas, power, steam, electrical current or in furnishing water to be sold ultimately at retail; or feed for livestock or poultry; or grain to be converted into foodstuffs which are to be sold ultimately in processed form at retail; or seed, limestone or fertilizer which is to be used for seeding, liming or fertilizing crops which when harvested will be sold at retail or will be fed to livestock or poultry to be sold ultimately in processed form at retail; economic poisons registered pursuant to the provisions of the Missouri pesticide registration law, sections 281.220 to 281.310, which are to be used in connection with the growth or production of crops, fruit trees or orchards applied before, during, or after planting, the crop of which when harvested will be sold at retail or will be converted into foodstuffs which are to be sold ultimately in processed form at retail;

(2) Materials, manufactured goods, machinery and parts which when used in manufacturing, processing, compounding, mining, producing or fabricating become a component part or ingredient of the new personal property resulting from such manufacturing, processing, compounding, mining, producing or fabricating and which new personal property is intended to be sold ultimately for final use or consumption; and materials, including without limitation, gases and manufactured goods, including without limitation slagging materials and firebrick, which are ultimately consumed in the manufacturing process by blending, reacting or interacting with or by becoming, in whole or in part, component parts or ingredients of steel products intended to be sold ultimately for final use or consumption;

(3) Materials, replacement parts and equipment purchased for use directly upon, and for the repair and maintenance or manufacture of, motor vehicles, watercraft, railroad rolling stock or aircraft engaged as common carriers of persons or property;

(4) Replacement machinery, equipment, and parts and the materials and supplies solely required for the installation or construction of such replacement machinery, equipment, and parts, used directly in manufacturing, mining, fabricating or producing a product which is intended to be sold ultimately for final use or consumption; and machinery and equipment, and the materials and supplies required solely for the operation, installation or construction of such machinery and equipment, purchased and used to establish new, or to replace or expand existing, material recovery processing plants in this state. For the purposes of this subdivision, a "material recovery processing plant" means a facility that has as its primary purpose the recovery of materials into a usable product or a different form which is used in producing a new product

and shall include a facility or equipment which are used exclusively for the collection of recovered materials for delivery to a material recovery processing plant but shall not include motor vehicles used on highways. For purposes of this section, the terms motor vehicle and highway shall have the same meaning pursuant to section 301.010. For the purposes of this subdivision, subdivision (5) of this subsection, and section 144.054, as well as the definition in subdivision (9) of subsection 1 of section 144.010, the term "product" includes telecommunications services and the term "manufacturing" shall include the production, or production and transmission, of telecommunications services. The preceding sentence does not make a substantive change in the law and is intended to clarify that the term "manufacturing" has included and continues to include the production and transmission of "telecommunications services", as enacted in this subdivision and subdivision (5) of this subsection, as well as the definition in subdivision (9) of subsection 1 of section 144.010. The preceding two sentences reaffirm legislative intent consistent with the interpretation of this subdivision and subdivision (5) of this subsection in *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002) and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005), and accordingly abrogates the Missouri supreme court's interpretation of those exemptions in *IBM Corporation v. Director of Revenue*, 491 S.W.3d 535 (Mo. banc 2016) to the extent inconsistent with this section and *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002) and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005). The construction and application of this subdivision as expressed by the Missouri supreme court in *DST Systems, Inc. v. Director of Revenue*, 43 S.W.3d 799 (Mo. banc 2001); *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002); and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed. Material recovery is not the reuse of materials within a manufacturing process or the use of a product previously recovered. The material recovery processing plant shall qualify under the provisions of this section regardless of ownership of the material being recovered;

(5) Machinery and equipment, and parts and the materials and supplies solely required for the installation or construction of such machinery and equipment, purchased and used to establish new or to expand existing manufacturing, mining or fabricating plants in the state if such machinery and equipment is used directly in manufacturing, mining or fabricating a product which is intended to be sold ultimately for final use or consumption. The construction and application of this subdivision as expressed by the Missouri supreme court in *DST Systems, Inc. v. Director of Revenue*, 43 S.W.3d 799 (Mo. banc 2001); *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002); and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed;

There shall be a rebuttable presumption that the raw materials used in the primary manufacture of automobiles contain at least twenty-five percent recovered materials. For purposes of this subdivision, "processing" means any mode of treatment, act or series of acts performed upon materials to transform and reduce them to a different state or thing, including treatment necessary to maintain or preserve such processing by the producer at the production facility;

348.491. 1. This section shall be known and may be cited as the "Specialty Agricultural Crops Act".

2. As used in this section, the following terms mean:

(4) "Specialty crop", fruits and vegetables, tree nuts, dried fruits, and horticulture and nursery crops including, but not limited to, floriculture. "Specialty crop" shall not include medical marijuana or industrial hemp.

3. The authority shall establish a specialty agricultural crops loan program for family farmers for the purchase of specialty crop seeds, seedlings, or trees; soil amendments including compost; irrigation equipment; fencing; row covers; trellising; season extension equipment; refrigeration equipment; and equipment for planting and harvesting.

4. To participate in the loan program, a family farmer shall first obtain approval for a specialty agricultural crops loan from a lender. Each family farmer shall be eligible for only one specialty agricultural crops loan per family.

5. The maximum amount of the specialty agricultural crops loan for specialty crop producers shall be thirty-five thousand dollars.

6. Eligible borrowers under the program:

(1) Shall use the proceeds of the specialty agricultural crops loan to acquire the farming resources described in subsection 3 of this section;

(2) Shall not finance more than ninety percent of the anticipated cost of the purchase of such farming resources through the specialty agricultural crops loan; and

(3) Shall not be charged interest by the lender for the first year of the qualified specialty agricultural crops loan.

7. Upon approval of the specialty agricultural crops loan by a lender under subsection 4 of this section, the loan shall be submitted for approval by the authority. The authority shall promulgate rules establishing eligibility under this section, taking into consideration:

(1) The eligible borrower's ability to repay the specialty agricultural crops loan;

(2) The general economic conditions of the area in which the farm is located;

(3) The prospect of a financial return for the family farmer for the type of farming resource for which the specialty agricultural crops loan is sought; and

(4) Such other factors as the authority may establish.

8. For eligible borrowers participating in the program, the authority shall be responsible for reviewing the purchase price of any farming resources to be purchased by an eligible borrower under the program to determine whether the price to be paid is appropriate for the type of farming resources purchased. The authority may impose a one-time loan review fee of one percent, which shall be collected by the lender at the time of the loan and paid to the authority.

9. Nothing in this section shall be construed to preclude a family farmer from participating in any other agricultural program.

10. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to

all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

11. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.

348.493. 1. As used in this section, "state tax liability" means any state tax liability incurred by a taxpayer under the provisions of chapters 143, 147, and 148, exclusive of the provisions relating to the withholding of tax as provided for in sections 143.191 to 143.265 and related provisions.

2. The tax credit shall be evidenced by a tax credit certificate issued by the Missouri agricultural and small business development authority and may be used to satisfy the state tax liability of the owner of such certificate that becomes due in the tax year in which the interest on a qualified loan is waived by the lender under section 348.491. No lender shall receive a tax credit under this section unless such lender presents a tax credit certificate to the department of revenue for payment of such state tax liability. The amount of the tax credits that may be issued to all eligible lenders claiming tax credits authorized in this section in a fiscal year shall not exceed three hundred thousand dollars.

3. The Missouri agricultural and small business development authority shall be responsible for the administration and issuance of the certificate of tax credits authorized by this section. The authority shall issue a certificate of tax credit at the request of any lender. Each request shall include a true copy of the loan documents, the name of the lender who is to receive a certificate of tax credit, the type of state tax liability against which the tax credit is to be used, and the amount of the certificate of tax credit to be issued to the lender based on the interest waived by the lender under section 348.491 on the loan for the first year.

4. The department of revenue shall accept a certificate of tax credit in lieu of other payment in such amount as is equal to the lesser of the amount of the tax or the remaining unused amount of the credit as indicated on the certificate of tax credit and shall indicate on the certificate of tax credit the amount of tax thereby paid and the date of such payment.

5. The following provisions shall apply to tax credits authorized under this section:

(1) Tax credits claimed in a tax year may be claimed on a quarterly basis and applied to the estimated quarterly tax of the lender;

(2) Any amount of tax credit that exceeds the tax due, including any estimated quarterly taxes paid by the lender under subdivision (1) of this subsection that results in an overpayment of taxes for a tax year, shall not be refunded but may be carried over to any subsequent tax year, not to exceed a total of three years for which a tax credit may be taken for a qualified specialty agricultural crops loan;

(3) Notwithstanding any provision of law to the contrary, a lender may assign, transfer, sell, or otherwise convey tax credits authorized under this section, with the new owner of the tax credit receiving the same rights in the tax credit as the lender. For any tax credits assigned, transferred, sold, or otherwise conveyed, a notarized endorsement shall be filed by the lender with the authority specifying the name and address of the new owner of the tax credit and the value of such tax credit; and

(4) Notwithstanding any other provision of this section to the contrary, any commercial bank may use tax credits created under this section as provided in section 148.064 and receive a net tax credit against taxes actually paid in the amount of the first year's interest on loans made under this section. If such first year tax credits reduce taxes due as provided in section 148.064 to zero, the remaining tax credits may be carried over as otherwise provided in this section and used as provided in section 148.064 in subsequent years.

6. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.

2. As used in this section, "small farmer" means a farmer who is a Missouri resident and who has less than **[**two hundred fifty**]** **five hundred** thousand dollars in gross sales per year.

3. The agricultural and small business development authority shall establish a family farm breeding livestock loan program for small farmers for the purchase of beef cattle, dairy cattle, sheep and goats, and swine only.

4. To participate in the loan program, a small farmer shall first obtain approval for a family farm livestock loan from a lender as defined in section 348.015. **[**Each small farmer shall be eligible for only one family farm livestock loan per family and for only one type of livestock.**]**

5. The maximum amount of the family farm livestock loan for each type of livestock shall be as follows:

(1) **[**Seventy-five**]** **One hundred fifty** thousand dollars for beef cattle;

(2) **[**Seventy-five**]** **One hundred fifty** thousand dollars for dairy cattle;

(3) **[**Thirty-five**]** **Seventy** thousand dollars for swine; and

(4) **[**Thirty**]** **Sixty** thousand dollars for sheep and goats.

6. Eligible borrowers under the program:

(1) Shall use the proceeds of the family farm loan to acquire breeding livestock;

(3) Shall not be charged interest by the lender, as defined in section 348.015, for the first year of the qualified family farm livestock loan.

7. Upon approval of the family farm livestock loan by a lender under subsection 4 of this section, the loan shall be submitted for approval by the agricultural and small business development authority. The authority shall promulgate rules establishing eligibility under this section, taking into consideration:

(1) The eligible borrower's ability to repay the family farm livestock loan;

(2) The general economic conditions of the area in which the farm is located;

(3) The prospect of a financial return for the small farmer for the type of livestock for which the family farm livestock loan is sought; and

(4) Such other factors as the authority may establish.

8. For eligible borrowers participating in the program, the authority shall be responsible for reviewing the purchase price of any livestock to be purchased by an eligible borrower under the program to determine whether the price to be paid is appropriate for the type of livestock purchased. The authority may impose a one-time loan review fee of one percent which shall be collected by the lender at the time of the loan and paid to the authority.

9. Nothing in this section shall preclude a small farmer from participating in any other agricultural program.

10. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2006, shall be invalid and void.

SECOND REGULAR SESSION

SIXTY-FOURTH DAY—WEDNESDAY, MAY 11, 2022

The Senate met pursuant to adjournment.

The Reverend Carl Gauck offered the following prayer:

"O Lord, You are Father; we are the clay, and You are our potter, we are all the work of Your hand." (Isaiah 64:8)

O Lord our God, You know all our deeds and thoughts intimately. So lay now Your hand upon us and fill us with knowledge and peace so that Your grace fills our lives and we know Your presence at every turn we make and decisions that must be made. You provide us with the miracle of Your grace so that when we experience the stressor and tension that are not helpful nor good for us, may You bless us with peace and calm so we do no harm and can express opportunities for harmony among us. In Your Holy Name we pray. Amen.

(5) "Grant", an amount of money equal to the total amount of eligible major convention event costs listed in an approved major convention plan to be disbursed at the requested date from the fund to an eligible commission by the state treasurer at the direction of the director which shall not exceed the amount of estimated total sales taxes to be received by the state generated by sleeping rooms paid by guests of hotels and motels reasonably believed to be occupied due to the major convention event;

(6) "Major convention event", any convention if more than fifty percent of attendees travel to the convention from outside of Missouri and require overnight hotel accommodations;

(7) "Major convention plan", a written plan for the administration of a major convention event, containing such information as shall be requested by the director to establish that the event covered by the application is a major convention event including, but not limited to, the start and end dates of the major convention event, an identification of the organization planning the event, the location of the event, projected total and out-of-state attendance, projected contracted and actual hotel room nights, projected costs and revenues anticipated to be received by the eligible commission in connection with the event, the eligible major convention event costs, and evidence of satisfaction of the conditions of subsection 5 of this section.

3. (1) There is hereby created in the state treasury the "Major Economic Convention Event in Missouri Fund", which shall consist of moneys appropriated from the general revenue fund as prescribed in subsection 6 of this section and any gifts, contributions, grants, or bequests received from federal, private, or other sources. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely for the administration of this section.

(2) Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

(3) The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. For major convention plans which have complied with subsection 5 of this section, in addition to funds otherwise made available under Missouri law, a grant shall be paid from the fund by the department of economic development to the eligible commission at the requested date. Any transfer of a grant from the fund to the treasurer or other designated financial officer of an eligible commission with an approved major convention plan shall be deposited in a separate, segregated account of such commission. The eligible commission shall agree to hold such funds until the major convention event has occurred and not disburse the funds until such time as the report in subsection 7 has been submitted.

5. The director shall not disburse a grant until the director or his or her designee has approved a written major convention plan submitted to the department of economic development by an eligible commission requesting a grant. The director or his or her designee shall not approve any submitted major convention plan unless he or she finds that the following conditions have been met:

(1) The applicant submitting the major convention plan is an eligible commission;

(2) The projected start and end dates of the planned major convention event and the requested date of disbursement of the grant are no later than five years from the date of the application; and

(3) There is sufficient evidence that:

(a) The event shall qualify as a major convention event under this section including, but not limited to, evidence of the actual number of contracted advance hotel reservations or projected out-of-state attendance numbers and actual hotel room usage from comparable past events;

(b) A request for proposal or similar documentation demonstrates the applicant eligible commission is competing for the event against non-Missouri cities;

(c) Without the grant, the major convention event would not be reasonably anticipated to occur in Missouri; and

(d) The positive net fiscal impact to general revenue of the state through any and all taxes attributable to the major convention event exceeds the amount of the major convention grant.

In reviewing such evidence, the director shall take into account any expenditures by an attendee for sleeping rooms paid by guests of the hotels and motels typically constitutes less than fifty percent of the expenditures by such attendees at a major convention event.

6. (1) Upon verification that the major convention plan complies with the terms of subsection 5 of this section, the director or his or her designee shall issue a certificate of approval to the eligible commission stating the date on which such grant shall be disbursed and the total amount of the grant, which shall be equal to the eligible major convention event costs listed in the approved major convention plan. The amount of any grant shall not exceed more than fifty percent of the cost of hosting the major convention event, positive net fiscal impact to general revenue, or one million dollars, whichever is less.

(2) All approved grants scheduled for disbursement each year shall be disbursed from the general revenue fund subject to appropriation by the general assembly. Any such appropriation shall not exceed three million dollars in any year.

(3) Upon such annual appropriation and transfer into the fund from the general revenue fund, the director shall disburse all grants pursuant to certificates of approval.

7. (1) Within one hundred eighty days of the conclusion of any major convention event for which a grant was disbursed under this section, the eligible commission that received such grant shall provide a written report to the director detailing the final amount of eligible major convention event costs incurred and actual attendance figures which certify compliance with this section. If the final amount of total eligible major convention event costs is less than the amount of the grant disbursed to the eligible commission under an approved major convention plan, such commission shall refund to the state treasurer the excess greater than fifty percent of the actual cost for deposit into the fund.

(2) An eligible commission shall refund the following amounts to the state treasurer based on the actual attendance figures in relation to the projected total attendance for the event as provided in the major convention plan:

(a) If the actual attendance figure is less than twenty-five percent of the projected total attendance, the commission shall refund an amount equal to the full amount of the grant;

(b) If the actual attendance figure is equal to or less than eighty-five percent and greater than or equal to twenty-five percent of the projected total attendance, the commission shall keep a portion of the grant received under this section equal to the proportion of the actual attendance figure to the projected attendance figure rounded to the nearest dollar and refund the remaining amount;

(c) If the actual attendance figure is greater than eighty-five percent of the projected total attendance, the commission shall keep the entire grant amount received under this section unless otherwise provided by this section.

(3) The provisions of this subdivision shall not apply where attendance at the convention is adversely affected by a man-made disaster including, but not limited to, an uprising or other civil unrest or where attendance at the convention is adversely affected by a substantial inclement weather-related event.

8. Any amounts that are refunded from a grant under this section shall be returned to the major economic convention event in Missouri fund to be used for future grants.

9. In accordance with the provisions of sections 23.250 to 23.298 and unless otherwise authorized pursuant to section 23.253:

Such rules and regulations may modify the immunizations that are required of children in this subsection. The immunizations required and the manner and frequency of their administration shall conform to recognized standards of medical practice. The department of health and senior services shall supervise and secure the enforcement of the required immunization program.

2. It is unlawful for any student to attend school unless he has been immunized as required under the rules and regulations of the department of health and senior services, and can provide satisfactory evidence of such immunization; except that if he produces satisfactory evidence of having begun the process of immunization, he may continue to attend school as long as the immunization process is being accomplished in the prescribed manner. It is unlawful for any parent or guardian to refuse or neglect to have his child immunized as required by this section, unless the child is properly exempted.

3. This section shall not apply to any child if one parent or guardian objects in writing to his school administrator against the immunization of the child, because of religious beliefs or medical contraindications. In cases where any such objection is for reasons of medical contraindications, a statement from a duly licensed physician must also be provided to the school administrator.

4. Each school superintendent, whether of a public, private, parochial or parish school, shall cause to be prepared a record showing the immunization status of every child enrolled in or attending a school under his jurisdiction. No school shall require students to undergo COVID-19 diagnostic testing or otherwise implement a "test to stay" policy requiring testing as an alternative to receiving a COVID-19 vaccination; provided, that nothing in this subsection shall be interpreted to preclude a school from requiring a student to be tested as described in section 167.191 as a condition for school attendance or participation in school-sponsored extracurricular activities. For purposes of the section, "COVID 19" shall include any variant thereof.**

8. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

167.191. **1.** It is unlawful for any child to attend any of the public schools of this state while afflicted with any contagious or infectious disease, or while liable to transmit such disease after having been exposed to it. For the purpose of determining the diseased condition, or the liability of transmitting the disease, the teacher or board of directors may require any child to be examined by a physician, **physician assistant, or advanced practice registered nurse** and exclude the child from school so long as there is any liability of such disease being transmitted by the pupil. **For purposes of this section, the term "liability" shall mean that symptoms of such a contagious or infectious disease are present and that disease transmission is more likely than not to occur.** If the parent or guardian refuses to have an examination made by a physician**, physician assistant, or advanced practice registered nurse pursuant to [**at**]** the **written** request of **[**the teacher**] a school administration** or **school** board of directors, the **[**teacher or board of directors**] child** may **be [**exclude the child**] excluded** from school. Any parent or guardian who persists in sending a child to school, after having been examined as provided by this section, and found to be afflicted with any contagious or infectious disease, or liable to transmit the disease, or refuses to have the child examined as herein provided, is guilty of a misdemeanor, and, upon conviction, shall be punished by a fine of not less than five nor more than one hundred dollars.

(1) It is an essential function of state government to protect the public health, welfare, peace, safety, and the economic viability and well-being of Missourians;

(2) One method of protecting Missourians is to preserve and promote the economic viability, well-being, and development of businesses in this state;

(3) States of emergency may require the state and its political subdivisions to take necessary emergency actions for the protection of Missourians that may adversely affect the economic viability and well-being of Missourians and businesses in the state;

(4) Such governmental actions should not be entered into without careful consideration of and appropriate concern for the lasting effects that may cause economic loss to Missourians and businesses in the state;

(5) It is the public policy of the state of Missouri that a political subdivision shall give appropriate consideration to the effects of its actions on the economic well-being of Missourians and businesses in the state; and

(6) To ensure that a political subdivision gives appropriate consideration to such actions, a political subdivision shall participate in economic losses caused by the political subdivision's actions affecting Missourians and businesses in the state as provided in this section.

4. (1) Notwithstanding any other provision of law to the contrary, beginning January 1, 2023, if any political subdivision with jurisdiction over a business implements any shutdown order or orders after the governor declares a state of emergency as provided in this chapter and the business closes solely due to such shutdown order or orders for at least twenty-one consecutive days or at least forty-five cumulative days, the following shall apply:

(a) Any fee for a business license imposed by the political subdivision with jurisdiction over the business shall be waived for the business during the period of the shutdown order or orders or six months, whichever is longer. Fees for a business license may be prorated; and

(b) The political subdivision with jurisdiction over the business shall reduce the real and personal property tax liability of such business based on the number of days the business was shut down in a given year as follows:

a. If the shutdown order or orders end before June first, the appropriate officials responsible for assessing and levying real and personal property taxes and providing statements of taxes due in the political subdivision with jurisdiction over the business shall calculate the tax liability of such business as required by law. (f) The resolution authorizing the issuance of any such bonds may provide for the allocation of rents, revenues, receipts and income derived and to be derived by the authority from the use of any facility or part thereof, and of the proceeds received pursuant to sections 67.656 and 67.657, into such separate accounts as shall be deemed to be advisable to assure the proper operation and maintenance of any facility or part thereof and the prompt payment of any bonds issued to finance all or any part of the costs thereof. Such accounts may include reserve accounts necessary for the proper operation and maintenance of any such facility or any part thereof, and for the payment of any such bonds. 4. The petition when so filed shall have the same force and effect with respect to each parcel of real estate therein described as a separate suit instituted to foreclose the tax lien or liens against any one of said parcels of real estate.

5. For each petition filed, the collector shall make available to the public a list detailing each parcel included in the suit.

92.750. 1. **Except as otherwise provided in subsection 4 of this section,** any person having any right, title**,** or interest in, or lien upon, any parcel of real estate described in such petition may redeem such parcel of real estate by paying to the collector all of the sums mentioned therein, including principal, interest, penalties, attorney's fees and costs then due, at any time prior to the time of the foreclosure sale of such real estate by the sheriff.

2. In the event of failure to redeem prior to the time of the foreclosure sale by the sheriff, such person shall be barred and forever foreclosed of all his right, title and interest in and to the parcels of real estate described in such petition.

Such affidavit shall be filed in the suit with the circuit clerk not later than sixty days after the date of the first publication of the notice of foreclosure. The failure of the collector to mail the notice as provided in this section shall invalidate any proceedings brought pursuant to the provisions of sections 92.700 to 92.920. 92.770. 1. The collector may employ such attorneys as he deems necessary to collect such taxes and to prosecute suits for taxes.

2. Such attorneys shall receive as total compensation a sum, not to exceed six percent of the amount of taxes actually collected and paid into the treasury, and an additional sum not to exceed two dollars for each suit filed when publication is not necessary and not to exceed five dollars where publication is necessary, as may be agreed upon in writing and approved by the collector, before such services are rendered.

3. The **[**attorney**]** **attorney's** fees shall be taxed as costs in the suit and collected as other costs.

92.775. 1. Upon the trial of the cause upon the question of foreclosure, the tax bill shall be prima facie proof that the tax described in the tax bill has been validly assessed at the time indicated by the tax bill and that the tax is unpaid. Any person alleging any jurisdictional defect or invalidity in the tax bill or in the sale thereof must particularly specify in his answer the defect or basis of invalidity, and must, upon trial, affirmatively establish such defense.

2. After the court has first determined the validity of the tax liens of all tax bills affecting parcels of real estate described in the petition, the priorities of the respective tax bills and the amounts due thereon, including principal, interest, penalties, attorney's fees, and costs, the court shall thereupon enter judgment of foreclosure of such liens and fix the time and place of the foreclosure sale. The petition shall be dismissed as to any parcel of real estate redeemed prior to the time fixed for the sheriff's foreclosure sale as provided in sections 92.700 to 92.920. If the parcel of real estate auctioned off at sheriff's foreclosure sale is sold for

a sum sufficient to fully pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and for no more, and such sale is confirmed by the court, then all other proceedings as to such parcels of real estate shall be finally dismissed as to all parties and interests other than tax bill owners or holders; provided, however, that any parties seeking relief other than an interest in or lien upon the real estate may continue with said suit to a final adjudication of such other issues; provided, further, an appeal may be had as to any claim attacking the validity of the tax bill or bills or the priorities as to payment of proceeds of foreclosure sale. If the parcel of real estate auctioned off at sheriff's foreclosure sale is sold for a sum greater than the total amount necessary to pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and such sale is confirmed by the court, and no appeal is taken by any person claiming any right, title or interest in or to or lien upon said parcel of real estate or by any person or taxing authority owning or holding or claiming any right, title or interest in or to any tax bills within the time fixed by law for the filing of notice of appeal, the court shall thereupon order the sheriff to make distribution to the owners or holders of the respective tax bills included in the judgment of the amounts found to be due and in the order of priorities. Thereafter all proceedings in the suit shall be ordered by the court to be dismissed as to such persons or taxing authorities owning, holding or claiming any right, title or interest in any such tax bill or bills so paid, and the case shall proceed as to any parties claiming any right, title, or interest in or lien upon the parcel of real estate affected by such tax bill or bills as to their respective claims to such surplus funds then remaining in the hands of the sheriff. **The receipt of such surplus funds shall constitute a bar to any claim of right, title, or interest in, or lien upon, said parcel of real estate, by the fund recipient.**

3. Whenever an answer is filed to the petition, as herein provided, a severance of the action as to all parcels of real estate affected by such answer shall be granted, and the issues raised by the petition and such answer shall be tried separate and apart from the other issues in the suit, but the granting of such severance shall not delay the trial or other disposition of any other issue in the case. A separate appeal may be taken from any other issue in the case. A separate appeal may be taken from any action of the court affecting any right, title or interest in or to, or lien upon, such real estate, other than issues of law and fact affecting the amount or validity of the lien of tax bills, but the proceeding to foreclose the lien of any tax bills shall not be stayed by such appeal. The trial shall be conducted by the court without the aid of a jury and the suit shall be in equity. This action shall take precedence over and shall be triable before any other action in equity affecting the title to such real estate, upon motion of any interested party.

92.810. 1. After the judgment of foreclosure has been entered, or, after a motion for a new trial has been overruled, or, if an appeal be taken from such judgment and the judgment has been affirmed, after the sheriff shall have been notified by any party to the suit that such judgment has been affirmed on appeal and that the mandate of the appellate court is on file with the circuit clerk, there shall be a waiting period of six months before any advertisement of sheriff's sale shall be published.

2. If any such parcel of real estate be not redeemed, or if no written contract providing for redemption be made within six months after the date of the judgment of foreclosure, if no motion for rehearing be filed, and, if filed, within six months after such motion may have been overruled, or, if an appeal be taken from such judgment and the judgment be affirmed, within six months after the sheriff shall have been notified by any party to the suit that such judgment has been affirmed on appeal and that the mandate of the appellate court is on file with the circuit clerk, the sheriff shall, after giving the **[**notice**]** **notices** required by **[**subsection 3**]** **subsections 4 and 5** of this section, commence to advertise the real estate described in the judgment and shall fix the date of sale within thirty days after the date of the first publication of the notice of sheriff's sale as herein provided, and shall at such sale proceed to sell the real estate.

3. **No later than one hundred twenty days prior to the sheriff's sale, the collector shall obtain a title abstract or report on any unredeemed parcels. Such title abstract or report shall be obtained from a licensed title company or attorney and subject to a public and competitive bidding process administered by the collector and conducted triennially. The title report shall include all conveyances, liens, and charges against the real estate, and the names and mailing addresses of any interested parties and lienholders. The charges of said abstract or report shall be taxed as costs and shall be paid as other costs in the case.**

4. No later than twenty days prior to the sheriff's sale, the collector shall send notice of the sale to the lienholders and interested parties, as disclosed upon the title abstract or report of the real estate for which tax bills thereon are delinquent. The notice shall provide the date, time, and place of the sale. The notice shall also state that the parcel may be redeemed prior to the sale as specified in section 92.750 or by entering into an agreement with the collector to pay the taxes included in the foreclosure suit under section 92.740. The notice required by this subsection shall be mailed in an envelope with postage prepaid. The cost of the mailing and notice as required by this subsection shall be included as costs in the case.

5. No later than **[**twenty**]** **forty** days prior to the sheriff's sale, the **[**sheriff**]** **collector** shall send notice of the sale to the **[**owner or owners,**]** **parties having interest in the parcel** as disclosed upon the records of the assessor**, or otherwise known to the collector,** of the real estate for which tax bills thereon are delinquent. **[**The search of the records of the assessor must be made not more than forty days prior to the sending of this notice**]** **The notice shall be sent to the addresses most likely to apprise the parties of the proceedings as provided**. The notice shall provide the date, time and place of the sale. The notice shall also state that **[**the property owner**]** **an interested party** may avoid the sale by redeeming such parcel of real estate prior to the sale as specified in section 92.750 or**, if applicable,** by entering into an agreement with the collector to pay the taxes included in the foreclosure suit under section 92.740. The notice required by this subsection shall be mailed in an envelope with postage prepaid. The cost of **[**the title search,**]** mailing and notice as required by this subsection shall be included as costs **[**at the sale of the real estate**]** **in the case**.

6. No later than twenty days prior to the sheriff's sale, the sheriff shall enter upon the parcel subject to foreclosure of these tax liens and post a written informational notice in a conspicuous location, attached to a structure, and intended to be visible by the nearest public right-of-way. This notice shall describe the property; shall advise that it is the subject of delinquent land tax collection proceedings brought pursuant to sections 92.700 to 92.920 and that it may be sold for the payment of delinquent taxes at a sale to be held at a certain time, date, and place; and shall contain the serial number and the phone number and address of the collector, as well as a statement of the prohibition against removal unless the parcel has been redeemed. The notice shall be not less than eight inches by ten inches and shall be laminated or otherwise sufficiently weatherproofed to withstand normal exposure to rain, snow, and other conditions. The sheriff shall document, by time-stamped photograph, compliance with this section, make said documentation generally available upon request, and provide verification by affidavit of compliance with this section. The cost of notice as required by this subsection shall be included as costs in the case.

7. In addition to the other notice requirements of this section, no later than twenty days prior to the sheriff's sale, the sheriff shall attempt in-person notice that shall describe the property; that shall advise that it is the subject of delinquent land tax collection proceedings brought pursuant to sections 92.700 to 92.920 and that it may be sold for the payment of delinquent taxes at a sale to be held a

certain time, date, and place; and that shall contain the serial number and phone number and address of the collector. In-person notice may be provided to any person found at the property. The sheriff shall note the date and time of attempted notice and the name, description, or other identifying information regarding the person to whom notice was attempted. The sheriff shall document compliance with this section, make said documentation generally available upon request, and provide verification by affidavit of compliance with this section. The cost of notice as required by this subsection shall be included as costs in the case.

[4.**]** **8.** Notwithstanding the provisions of this section to the contrary, any residential property which has not been redeemed by the end of the waiting period required by this section which has been determined to be of substandard quality or condition under the standards established by the residential renovation loan commission pursuant to sections 67.970 to 67.983 may, upon the request of the residential renovation loan commission, be transferred to the residential renovation loan commission for the purpose of renovation of the property. Any such property transferred pursuant to this subsection shall be renovated and sold by the residential renovation loan commission in the manner prescribed in sections 67.970 to 67.983. The residential renovation loan commission shall reimburse the land reutilization authority for all expenses directly incurred in relation to such property under sections 92.700 to 92.920 prior to the transfer.

92.815. 1. During such waiting period and at any time prior to the time of foreclosure sale by the sheriff, any interested party may redeem any parcel of real estate as provided by sections 92.700 to 92.920; except that during such time and at any time prior to the time of foreclosure sale by the sheriff, the collector shall enter into a written redemption contract with the owner of any real estate occupied as a homestead and who has not previously defaulted upon any such written redemption contract, provided that in no instance shall such installments exceed twelve in number or extend more than twenty-four months next after any agreement for such installment payments shall have been entered into; provided further, that upon good cause being shown by the owner of any parcel of real estate occupied as a homestead, or in the case of improved real estate with a total assessed valuation of not more than five thousand dollars, owned by an individual, the income from such property being a major factor in the total income of such individual, or by anyone on his behalf, the court may, in its discretion, fix the time and terms of payment in such contract to permit all of such installments to be paid within not longer than forty-eight months after any order or agreement as to installment payments shall have been made. **The collector shall not enter into a redemption contract with respect to any improved parcel not occupied as a homestead.**

2. So long as such installments be paid according to the terms of the contract, the six months' waiting period shall be extended, but if any installment be not paid when due, the extension of the waiting period shall be ended and the real estate shall immediately be advertised for sale or included in the next notice of sheriff's foreclosure sale. Notice shall also be sent to the redemption contract **[**payor**]** **payer** as specified in subsection **[**3**]** **4** of section 92.810.

3. On an annual basis, the collector shall make publicly available the number of parcels under redemption contract under this section.

92.817. 1. The court shall stay the sale of any parcel to be sold under execution of a tax foreclosure judgment obtained under this chapter, which is the subject of an action filed under sections 447.620 to 447.640, provided that the party that has brought such an action has, upon an order of the court, paid into the circuit court the principal amount of all land taxes then due and owing under the tax foreclosure judgment, exclusive of penalties and interest, prior to the date of any proposed sale under execution.

2. Upon the granting by the court of temporary possession of any property under section 447.632, upon order, the circuit court shall direct payment to the collector of all principal land taxes theretofore paid to the circuit court. In addition, in any order granting a final judgment or deed under section 447.625 or 447.640, the court shall also order the permanent extinguishment of penalties and interest arising from actions to collect delinquent land taxes due on the parcel against the grantee of said deed, and all successors in interest; excepting however, any defendant in such action.

3. If an owner of the parcel moves the court for restoration of possession under section 447.638, the owner shall pay into the circuit court all land tax amounts currently due and owing on the property, including all statutory penalties, interest, attorney's fees, and court costs retroactive to the date of accrual. Upon an order granting the restoration of possession to an owner under section 447.638, the court shall order that the funds paid to the court under subsection 2 of this section be returned to the payer, and that the funds paid to the court under this subsection be paid out to the collector.

4. If the party that brought the action under sections 447.620 to 447.640 dismisses its action prior to gaining temporary possession of the property, it shall recover any amounts paid into the circuit court prior to that date for principal land taxes.

92.825. 1. The sale shall be conducted, the sheriff's return thereof made, and the sheriff's deed pursuant to the sale executed, all as provided in the case of sales of real estate taken under execution except as otherwise provided in sections 92.700 to 92.920, and provided that such sale need not occur during the term of court or while the court is in session.

2. Such sale shall convey the whole interest of every person having or claiming any right, title or interest in or lien upon such real estate, whether such person has answered or not, subject to rights-of-way thereon of public utilities upon which tax has been otherwise paid, and subject only to the tax lien thereon, if any, of the United States of America.

3. The collector shall advance from current tax collections the sums necessary to pay for the publication of all advertisements required by the provisions of sections 92.700 to 92.920 and shall be allowed credit therefor in his accounts with the taxing authorities on a pro rata basis. He shall give credit in such accounts for all such advances recovered by him. Such expenses of publication shall be apportioned pro rata among and taxed as costs against the respective parcels of real estate described in the judgment; provided, however, that none of the costs herein enumerated, including the costs of publication, shall constitute any lien upon the real estate after such sale.

4. **No person shall be eligible to bid at the time of the sheriff's sale unless such person has, no later than ten days before the sale date, demonstrated to the satisfaction of the collector or sheriff that the person is not the owner of any parcel of real estate in the city that is subject to delinquent property taxes, unpaid special tax bills, or vacant building fees. A prospective bidder shall be prohibited from participating in the delinquent land tax sale if he or she has previously bid at a sheriff's sale and failed to pay bid amounts, confirm the sale, or sign a sheriff's deed. The collector or sheriff may require prospective bidders to submit an affidavit attesting to the requirements of this section and is expressly authorized to permanently preclude any prospective bidder from participating in the sale for failure to comply with this section. Notwithstanding the provisions of this section, any taxing authority or land reutilization authority shall be eligible to bid at any sale conducted under this section without making such a demonstration.** The purchaser at a sale conducted by the sheriff shall pay cash immediately

at the end of bidding of each parcel on the day of the sale in an amount including all taxes **then** due and owing**, which may be in an amount in excess of or less than the judgment amount,** and other costs**, exclusive of any amounts for debts owed to any statutorily created sewer district [**as otherwise provided by law**]**.

92.835. 1. The title to any real estate which shall vest in the land reutilization authority under the provisions of sections 92.700 to 92.920 shall be held by the land reutilization authority of the city in trust for the tax bill owners and taxing authorities having an interest in any tax liens which were foreclosed, as their interests may appear in the judgment of foreclosure.

2. The title to any real estate which shall vest in any purchaser, upon confirmation of such sale by the court, shall be an absolute estate in fee simple, subject to rights-of-way thereon of public utilities on which tax has been otherwise paid, and subject to any tax lien thereon of the United States of America, if any, and all persons, including the state of Missouri, **any taxing authority or tax district as defined herein, judgment creditors, lienholders,** minors, incapacitated and disabled persons, and nonresidents who may have had any right, title, interest, claim, or equity of redemption in or to, or lien upon, such lands shall be barred and forever foreclosed of all such right, title, interest, claim, lien or equity of redemption, and the court shall order immediate possession of such real estate be given to such purchaser**[**; provided, however, that such title shall also be subject to the liens of any tax bills which may have attached to such parcel of real estate prior to the time of the filing of the petition affecting such parcel of real estate not then delinquent, or which may have attached after the filing of the petition and prior to sheriff's sale and not included in any answer to such petition, but**].** If such parcel of real estate is sold to the land reutilization authority the title thereto shall be free of any **[**such**]** liens to the extent of the interest of any taxing authority in such real estate; provided further, that such title shall not be subject to the lien of special tax bills **[**which has attached to the parcel of real estate prior to January 1, 1972, but the lien of such special tax bills shall attach to the proceeds of the sheriff's sale or to the proceeds of the ultimate sale of such parcel by the land reutilization authority**]**.

92.840. 1. **Within six months** after the sheriff sells any parcel of real estate, the court shall, upon its own motion or upon motion of any interested party, set the cause down for hearing to confirm **or set aside** the foreclosure sale of the real estate, even though such parcels are not all of the parcels of real estate described in the notice of sheriff's foreclosure sale. Notice of the hearing shall be sent by any interested party, or the court, moving to confirm the foreclosure sale, to each person who **[**received**] was sent** notice of sale as specified in **[**subsection 3**] subsections 4 and 5** of section 92.810 **and to any other necessary parties as required by prevailing notions of due process**. At the time of such hearing, the sheriff shall make report of the sale, and the court shall hear evidence of the value of the property offered on behalf of any interested party to the suit, and shall immediately determine whether an adequate consideration has been paid for each such parcel. **Any parcel deemed to have been purchased by the land reutilization authority pursuant to section 92.830 shall not require any inquiry as to value. The court's judgment shall include a specific finding that adequate notice was provided to all necessary parties pursuant to prevailing notions of due process and sections 92.700 to 92.920, reciting the notice efforts of the collector, sheriff, and tax sale purchaser. Nothing in this section shall be interpreted to preclude a successful tax sale purchaser from asserting a claim to quiet title to the bid upon parcel pursuant to section 527.150.**

2. For this purpose, the court shall have power to summon any city official or any private person to testify as to the reasonable value of the property, and if the court finds that adequate consideration has been

paid, he shall confirm the sale and order the sheriff to issue a deed with restriction as provided herein to the purchaser subject to the application of an occupancy permit for all parcels as provided in subsection **[**5**]** **7** of this section. If the court finds that the consideration paid is inadequate, the purchaser may increase his bid to such amount as the court may deem to be adequate, whereupon the court may confirm the sale. If, however, the purchaser declines to increase his bid and make such additional payment, then the sale shall be disapproved, the lien of the judgment continued, and such parcel of real estate shall be again advertised and offered for sale by the sheriff to the highest bidder at public auction for cash at any subsequent sheriff's foreclosure sale.

3. If the sale is confirmed, the court shall order the proceeds of the sale applied in the following order:

(1) To the payment of the costs of the publication of the notice of foreclosure and of the sheriff's foreclosure sale;

(2) To the payment of all **of the collector and sheriff's** costs including appraiser's fee and attorney's fees;

(3) To the payment of all tax bills adjudged to be due in the order of their priority, including principal, interest and penalties thereon. If, after such payment, there is any sum remaining of the proceeds of the sheriff's foreclosure sale, the court shall thereupon try and determine the other issues in the suit in accordance with section 92.775. If any answering parties have specially appealed as provided in section 92.845, the court shall retain the custody of such funds pending disposition of such appeal, and upon disposition of such appeal shall make such distribution. If there are not sufficient proceeds of the sale to pay all claims in any class described, the court shall order the same to be paid pro rata in accordance with the priorities.

4. If there are any funds remaining of the proceeds after the sheriff's sale and after the distribution of such funds as set out in this section and no person entitled to any such funds, whether or not a party to the suit, shall, within two years after such sale, appear and claim the funds, **[**they**]** **ten percent** shall be distributed **to the St. Louis Affordable Housing Trust Fund or equivalent of such city operating under sections 92.700 to 92.920 for purposes that promote the reduction and prevention of vacant properties, blight remediation, and cleanup and maintenance of vacant property, with the remainder to be distributed** to the appropriate taxing authorities.

5. **Any city operating under the provisions of sections 92.700 to 92.920, by ordinance, may elect to allocate a portion of its share of the proceeds of the sheriff's sale towards a fund for the purpose of defending against claims challenging the sufficiency of notice provisions under this section.**

6. For the purpose of this section, the term "occupancy permit" shall mean the certificate of **[**use and**]** **inspection or** occupancy **permit for residential or commercial structures** as provided for in the revised municipal code of any city not within a county, which now has or may hereafter have a population in excess of three hundred thousand inhabitants.

[6.**]** **7.** If there is a building or structure on the parcel, the purchaser shall apply for an occupancy permit from the city or appropriate governmental agency within ten days after the confirmation hearing. Any purchaser who is a public corporation acting in a governmental capacity shall not be required to acquire the occupancy permit. When a parcel, acquired at a sheriff sale, containing a building is sold from a public corporation acting in a governmental capacity, the subsequent purchaser shall be required to apply for the occupancy permit. Failure to apply for such occupancy permit within ten days after confirmation shall result

in the sale and confirmation being immediately set aside by the motion of any interested party and that parcel shall again be advertised and offered for sale by the sheriff to the highest bidder at public auction for cash at any subsequent sheriff foreclosure sale.

[7.**] 8.** The sheriff shall include a deed restriction in the sheriff's deed, issued after confirmation and after the application of an occupancy permit for any parcel containing a building or structure. The deed restriction shall state that the purchasers at the sheriff's sale who had the property confirmed and who applied for an occupancy permit shall obtain an occupancy permit for the building or structure from the appropriate governmental agency prior to any subsequent transfer or sale of this property. This deed restriction shall **not** exist as a lien against such real estate **[**while the purchasers hold same in the amount of five thousand dollars**]**. The purchasers of the property at the sheriff sale who had the property confirmed and applied for the occupancy permit shall agree that in the event of their failure to obtain an occupancy permit prior to any subsequent transfer of the property, they shall pay to the sheriff the sum of five thousand dollars as fixed, liquidated and ascertained damages without proof of loss or damages. **These damages shall not constitute a lien on property, and** the sheriff shall have the discretionary power to file a lawsuit against such purchaser for collection of these liquidated damages. These liquidated damages shall be distributed on a prorated basis to the appropriate taxing authority after the sheriff deducts all costs, expenses and **[**attorney**] attorney's** fees for such lawsuits. The sheriff may employ attorneys as he deems necessary to collect liquidated damages.

9. If any sale is not confirmed within six months after the sale, any set-aside of the sale may, at the discretion of the court or collector, include a penalty of twenty-five percent of the bid amount over and above the opening bid amount, and such penalty shall be directed to the affordable housing trust fund or the equivalent, if any, of a city operating under sections 92.700 to 92.920.

10. Any interested party, other than the sheriff's sale purchaser, who moves the court to set aside a sheriff's sale after the issuance of a sheriff's deed made under the provisions of sections 92.700 to 92.920 shall be required to pay into the court the redemption amount otherwise necessary under section 92.750 prior to the court hearing any such motion to set aside. The court may hear any motion to confirm brought under the terms of this section if the redemption amount is not paid by the interested party moving the court to set aside the sale.

92.852. Any sheriff's deed given pursuant to the municipal land reutilization law shall be subject to a recording fee for the costs of recording the deed that shall be assessed and collected from the purchaser of the property at the same time the proceeds from the sale are collected. All such deeds shall be recorded at the office of the recorder of deeds within two months after the **[**sheriff's deed is given**] court confirms the sale, if no proceeding to set aside the confirmation judgment is before the court**.

92.855. Each sheriff's deed given pursuant to the provisions of the municipal land reutilization law shall be **[**presumptive**] prima facie** evidence that the suit and all proceedings therein and all proceedings prior thereto from and including assessment of the lands affected thereby and all notices required by law were regular and in accordance with all provisions of the law relating thereto. **[**After two years from the date of the recording of such sheriff's deed, the presumption shall be conclusive, unless at the time that this section takes effect the two-year period since the recording of such sheriff's deed has expired, or less than six months of such period of two years remains unexpired, in which latter case the presumption shall become conclusive six months after September 28, 1971. No suit to set aside or to attack the validity of any such sheriff's deed shall be commenced or maintained unless the suit is filed prior to the time that the presumption becomes conclusive, as aforesaid.**]**"; and

"442.130. **1.** All deeds or other conveyances of lands, or of any estate or interest therein, shall be subscribed by the party granting the same, or by his lawful agent, and shall be acknowledged or proved and certified in the manner herein prescribed.

2. All written instruments conveying real estate or any interest in real estate shall state whether any natural person acting as grantors, mortgagors, or other parties executing the instrument are married or unmarried."; and

HOUSE AMENDMENT NO. 5 TO
HOUSE AMENDMENT NO. 2

Amend House Amendment No. 2 to House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 834, Page 45, Lines 23-48, Page 46, Lines 1-49, Page 47, Lines 1-49, and Page 48, Lines 1-17, by deleting all of said lines and inserting in lieu thereof the following:

""559.036. 1. A term of probation commences on the day it is imposed. Multiple terms of Missouri probation, whether imposed at the same time or at different times, shall run concurrently. Terms of probation shall also run concurrently with any federal or other state jail, prison, probation or parole term for another offense to which the defendant is or becomes subject during the period**[**, unless otherwise specified by the Missouri court**]**.

2. The court may terminate a period of probation and discharge the defendant at any time before completion of the specific term fixed under section 559.016 if warranted by the conduct of the defendant and the ends of justice. The court may extend the term of the probation, but no more than one extension of any probation may be ordered except that the court may extend the term of probation by one additional year by order of the court if the defendant admits he or she has violated the conditions of probation or is found by the court to have violated the conditions of his or her probation. Total time on any probation term, including any extension shall not exceed the maximum term established in section 559.016. **Total time on any probation term shall not include time when the probation term is suspended under this section.** Procedures for termination, discharge and extension may be established by rule of court.

(1) The division of probation and parole shall file a notification of earned discharge from probation with the court for any defendant who has completed at least sixty percent of the probation term, rounded up to the nearest whole month, and is compliant with the terms of supervision as ordered by the court and division. If a defendant submits to the division of probation and parole verifiable documentation of employment of at least one hundred thirty wage-earning hours per month for a period of at least six consecutive months, then the division of probation and parole shall file a notification of earned discharge from probation with the court once the defendant has completed at least forty percent of the probation term, rounded up to the nearest whole month, and is compliant with the terms of supervision as ordered by the court and division. The division shall not file a notification of earned discharge for any defendant who has not paid ordered restitution in full, is on a term of probation for any class A or class B felony, or is subject to lifetime supervision under

sections 217.735 and 559.106. The division shall notify the prosecuting or circuit attorney when a notification of earned discharge is filed.

(2) The prosecuting or circuit attorney may request a hearing within thirty days of the filing of the notification of earned discharge from probation. If the state opposes the discharge of the defendant, the prosecuting or circuit attorney shall argue the earned discharge is not appropriate and the defendant should continue to serve the probation term.

(3) If a hearing is requested, the court shall hold the hearing and issue its order no later than sixty days after the filing of the notification of earned discharge from probation. If, after a hearing, the court finds by a preponderance of the evidence that the earned discharge is not appropriate, the court shall order the probation term to continue, may modify the conditions of probation as appropriate, and may order the continued supervision of the defendant by either the division of probation and parole or the court. If, after a hearing, the court finds that the earned discharge is appropriate, the court shall order the defendant discharged from probation.

(4) If the prosecuting or circuit attorney does not request a hearing, the court shall order the defendant discharged from probation within sixty days of the filing of the notification of earned discharge from probation but no earlier than thirty days from the filing of notification of earned discharge from probation.

3. If the defendant violates a condition of probation at any time prior to the expiration or termination of the probation term, the court may continue him or her on the existing conditions, with or without modifying or enlarging the conditions or extending the term.

4. (1) Unless the defendant consents to the revocation of probation, if a continuation, modification, enlargement or extension is not appropriate under this section, the court shall order placement of the offender in one of the department of corrections' one hundred twenty-day programs so long as:

(a) The underlying offense for the probation is a class D or E felony or an offense listed in chapter 579 or an offense previously listed in chapter 195; except that, the court may, upon its own motion or a motion of the prosecuting or circuit attorney, make a finding that an offender is not eligible if the underlying offense is involuntary manslaughter in the second degree, stalking in the first degree, assault in the second degree, sexual assault, rape in the second degree, domestic assault in the second degree, assault in the third degree when the victim is a special victim, statutory rape in the second degree, statutory sodomy in the second degree, deviate sexual assault, sodomy in the second degree, sexual misconduct involving a child, incest, endangering the welfare of a child in the first degree under subdivision (1) or (2) of subsection 1 of section 568.045, abuse of a child, invasion of privacy, any case in which the defendant is found guilty of a felony offense under chapter 571, or an offense of aggravated stalking or assault of a law enforcement officer in the second degree as such offenses existed prior to January 1, 2017;

(b) The probation violation is not the result of the defendant being an absconder or being found guilty of, pleading guilty to, or being arrested on suspicion of any felony, misdemeanor, or infraction. For purposes of this subsection, "absconder" shall mean an offender under supervision who has left such offender's place of residency without the permission of the offender's supervising officer for the purpose of avoiding supervision;

(c) The defendant has not violated any conditions of probation involving the possession or use of weapons, or a stay-away condition prohibiting the defendant from contacting a certain individual; and

(d) The defendant has not already been placed in one of the programs by the court for the same underlying offense or during the same probation term.

(2) Upon receiving the order, the department of corrections shall conduct an assessment of the offender and place such offender in the appropriate one hundred twenty-day program under subsection 3 of section 559.115.

(3) Notwithstanding any of the provisions of subsection 3 of section 559.115 to the contrary, once the defendant has successfully completed the program under this subsection, the court shall release the defendant to continue to serve the term of probation, which shall not be modified, enlarged, or extended based on the same incident of violation. Time served in the program shall be credited as time served on any sentence imposed for the underlying offense.

5. If the defendant consents to the revocation of probation or if the defendant is not eligible under subsection 4 of this section for placement in a program and a continuation, modification, enlargement, or extension of the term under this section is not appropriate, the court may revoke probation and order that any sentence previously imposed be executed. If imposition of sentence was suspended, the court may revoke probation and impose any sentence available under section 557.011. The court may mitigate any sentence of imprisonment by reducing the prison or jail term by all or part of the time the defendant was on probation. The court may, upon revocation of probation, place an offender on a second term of probation. Such probation shall be for a term of probation as provided by section 559.016, notwithstanding any amount of time served by the offender on the first term of probation.

6. Probation shall not be revoked without giving the probationer notice and an opportunity to be heard on the issues of whether such probationer violated a condition of probation and, if a condition was violated, whether revocation is warranted under all the circumstances. Not less than five business days prior to the date set for a hearing on the violation, except for a good cause shown, the judge shall inform the probationer that he or she may have the right to request the appointment of counsel if the probationer is unable to retain counsel. If the probationer requests counsel, the judge shall determine whether counsel is necessary to protect the probationer's due process rights. If the judge determines that counsel is not necessary, the judge shall state the grounds for the decision in the record.

7. The prosecuting or circuit attorney may file a motion to revoke probation or at any time during the term of probation, the court may issue a notice to the probationer to appear to answer a charge of a violation, and the court may issue a warrant of arrest for the violation. Such notice shall be personally served upon the probationer. The warrant shall authorize the return of the probationer to the custody of the court or to any suitable detention facility designated by the court. Upon the filing of the prosecutor's or circuit attorney's motion or on the court's own motion, the court may immediately enter an order suspending the period of probation and may order a warrant for the defendant's arrest. The probation shall remain suspended until the court rules on the prosecutor's or circuit attorney's motion, or until the court otherwise orders the probation reinstated.

8. The power of the court to revoke probation shall extend for the duration of the term of probation designated by the court and for any further period which is reasonably necessary for the adjudication of matters arising before its expiration, provided that some affirmative manifestation of an intent to conduct a revocation hearing occurs prior to the expiration of the period and that every reasonable effort is made to notify the probationer and to conduct the hearing prior to the expiration of the period.

9. A defendant who was sentenced prior to January 1, 2017 to an offense that was eligible at the time

of sentencing under paragraph (a) of subdivision (1) of subsection 4 of this section for the court ordered detention sanction shall continue to remain eligible for the sanction so long as the defendant meets all the other requirements provided under subsection 4 of this section."; and"; and

407.1700. 1. For the purposes of this section, the following terms shall mean:

(1) "Consumer product", any tangible personal property that is distributed in commerce and that is normally used for personal, family, or household purposes, including any such property intended to be attached to or installed in any real property without regard to whether the personal property is so attached or installed;

(2) "High-volume third-party seller", a participant in an online marketplace who is a third-party seller and who, in any continuous twelve-month period during the previous twenty-four months, has entered into two hundred or more discrete sales or transactions of new or unused consumer products with an aggregate total of five thousand dollars or more in gross revenue. For purposes of calculating the number of discrete sales or transactions or the aggregate gross revenues under this subdivision, an online marketplace shall be required to count only sales or transactions made through the online marketplace and for which payment was processed by the online marketplace, either directly or through its payment processor;

(3) "Online marketplace", any person or entity that operates a consumer-directed, electronically-based or accessed platform that:

(a) Includes features that allow for, facilitate, or enable third-party sellers to engage in the sale, purchase, payment, storage, shipping, or delivery of a consumer product in the United States;

(b) Is used by one or more third-party sellers for such purposes; and

(c) Has a contractual or similar relationship with consumers governing its use of the platform to purchase consumer products;

(4) "Seller", a person who sells, offers to sell, or contracts to sell a consumer product through an online marketplace's platform;

(5) "Third-party seller", any seller, independent of an online marketplace, who sells, offers to sell, or contracts to sell a consumer product through an online marketplace. This term shall not include a seller who:

(a) Operates the online marketplace's platform; or

(b) Is a business entity that has:

a. Made available to the general public the entity's name, business address, and working contact information;

b. An ongoing contractual relationship with the online marketplace to provide the online marketplace with the manufacture, distribution, wholesaling, or fulfillment of shipments of consumer products; and

c. Provided to the online marketplace identifying information, as described in subparagraph a. of this paragraph, that has been verified under subsection 2 of this section;

(6) "Verify", to confirm information provided to an online marketplace under this section, which may include the use of one or more methods that enable the online marketplace to reliably determine that any information and documents provided are valid; corresponding to the seller or an individual

acting on the seller's behalf; not misappropriated; and not falsified.

2. An online marketplace shall require any high-volume third-party seller on the online marketplace to provide, no later than ten days after qualifying as a high-volume third-party seller, the following information:

(1) Bank account information, including a bank account number or, if such seller does not have a bank account, the name of the payee for payments issued by the online marketplace to such seller. The bank account or payee information required under this subdivision may be provided by the seller in the following ways:

(a) To the online marketplace; or

(b) To a payment processor or other third-party contracted by the online marketplace to maintain such information, provided that the online marketplace ensures that it may obtain such information on demand from such payment processor or other third-party;

(2) Contact information for such seller, including the following:

(a) With respect to a high-volume third-party seller who is an individual, the individual's name; or

(b) With respect to a high-volume third-party seller who is not an individual, one of the following forms of contact information:

a. A copy of a valid government-issued identification for an individual acting on behalf of such seller that includes the individual's name; or

b. A copy of a valid government-issued record or tax document that includes the business name and physical address of such seller;

(3) A current working email address and phone number for such seller; and

(4) A business tax identification number or, if such seller does not have a business tax identification number, a taxpayer identification number.

3. An online marketplace shall:

(1) Periodically, but no less than annually, notify any high-volume third-party seller on such online marketplace's platform of the requirement to keep any information collected under subsection 2 of this section current; and

(2) Require any high-volume third-party seller on such online marketplace's platform to, no later than ten days after receiving the notice under subdivision (1) of this subsection, electronically certify that:

(a) The seller has provided any changes to such information to the online marketplace if any such changes have occurred;

(b) There have been no changes to such seller's information; or

(c) Such seller has provided any changes to such information to the online marketplace.

4. In the event that a high-volume third-party seller does not provide the information or

certification required under subsections 2 and 3 of this section, the online marketplace shall, after providing the seller with written or electronic notice and an opportunity to provide such information or certification no later than ten days after the issuance of such notice, suspend any future sales activity of such seller until such seller provides such information or certification.

5. (1) An online marketplace shall:

(a) Verify the information collected in subsection 2 of this section no later than ten days after such collection; and

(b) Verify any change to such information no later than ten days after being notified of such change by a high-volume third-party seller under subsection 3 of this section.

(2) In the case of a high-volume third-party seller who provides a copy of a valid government-issued tax document, any information contained in such tax document shall be presumed to be verified as of the date of issuance of such document.

(3) Data collected to comply solely with the requirements of this section shall not be used for any other purpose unless required by law.

(4) An online marketplace shall implement and maintain reasonable security procedures and practices, including administrative, physical, and technical safeguards, appropriate to the nature of the data and the purposes for which the data will be used, to protect the data collected to comply with the requirements of this section from unauthorized use, disclosure, access, destruction, or modification.

6. (1) An online marketplace shall:

(a) Require any high-volume third-party seller with an aggregate total of twenty thousand dollars or more in annual gross revenues on such online marketplace, and that uses such online marketplace's platform, to provide the information described in subdivision (2) of this subsection to the online marketplace; and

(b) Disclose the information described in subdivision (2) of this subsection to consumers in a clear and conspicuous manner in the order confirmation message or other document or communication made to a consumer after a purchase is finalized and in the consumer's account transaction history.

(2) The information required shall be the following:

(a) Subject to subdivision (3) of this subsection, the identity of the high-volume third-party seller, including:

a. The full name of the seller, which may include the seller's name or seller's company name, or the name by which the seller or company operates on the online marketplace;

b. The physical address of the seller; and

c. Contact information for the seller, to allow for the direct, unhindered communication with high-volume third-party sellers by users of the online marketplace, including:

(i) A current working phone number;

(ii) A current working email address; or

(iii) Other means of direct electronic messaging, which may be provided to such seller by the online marketplace; and

(b) Whether the high-volume third-party seller used a different seller to supply the consumer product to the consumer upon purchase and, upon the request of an authenticated purchaser, the information described in paragraph (a) of this subdivision relating to any such seller who supplied the consumer product to the purchaser if such seller is different than the high-volume third-party seller listed on the product listing prior to purchase.

(3) Subject to subdivision (2) of this subsection, upon the request of a high-volume third-party seller, an online marketplace may provide for partial disclosure of the identity information required under paragraph (a) of subdivision (2) of this subsection in the following situations:

(a) If such seller certifies to the online marketplace that the seller does not have a business address and only has a residential street address, or has a combined business and residential address, the online marketplace may:

a. Disclose only the country and, if applicable, the state in which such seller resides; and

b. Inform consumers that there is no business address available for the seller and that consumer inquiries should be submitted to the seller by phone, email, or other means of electronic messaging provided to such seller by the online marketplace;

(b) If such seller certifies to the online marketplace that the seller is a business that has a physical address for product returns, the online marketplace may disclose the seller's physical address for product returns; and

(c) If such seller certifies to the online marketplace that the seller does not have a phone number other than a personal phone number, the online marketplace shall inform consumers that there is no phone number available for the seller and that consumer inquiries should be submitted to the seller's email address or other means of electronic messaging provided to such seller by the online marketplace.

(4) If an online marketplace becomes aware that a high-volume third-party seller has made a false representation to the online marketplace in order to justify the provision of a partial disclosure under subdivision (1) of this subsection or that a high-volume third-party seller who has requested and received a provision for a partial disclosure under subdivision (1) of this subsection has not provided responsive answers within a reasonable time frame to consumer inquiries submitted to the seller by phone, email, or other means of electronic messaging provided to such seller by the online marketplace, the online marketplace shall, after providing the seller with written or electronic notice and an opportunity to respond no later than ten days after the issuance of such notice, suspend any future sales activity of such seller unless such seller consents to the disclosure of the identity information required under paragraph (a) of subdivision (2) of this subsection.

(5) An online marketplace shall disclose to consumers in a clear and conspicuous manner on the product listing of any high-volume third-party seller a reporting mechanism that allows for electronic and telephonic reporting of suspicious marketplace activity to the online marketplace.

(6) If a high-volume third-party seller does not comply with the requirements to provide and disclose information under this subsection, the online marketplace shall, after providing the seller

with written or electronic notice and an opportunity to provide or disclose such information no later than ten days after the issuance of such notice, suspend any future sales activity of such seller until the seller complies with such requirements.

7. (1) A violation of the provisions of this section shall be treated as a violation of sections 407.010 to 407.130 and shall be enforced solely by the attorney general. Nothing in this section shall be construed as providing the basis for, or subjecting a party to, a private civil action.

(2) The attorney general may promulgate rules and regulations with respect to collecting, verifying, and disclosing information under this section, provided that such rules and regulations are limited to what is necessary to collect, verify, or disclose such information. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this section shall be invalid and void.

455.073. 1. By July 1, 1996, the supreme court of the state of Missouri shall:

(1) Develop and adopt uniform forms for petitions and orders of protection; and

(2) Provide the forms to each circuit clerk.

2. The following statements shall be printed in bold faced type or in capital letters on the order of protection:

(1) "Violation of this order may be punished by confinement in jail for as long as five years and by a fine of as much as five thousand dollars"; and

(2) "If so ordered by the court, the respondent is forbidden to enter or stay at the petitioner's residence".

3. The form prescribed by the supreme court for the notice of hearing required by subsection 2 of section 455.040 shall list all potential relief that can be granted by the court in any proceeding pursuant to sections 455.010 to 455.085 as described in section 455.050, and shall advise the respondent that such relief may be granted if the court finds for the petitioner, or if the respondent defaults to the petition.

4. **If a full order of protection is granted, all temporary orders shall continue in the full order of protection and shall remain in full force and effect unless otherwise ordered by the court.**

5. All orders of protection shall be issued on the form adopted pursuant to subsection 1 of this section.

455.075. The court may order a party to pay a reasonable amount to the other party for attorney's fees incurred prior to the commencement of the proceeding **[**or**], throughout the proceeding, and** after entry of judgment. The court shall consider all relevant factors, including the financial resources of both parties, and may order that the amount be paid directly to the attorney, who may enforce the order in his name.

455.085. 1. When a law enforcement officer has probable cause to believe a party has committed a violation of law amounting to domestic violence, as defined in section 455.010, against a family or household member, the officer may arrest the offending party whether or not the violation occurred in the presence of the arresting officer. When the officer declines to make arrest pursuant to this subsection, the

officer shall make a written report of the incident completely describing the offending party, giving the victim's name, time, address, reason why no arrest was made and any other pertinent information. Any law enforcement officer subsequently called to the same address within a twelve-hour period, who shall find probable cause to believe the same offender has again committed a violation as stated in this subsection against the same or any other family or household member, shall arrest the offending party for this subsequent offense. The primary report of nonarrest in the preceding twelve-hour period may be considered as evidence of the defendant's intent in the violation for which arrest occurred. The refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

2. When a law enforcement officer has probable cause to believe that a party, against whom a protective order has been entered and who has notice of such order entered, has committed an act of abuse in violation of such order, the officer shall arrest the offending party-respondent whether or not the violation occurred in the presence of the arresting officer. Refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

3. When an officer makes an arrest, the officer is not required to arrest two parties involved in an assault when both parties claim to have been assaulted. The arresting officer shall attempt to identify and shall arrest the party the officer believes is the primary physical aggressor. The term "primary physical aggressor" is defined as the most significant, rather than the first, aggressor. The law enforcement officer shall consider any or all of the following in determining the primary physical aggressor:

(1) The intent of the law to protect victims from continuing domestic violence;

(2) The comparative extent of injuries inflicted or serious threats creating fear of physical injury;

(3) The history of domestic violence between the persons involved.

No law enforcement officer investigating an incident of domestic violence shall threaten the arrest of all parties for the purpose of discouraging requests or law enforcement intervention by any party. Where complaints are received from two or more opposing parties, the officer shall evaluate each complaint separately to determine whether the officer should seek a warrant for an arrest.

4. In an arrest in which a law enforcement officer acted in good faith reliance on this section, the arresting and assisting law enforcement officers and their employing entities and superiors shall be immune from liability in any civil action alleging false arrest, false imprisonment or malicious prosecution.

5. When a person against whom an order of protection has been entered fails to surrender custody of minor children to the person to whom custody was awarded in an order of protection, the law enforcement officer shall arrest the respondent, and shall turn the minor children over to the care and custody of the party to whom such care and custody was awarded.

6. The same procedures, including those designed to protect constitutional rights, shall be applied to the respondent as those applied to any individual detained in police custody.

7. A violation of the terms and conditions, with regard to domestic violence, stalking, sexual assault, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of an ex parte order of protection of which the respondent has notice, shall be a class A misdemeanor unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years

of the date of the subsequent violation, in which case the subsequent violation shall be a class E felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior pleas of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

8. A violation of the terms and conditions, with regard to domestic violence, stalking, sexual assault, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of a full order of protection shall be a class A misdemeanor, unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class E felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of the sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict. For the purposes of this subsection, in addition to the notice provided by actual service of the order, a party is deemed to have notice of an order of protection if**:**

(1) The law enforcement officer responding to a call of a reported incident of domestic violence, stalking, sexual assault, or violation of an order of protection presented a copy of the order of protection to the respondent**; or**

(2) Notice is given by actual communication to the respondent in a manner reasonably likely to advise the respondent.

9. Good faith attempts to effect a reconciliation of a marriage shall not be deemed tampering with a witness or victim tampering under section 575.270.

10. Nothing in this section shall be interpreted as creating a private cause of action for damages to enforce the provisions set forth herein.

476.055. 1. There is hereby established in the state treasury the "Statewide Court Automation Fund". All moneys collected pursuant to section 488.027, as well as gifts, contributions, devises, bequests, and grants received relating to automation of judicial record keeping, and moneys received by the judicial system for the dissemination of information and sales of publications developed relating to automation of judicial record keeping, shall be credited to the fund. Moneys credited to this fund may only be used for the purposes set forth in this section and as appropriated by the general assembly. Any unexpended balance remaining in the statewide court automation fund at the end of each biennium shall not be subject to the provisions of section 33.080 requiring the transfer of such unexpended balance to general revenue; except that, any unexpended balance remaining in the fund on September 1, **[**2023**]** **2028**, shall be transferred to general revenue.

2. The statewide court automation fund shall be administered by a court automation committee consisting of the following: the chief justice of the supreme court, a judge from the court of appeals, four circuit judges, four associate circuit judges, four employees of the circuit court, the commissioner of administration, two members of the house of representatives appointed by the speaker of the house, two

members of the senate appointed by the president pro tem of the senate, the executive director of the Missouri office of prosecution services, the director of the state public defender system, and two members of the Missouri Bar. The judge members and employee members shall be appointed by the chief justice. The commissioner of administration shall serve ex officio. The members of the Missouri Bar shall be appointed by the board of governors of the Missouri Bar. Any member of the committee may designate another person to serve on the committee in place of the committee member.

3. The committee shall develop and implement a plan for a statewide court automation system. The committee shall have the authority to hire consultants, review systems in other jurisdictions and purchase goods and services to administer the provisions of this section. The committee may implement one or more pilot projects in the state for the purposes of determining the feasibility of developing and implementing such plan. The members of the committee shall be reimbursed from the court automation fund for their actual expenses in performing their official duties on the committee.

4. Any purchase of computer software or computer hardware that exceeds five thousand dollars shall be made pursuant to the requirements of the office of administration for lowest and best bid. Such bids shall be subject to acceptance by the office of administration. The court automation committee shall determine the specifications for such bids.

5. The court automation committee shall not require any circuit court to change any operating system in such court, unless the committee provides all necessary personnel, funds and equipment necessary to effectuate the required changes. No judicial circuit or county may be reimbursed for any costs incurred pursuant to this subsection unless such judicial circuit or county has the approval of the court automation committee prior to incurring the specific cost.

6. Any court automation system, including any pilot project, shall be implemented, operated and maintained in accordance with strict standards for the security and privacy of confidential judicial records. Any person who knowingly releases information from a confidential judicial record is guilty of a class B misdemeanor. Any person who, knowing that a judicial record is confidential, uses information from such confidential record for financial gain is guilty of a class E felony.

7. On the first day of February, May, August and November of each year, the court automation committee shall file a report on the progress of the statewide automation system with:

(1) The chair of the house budget committee;

(2) The chair of the senate appropriations committee;

(3) The chair of the house judiciary committee; and

(4) The chair of the senate judiciary committee.

8. Section 488.027 shall expire on September 1, **[**2023**]** **2028**. The court automation committee established pursuant to this section may continue to function until completion of its duties prescribed by this section**[**, but shall complete its duties prior to September 1, 2025.

9. This section shall expire on September 1, 2025**]**.

490.800. 1. Notwithstanding the sovereign immunity of the state, any individual who was found guilty of a felony in a Missouri court and was later determined to be actually innocent of such offense by admissible evidence may be paid restitution. Any individual who receives restitution under this

section shall not also receive restitution under section 650.058 for the same offense for which the individual was determined to be actually innocent. The individual shall receive an amount of one hundred dollars per day for each day of postconviction incarceration for the offense for which the individual is determined to be actually innocent under this section. The petition for the payment of such restitution shall be filed with the sentencing court. For the purposes of this section, the term "actually innocent" shall mean:

(1) The individual was convicted of a felony for which a final order of release was entered based on an order setting aside the judgment of conviction by the sentencing court pursuant to section 547.031, based on a finding of actual innocence entered by the sentencing court pursuant to section 547.031, or by writ otherwise authorized by law;

(2) All appeals of the order of release have been exhausted; and

(3) The individual was not serving any term of a sentence for any other offense concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another concurrent sentence because his or her parole was revoked by a court or the parole board in connection with the offense for which the person has been exonerated. Regardless of whether any other basis may exist for the revocation of the person's probation or parole at the time of conviction for the offense for which the person is later determined to be actually innocent, when the court's or the parole board's sole stated reason for the revocation in its order is the conviction for the offense for which the person is later determined to be actually innocent, such order shall, for purposes of this section only, be conclusive evidence that the person's probation or parole was revoked in connection with the offense for which the person has been exonerated.

Any individual who receives restitution under this section shall not also receive restitution under section 650.058 for the same offense the person was determined to be actually innocent and shall be prohibited from seeking any civil redress from the state, its departments and agencies, or any employee thereof, or any political subdivision or its employees. This section shall not be construed as a waiver of sovereign immunity for any purposes other than the restitution provided for herein. The department of corrections shall determine the aggregate amount of restitution owed during a fiscal year. If insufficient moneys are appropriated each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount appropriated. Provided sufficient moneys are appropriated to the department, the amounts owed to such individual shall be paid on June thirtieth of each subsequent fiscal year, until such time as the restitution to the individual has been paid in full. No individual awarded restitution under this subsection shall receive more than thirty-six thousand five hundred dollars during each fiscal year. No interest on unpaid restitution shall be awarded to the individual. No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831.

2. A petition for payment of restitution under this section may be filed only by the individual determined to be actually innocent or the individual's legal guardian. No claim or petition for restitution under this section may be filed by the individual's heirs or assigns. An individual's right to receive restitution under this section is not assignable or otherwise transferrable. The state's obligation to pay restitution under this section shall cease upon the individual's death. Any beneficiary designation that purports to bequeath, assign, or otherwise convey the right to receive such restitution shall be void and unenforceable.

3. An individual who is determined to be actually innocent of an offense under this section shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records all recordations of his or her arrest, plea, trial, or conviction. Upon the court's granting the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and available only to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea, or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever, and no such inquiry shall be made for information relating to an expungement under this section.

491.015. 1. In prosecutions under chapter 566 or prosecutions related to sexual conduct under chapter 568, opinion and reputation evidence of **[**the complaining**] a victim's or** witness' prior sexual conduct**, acts, or practices** is inadmissible **at any trial, hearing, or court proceeding and not a subject for inquiry during a deposition or discovery**; evidence of specific instances of **[**the complaining**] a victim's or** witness' prior sexual conduct**, acts, or practices** or the absence of such instances or conduct is inadmissible **at any trial, hearing, or any other court proceeding, and not a subject for inquiry during a deposition or discovery**, except where such specific instances are:

(1) Evidence of the sexual conduct of **[**the complaining**] a victim or** witness with the defendant to prove consent where consent is a defense to the alleged crime and the evidence is reasonably contemporaneous with the date of the alleged crime; or

(2) Evidence of specific instances of sexual activity showing alternative source or origin of semen, pregnancy or disease;

(3) Evidence of immediate surrounding circumstances of the alleged crime; or

(4) Evidence relating to the previous chastity of **[**the complaining**] a victim or** witness witness in cases, where, by statute, previously chaste character is required to be proved by the prosecution.

2. Evidence of the sexual conduct**, acts, or practices** of **[**the complaining**] a victim or** witness offered under this section is admissible to the extent that the court finds the evidence relevant to a material fact or issue.

3. If the defendant proposes to offer evidence of the sexual conduct**, acts, or practices** of **[**the complaining**] a victim or** witness under this section, he **or she** shall file with the court a written motion accompanied by an offer of proof or make an offer of proof on the record outside the hearing of the jury. The court shall hold an in camera hearing to determine the sufficiency of the offer of proof and may at that hearing hear evidence if the court deems it necessary to determine the sufficiency of the offer of proof. If the court finds any of the evidence offered admissible under this section the court shall make an order stating the scope of the evidence which may be introduced. Objections to any decision of the court under this section may be made by either the prosecution or the defendant in the manner provided by law. The in camera hearing shall be recorded and the court shall set forth its reasons for its ruling. The record of the in camera hearing shall be sealed for delivery to the parties and to the appellate court in the event of an appeal or other post trial proceeding.

537.529. 1. This section shall be known and may be cited as the "Uniform Public Expression Protection Act".

2. As used in this section, the following terms shall mean:

(1) "Goods or services", shall not include a dramatic, literary, musical, political, journalistic, or artistic work;

(2) "Governmental unit", any city, county, or other political subdivision of this state, or any department, division, board, or other agency of any political subdivision of this state;

(3) "Person", an individual, estate, trust, partnership, business or nonprofit entity, governmental unit, or other legal entity.

3. Except as otherwise provided in subsection 4 of this section, this section applies to a cause of action asserted in a civil action against a person based on the person's:

(1) Communication in a legislative, executive, judicial, administrative, or other governmental proceeding;

(2) Communication on an issue under consideration or review in a legislative, executive, judicial, administrative, or other governmental proceeding; or

(3) Exercise of the right of freedom of speech or of the press, the right to assemble or petition, or the right of association, guaranteed by the Constitution of the United States or the Constitution of the state of Missouri, on a matter of public concern.

4. This section does not apply to a cause of action asserted:

(1) Against a governmental unit or an employee or agent of a governmental unit acting or purporting to act in an official capacity;

(2) By a governmental unit or an employee or agent of a governmental unit acting in an official capacity to enforce a law to protect against an imminent threat to public health or safety; or

(3) Against a person primarily engaged in the business of selling or leasing goods or services if the cause of action arises out of a communication related to the person's sale or lease of the goods or services.

5. No later than sixty days after a party is served with a complaint, cross-claim, counterclaim, third-party claim, or other pleading that asserts a cause of action to which this section applies, or at a later time on a showing of good cause, a party may file a special motion to dismiss the cause of action or part of the cause of action.

6. (1) Except as otherwise provided in this subsection:

(a) All other proceedings between the moving party and responding party in an action, including discovery and a pending hearing or motion, are stayed on the filing of a motion under subsection 5 of this section; and

(b) On motion by the moving party, the court may stay:

a. A hearing or motion involving another party if the ruling on the hearing or motion would adjudicate a legal or factual issue that is material to the motion under subsection 5 of this section; or

b. Discovery by another party if the discovery relates to a legal or factual issue that is material to the motion under subsection 5 of this section.

(2) A stay under subdivision (1) of this subsection remains in effect until entry of an order ruling on the motion filed under subsection 5 of this section and the expiration of the time to appeal the order.

(3) If a party appeals from an order ruling on a motion under subsection 5 of this section, all proceedings between all parties in an action are stayed. The stay remains in effect until the conclusion of the appeal.

(4) During a stay under subdivision (1) of this subsection, the court may allow limited discovery if a party shows that specific information is necessary to establish whether a party has satisfied or failed to satisfy a burden imposed by subdivision (1) of subsection 9 of this section and is not reasonably available without discovery.

(5) A motion for costs and expenses under subsection 12 of this section shall not be subject to a stay under this section.

(6) A stay under this subsection does not affect a party's ability to voluntarily dismiss a cause of action or part of a cause of action or move to sever a cause of action.

(7) During a stay under this section, the court for good cause may hear and rule on:

(a) A motion unrelated to the motion under subsection 5 of this section; and

(b) A motion seeking a special or preliminary injunction to protect against an imminent threat to public health or safety.

7. (1) The court shall hear a motion under subsection 5 of this section no later than sixty days after filing of the motion, unless the court orders a later hearing:

(i) The responding party failed to state a cause of action upon which relief can be granted; or

(ii) There is no genuine issue as to any material fact and the party is entitled to judgment as a matter of law on the cause of action or part of the cause of action.

(2) A voluntary dismissal without prejudice of a responding party's cause of action, or part of a cause of action, that is the subject of a motion under subsection 5 of this section does not affect a moving party's right to obtain a ruling on the motion and seek costs, reasonable attorney's fees, and reasonable litigation expenses under subsection 12 of this section.

(3) A voluntary dismissal with prejudice of a responding party's cause of action, or part of a cause of action, that is the subject of a motion under subsection 5 of this section establishes for the purpose of subsection 12 of this section that the moving party prevailed on the motion.

10. The court shall rule on a motion under subsection 5 of this section no later than sixty days after the hearing under subsection 7 of this section.

11. A moving party may appeal within twenty-one days as a matter of right from an order denying, in whole or in part, a motion under subsection 5 of this section.

12. On a motion under subsection 5 of this section, the court shall award costs, reasonable attorney's fees, and reasonable litigation expenses related to the motion:

(1) To the moving party if the moving party prevails on the motion; or

(2) To the responding party if the responding party prevails on the motion and the court finds that the motion was frivolous or filed solely with intent to delay the proceeding.

13. This section shall be broadly construed and applied to protect the exercise of the right of freedom of speech and of the press, the right to assemble and petition, and the right of association, guaranteed by the Constitution of the United States or the Constitution of the state of Missouri.

14. In applying and construing this section, consideration shall be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

15. This section applies to a civil action filed or cause of action asserted in a civil action on or after August 28, 2022.

544.453. Notwithstanding any provision of the law or court rule to the contrary, a judge or judicial officer, when setting bail or conditions of release in all courts in Missouri for any offense charged, shall consider, in addition to any factor required by law, whether:

(2) A defendant is a flight risk;

(3) A defendant has committed a violent misdemeanor offense, sexual offense, or felony offense in this state or any other state in the last five years; and

5. The application shall set forth the reason or reasons for change of venue. It need not be verified and shall be signed by the defendant or his attorney.

6. The state may, within five days after the filing of the application for a change of venue, file a denial of the existence of the reason or reasons alleged in the application. Such denial need not be verified. If a denial is filed, the court shall hear evidence and determine the issues. If the issues are determined in favor of the defendant, or if the truth of the grounds alleged is within the knowledge of the court, or if no denial is filed, a change of venue shall be ordered to some other county convenient to the parties and where the reason or reasons do not exist.

546.262. A court shall not compel a victim or member of the victim's family testifying in a criminal proceeding for a violation of sections 565.072 to 565.076 to disclose a residential address or place of employment on the record in open court unless the court finds that disclosure of the address or place of employment is necessary.

(1) Any offense a material element of which is either fraud or a breach of fiduciary obligation within one year after discovery of the offense by an aggrieved party or by a person who has a legal duty to represent an aggrieved party and who is himself or herself not a party to the offense, but in no case shall this provision extend the period of limitation by more than three years. As used in this subdivision, the term "person who has a legal duty to represent an aggrieved party" shall mean the attorney general or the prosecuting or circuit attorney having jurisdiction pursuant to section 407.553, for purposes of offenses committed pursuant to sections 407.511 to 407.556; and

4. An offense is committed either when every element occurs, or, if a legislative purpose to prohibit a continuing course of conduct plainly appears, at the time when the course of conduct or the person's complicity therein is terminated. Time starts to run on the day after the offense is committed.

5. A prosecution is commenced for a misdemeanor or infraction when the information is filed and for a felony when the complaint or indictment is filed.

6. The period of limitation does not run:

(1) During any time when the accused is absent from the state, but in no case shall this provision extend the period of limitation otherwise applicable by more than three years;

(2) During any time when the accused is concealing himself or herself from justice either within or without this state;

For purposes of this section, the term "DNA profile" means the collective results of the DNA analysis of an evidence sample.

556.046. 1. A person may be convicted of an offense included in an offense charged in the indictment or information. An offense is so included when:

(1) It is established by proof of the same or less than all the facts required to establish the commission of the offense charged; or

(2) It is specifically denominated by statute as a lesser degree of the offense charged; or

(3) It consists of an attempt to commit the offense charged or to commit an offense otherwise included therein.

2. The court shall not be obligated to charge the jury with respect to an included offense unless there is a **rational** basis for a verdict acquitting the person of the offense charged and convicting him **or her** of the included offense. An offense is charged for purposes of this section if:

(1) It is in an indictment or information; or

(2) It is an offense submitted to the jury because there is a **rational** basis for a verdict acquitting the person of the offense charged and convicting the person of the included offense.

3. The court shall be obligated to instruct the jury with respect to a particular included offense only if **the instruction is requested and** there is a **rational** basis in the evidence for acquitting the person of the immediately higher included offense and **[**there is a basis in the evidence for**]** convicting the person of that particular included offense.

558.011. 1. The authorized terms of imprisonment, including both prison and conditional release terms, are:

(1) For a class A felony, a term of years not less than ten years and not to exceed thirty years, or life imprisonment;

(2) For a class B felony, a term of years not less than five years and not to exceed fifteen years;

(3) For a class C felony, a term of years not less than three years and not to exceed ten years;

(4) For a class D felony, a term of years not to exceed seven years;

(5) For a class E felony, a term of years not to exceed four years;

(6) For a class A misdemeanor, a term not to exceed one year;

(7) For a class B misdemeanor, a term not to exceed six months;

(8) For a class C misdemeanor, a term not to exceed fifteen days.

2. In cases of class D and E felonies, the court shall have discretion to imprison for a special term not to exceed one year in the county jail or other authorized penal institution, and the place of confinement shall be fixed by the court. If the court imposes a sentence of imprisonment for a term longer than one year upon

a person convicted of a class D or E felony, it shall commit the person to the custody of the department of corrections.

3. (1) When a regular sentence of imprisonment for a felony is imposed, the court shall commit the person to the custody of the department of corrections for the term imposed under section 557.036, or until released under procedures established elsewhere by law.

(2) A sentence of imprisonment for a misdemeanor shall be for a definite term and the court shall commit the person to the county jail or other authorized penal institution for the term of his or her sentence or until released under procedure established elsewhere by law.

4. (1) Except as otherwise provided, a sentence of imprisonment for a term of years for felonies other than dangerous felonies as defined in section 556.061, and other than sentences of imprisonment which involve the individual's fourth or subsequent remand to the department of corrections shall consist of a prison term and a conditional release term **when the offense occurred before August 28, 2022**. The conditional release term of any term imposed under section 557.036 shall be:

(a) One-third for terms of nine years or less;

(b) Three years for terms between nine and fifteen years;

(c) Five years for terms more than fifteen years; and the prison term shall be the remainder of such term. The prison term may be extended by the parole board pursuant to subsection 5 of this section.

(2) "Conditional release" means the conditional discharge of an offender by the parole board, subject to conditions of release that the parole board deems reasonable to assist the offender to lead a law-abiding life, and subject to the supervision under the division of probation and parole. The conditions of release shall include avoidance by the offender of any other offense, federal or state, and other conditions that the parole board in its discretion deems reasonably necessary to assist the releasee in avoiding further violation of the law.

5. The date of conditional release from the prison term may be extended up to a maximum of the entire sentence of imprisonment by the parole board. The director of any division of the department of corrections except the division of probation and parole may file with the parole board a petition to extend the conditional release date when an offender fails to follow the rules and regulations of the division or commits an act in violation of such rules. Within ten working days of receipt of the petition to extend the conditional release date, the parole board shall convene a hearing on the petition. The offender shall be present and may call witnesses in his or her behalf and cross-examine witnesses appearing against the offender. The hearing shall be conducted as provided in section 217.670. If the violation occurs in close proximity to the conditional release date, the conditional release may be held for a maximum of fifteen working days to permit necessary time for the division director to file a petition for an extension with the parole board and for the parole board to conduct a hearing, provided some affirmative manifestation of an intent to extend the conditional release has occurred prior to the conditional release date. If at the end of a fifteen-working-day period a parole board decision has not been reached, the offender shall be released conditionally. The decision of the parole board shall be final.

6. For offenses occurring on or after August 28, 2022, a sentence of imprisonment shall consist only of a prison term without eligibility for conditional release.

558.016. 1. The court may sentence a person who has been found guilty of an offense to a term of

imprisonment as authorized by section 558.011 or to a term of imprisonment authorized by a statute governing the offense if it finds the defendant is a prior offender or a persistent misdemeanor offender. The court may sentence a person to an extended term of imprisonment if:

(1) The defendant is a persistent offender or a dangerous offender, and the person is sentenced under subsection 7 of this section;

(2) The statute under which the person was found guilty contains a sentencing enhancement provision that is based on a prior finding of guilt or a finding of prior criminal conduct and the person is sentenced according to the statute; or

(3) A more specific sentencing enhancement provision applies that is based on a prior finding of guilt or a finding of prior criminal conduct.

2. A "prior offender" is one who has been found guilty of one felony.

3. A "persistent offender" is one who has been found guilty of two or more felonies committed at different times.

4. A "dangerous offender" is one who:

(1) Is being sentenced for a felony during the commission of which he knowingly murdered or endangered or threatened the life of another person or knowingly inflicted or attempted or threatened to inflict serious physical injury on another person; **[**and**]** **or**

5. A "persistent misdemeanor offender" is one who has been found guilty of two or more offenses, committed at different times that are classified as A or B misdemeanors under the laws of this state.

6. The findings of guilt shall be prior to the date of commission of the present offense.

7. The court shall sentence a person, who has been found to be a persistent offender or a dangerous offender, and is found guilty of a class B, C, D, or E felony to the authorized term of imprisonment for the offense that is one class higher than the offense for which the person is found guilty.

558.019. 1. This section shall not be construed to affect the powers of the governor under Article IV, Section 7, of the Missouri Constitution. This statute shall not affect those provisions of section 565.020**[**,**]** **or** section 566.125, **[**or section 571.015,**]** which set minimum terms of sentences, or the provisions of section 559.115, relating to probation.

2. The provisions of subsections 2 to 5 of this section shall only be applicable to the offenses contained in sections 565.021, 565.023, 565.024, 565.027, 565.050, 565.052, 565.054, 565.072, 565.073, 565.074, 565.090, 565.110, 565.115, 565.120, 565.153, 565.156, 565.225, 565.300, 566.030, 566.031, 566.032, 566.034, 566.060, 566.061, 566.062, 566.064, 566.067, 566.068, 566.069, 566.071, 566.083, 566.086, 566.100, 566.101, 566.103, 566.111, 566.115, 566.145, 566.151, 566.153, 566.203, 566.206, 566.209, 566.210, 566.211, 566.215, 568.030, 568.045, 568.060, 568.065, 568.175, 569.040, 569.160, 570.023, 570.025, 570.030 when punished as a class A, B, or C felony, 570.145 when punished as a class A or B felony, 570.223 when punished as a class B or C felony, 571.020, 571.030, 571.070, 573.023, 573.025, 573.035, 573.037, 573.200, 573.205, 574.070, 574.080, 574.115, 575.030, 575.150, 575.153, 575.155, 575.157, 575.200 when punished as a class A felony, 575.210, 575.230 when punished as a class B felony, 575.240 when punished as a class B felony, 576.070, 576.080, 577.010, 577.013, 577.078, 577.703,

577.706, 579.065, and 579.068 when punished as a class A or B felony. For the purposes of this section, "prison commitment" means and is the receipt by the department of corrections of an offender after sentencing. For purposes of this section, prior prison commitments to the department of corrections shall not include an offender's first incarceration prior to release on probation under section 217.362 or 559.115. Other provisions of the law to the contrary notwithstanding, any offender who has been found guilty of a felony other than a dangerous felony as defined in section 556.061 and is committed to the department of corrections shall be required to serve the following minimum prison terms:

(1) If the offender has one previous prison commitment to the department of corrections for a felony offense, the minimum prison term which the offender must serve shall be forty percent of his or her sentence or until the offender attains seventy years of age, and has served at least thirty percent of the sentence imposed, whichever occurs first;

(2) If the offender has two previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the offender must serve shall be fifty percent of his or her sentence or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first;

(3) If the offender has three or more previous prison commitments to the department of corrections for felonies unrelated to the present offense, the minimum prison term which the offender must serve shall be eighty percent of his or her sentence or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

3. Other provisions of the law to the contrary notwithstanding, any offender who has been found guilty of a dangerous felony as defined in section 556.061 and is committed to the department of corrections shall be required to serve a minimum prison term of eighty-five percent of the sentence imposed by the court or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

4. For the purpose of determining the minimum prison term to be served, the following calculations shall apply:

(1) A sentence of life shall be calculated to be thirty years;

(2) Any sentence either alone or in the aggregate with other consecutive sentences for offenses committed at or near the same time which is over seventy-five years shall be calculated to be seventy-five years.

5. For purposes of this section, the term "minimum prison term" shall mean time required to be served by the offender before he or she is eligible for parole, conditional release or other early release by the department of corrections.

6. An offender who was convicted of, or pled guilty to, a felony offense other than those offenses listed in subsection 2 of this section prior to August 28, 2019, shall no longer be subject to the minimum prison term provisions under subsection 2 of this section, and shall be eligible for parole, conditional release, or other early release by the department of corrections according to the rules and regulations of the department.

7. (1) A sentencing advisory commission is hereby created to consist of eleven members. One member shall be appointed by the speaker of the house. One member shall be appointed by the president pro tem of the senate. One member shall be the director of the department of corrections. Six members shall be

appointed by and serve at the pleasure of the governor from among the following: the public defender commission; private citizens; a private member of the Missouri Bar; the board of probation and parole; and a prosecutor. Two members shall be appointed by the supreme court, one from a metropolitan area and one from a rural area. All members shall be appointed to a four-year term. All members of the sentencing commission appointed prior to August 28, 1994, shall continue to serve on the sentencing advisory commission at the pleasure of the governor.

(2) The commission shall study sentencing practices in the circuit courts throughout the state for the purpose of determining whether and to what extent disparities exist among the various circuit courts with respect to the length of sentences imposed and the use of probation for offenders convicted of the same or similar offenses and with similar criminal histories. The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor, if sentences are comparable to other states, if the length of the sentence is appropriate, and the rate of rehabilitation based on sentence. It shall compile statistics, examine cases, draw conclusions, and perform other duties relevant to the research and investigation of disparities in death penalty sentencing among economic and social classes.

(3) The commission shall study alternative sentences, prison work programs, work release, home-based incarceration, probation and parole options, and any other programs and report the feasibility of these options in Missouri.

(4) The governor shall select a chairperson who shall call meetings of the commission as required or permitted pursuant to the purpose of the sentencing commission.

(5) The members of the commission shall not receive compensation for their duties on the commission, but shall be reimbursed for actual and necessary expenses incurred in the performance of these duties and for which they are not reimbursed by reason of their other paid positions.

(6) The circuit and associate circuit courts of this state, the office of the state courts administrator, the department of public safety, and the department of corrections shall cooperate with the commission by providing information or access to information needed by the commission. The office of the state courts administrator will provide needed staffing resources.

8. Courts shall retain discretion to lower or exceed the sentence recommended by the commission as otherwise allowable by law, and to order restorative justice methods, when applicable.

9. If the imposition or execution of a sentence is suspended, the court may order any or all of the following restorative justice methods, or any other method that the court finds just or appropriate:

(1) Restitution to any victim or a statutorily created fund for costs incurred as a result of the offender's actions;

(2) Offender treatment programs;

(3) Mandatory community service;

(4) Work release programs in local facilities; and

(5) Community-based residential and nonresidential programs.

10. Pursuant to subdivision (1) of subsection 9 of this section, the court may order the assessment and payment of a designated amount of restitution to a county law enforcement restitution fund established by

the county commission pursuant to section 50.565. Such contribution shall not exceed three hundred dollars for any charged offense. Any restitution moneys deposited into the county law enforcement restitution fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565.

11. A judge may order payment to a restitution fund only if such fund had been created by ordinance or resolution of a county of the state of Missouri prior to sentencing. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering a person to make payment.

12. A person who fails to make a payment to a county law enforcement restitution fund may not have his or her probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the person either willfully refused to make the payment or that the person willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.

13. Nothing in this section shall be construed to allow the sentencing advisory commission to issue recommended sentences in specific cases pending in the courts of this state.

558.026. 1. Multiple sentences of imprisonment shall run concurrently unless the court specifies that they shall run consecutively; except in the case of multiple sentences of imprisonment imposed for any offense committed during or at the same time as, or multiple offenses of, the following felonies:

(1) Rape in the first degree, forcible rape, or rape;

(2) Statutory rape in the first degree;

(3) Sodomy in the first degree, forcible sodomy, or sodomy;

(4) Statutory sodomy in the first degree; or

(5) An attempt to commit any of the felonies listed in this subsection. In such case, the sentence of imprisonment imposed for any felony listed in this subsection or an attempt to commit any of the aforesaid shall run consecutively to the other sentences. The sentences imposed for any other offense may run concurrently.

2. If a person who is on probation**[**,**]** **or** parole **[**or conditional release**]** is sentenced to a term of imprisonment for an offense committed after the granting of probation or parole **[**or after the start of his or her conditional release term**]**, the court shall direct the manner in which the sentence or sentences imposed by the court shall run with respect to any resulting probation**[**,**]** **or** parole **[**or conditional release**]** revocation term or terms. If the subsequent sentence to imprisonment is in another jurisdiction, the court shall specify how any resulting probation**[**,**]** **or** parole **[**or conditional release**]** revocation term or terms shall run with respect to the foreign sentence of imprisonment.

3. A court may cause any sentence it imposes to run concurrently with a sentence an individual is serving or is to serve in another state or in a federal correctional center. If the Missouri sentence is served in another state or in a federal correctional center, subsection 4 of section 558.011 and section 217.690 shall apply as if the individual were serving his or her sentence within the department of corrections of the state of Missouri, except that a personal hearing before the parole board shall not be required for parole consideration.

558.041. 1. Any offender committed to the department of corrections, except those persons committed

pursuant to subsection 7 of section 558.016, or subsection 3 of section 566.125, [may] **shall** receive additional credit in terms of days spent in confinement upon recommendation for such credit by the offender's institutional superintendent when the offender meets the requirements for such credit as provided in subsections 3 and [4] **5** of this section. Good time credit may be rescinded by the director or his or her designee pursuant to the divisional policy issued pursuant to subsection 3 of this section.

2. Any credit extended to an offender shall only apply to the sentence which the offender is currently serving.

3. The director of the department of corrections shall issue a policy for awarding credit[.] **as follows:**

(1) The policy **[**may**] shall** reward an **[**inmate**] offender** who has served his or her sentence in an orderly and peaceable manner and has taken advantage of the rehabilitation programs available to him or her[.]**;**

(2) Any violation of **major** institutional rules **[**or**],** the laws of this state**, or the accumulation of minor violations exceeding six within a calendar year** may result in the loss of all or a portion of any credit earned by the **[**inmate**] offender** pursuant to this section**; except that, credit accrued in previous years shall not be lost;**

(3) The policy shall specify the programs or activities for which credit may be earned under this section, the criteria for determining productive participation in, or completion of, the programs or activities, and the criteria for awarding credit.

4. [The department shall cause the policy to be published in the code of state regulations] **No person committed to the department who is sentenced to death or life without probation or parole shall be eligible for good time credit**.

5. [No rule or portion of a rule promulgated under the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of section 536.024] **Each offender shall receive a deduction of sixty days from his or her sentence by being awarded the following specified monthly credits:**

(1) For the offender's successful completion of high school, or for the offender who has obtained his or her diploma or equivalent general education diploma;

(2) For the offender's successful completion of an alcohol or drug abuse treatment program as provided and as defined by the department, except for alcohol and drug abuse treatment programs ordered by the court or parole board;

(3) For the offender's completion of one thousand hours of restorative justice;

(4) The offender's completion of other programs as provided and as defined by the department's policy.

"559.036. 1. A term of probation commences on the day it is imposed. Multiple terms of Missouri probation, whether imposed at the same time or at different times, shall run concurrently. Terms of probation shall also run concurrently with any federal or other state jail, prison, probation or parole term for another offense to which the defendant is or becomes subject during the period**[**, unless otherwise specified by the Missouri court**]**.

2. The court may terminate a period of probation and discharge the defendant at any time before completion of the specific term fixed under section 559.016 if warranted by the conduct of the defendant and the ends of justice. The court may extend the term of the probation, but no more than one extension of any probation may be ordered except that the court may extend the term of probation by one additional year by order of the court if the defendant admits he or she has violated the conditions of probation or is found by the court to have violated the conditions of his or her probation. Total time on any probation term, including any extension shall not exceed the maximum term established in section 559.016. **Total time on any probation term shall not include time when the probation term is suspended under this section.** Procedures for termination, discharge and extension may be established by rule of court.

3. **This subsection shall be known and may be cited as the "Earning Safe Reentry Through Work Act".**

(1) The division of probation and parole shall file a notification of earned discharge from probation with the court for any defendant who has completed at least twenty-four months of the probation term and is compliant with the terms of supervision as ordered by the court and division. The division shall not file a notification of earned discharge for any defendant who has not paid ordered restitution in full, is on a term of probation for any class A or class B felony, or is subject to lifetime supervision under sections 217.735 and 559.106. The division shall notify the prosecuting or circuit attorney when a notification of earned discharge is filed.

(2) The prosecuting or circuit attorney may request a hearing within thirty days of the filing of the notification of earned discharge from probation. If the state opposes the discharge of the defendant, the prosecuting or circuit attorney shall argue the earned discharge is not appropriate and the defendant should continue to serve the probation term.

(3) If a hearing is requested, the court shall hold the hearing and issue its order no later than sixty days after the filing of the notification of earned discharge from probation. If, after a hearing, the court finds by a preponderance of the evidence that the earned discharge is not appropriate, the court shall order the probation term to continue, may modify the conditions of probation as appropriate, and may order the continued supervision of the defendant by either the division of probation and parole or the court. If, after a hearing, the court finds that the earned discharge is appropriate, the court shall order the defendant discharged from probation.

(4) If the prosecuting or circuit attorney does not request a hearing, the court shall order the defendant discharged from probation within sixty days of the filing of the notification of earned discharge from probation but no earlier than thirty days from the filing of notification of earned discharge from probation.

4. If the defendant violates a condition of probation at any time prior to the expiration or termination of the probation term, the court may continue him or her on the existing conditions, with or without modifying or enlarging the conditions or extending the term.

[4.**] 5.** (1) Unless the defendant consents to the revocation of probation, if a continuation, modification, enlargement or extension is not appropriate under this section, the court shall order placement of the offender in **[**one of the**] a** department of corrections' one hundred twenty-day **[**programs**] program** so long as:

(a) The underlying offense for the probation is a class D or E felony or an offense listed in chapter 579 or an offense previously listed in chapter 195; except that, the court may, upon its own motion or a motion of the prosecuting or circuit attorney, make a finding that an offender is not eligible if the underlying offense is involuntary manslaughter in the second degree, stalking in the first degree, assault in the second degree, sexual assault, rape in the second degree, domestic assault in the second degree, assault in the third degree when the victim is a special victim, statutory rape in the second degree, statutory sodomy in the second degree, deviate sexual assault, sodomy in the second degree, sexual misconduct involving a child, incest, endangering the welfare of a child in the first degree under subdivision (1) or (2) of subsection 1 of section 568.045, abuse of a child, invasion of privacy, any case in which the defendant is found guilty of a felony offense under chapter 571, or an offense of aggravated stalking or assault of a law enforcement officer in the second degree as such offenses existed prior to January 1, 2017;

(b) The probation violation is not the result of the defendant being an absconder or being found guilty of, pleading guilty to, or being arrested on suspicion of any felony, misdemeanor, or infraction. For purposes of this subsection, "absconder" shall mean an offender under supervision who has left such offender's place of residency without the permission of the offender's supervising officer for the purpose of avoiding supervision;

(c) The defendant has not violated any conditions of probation involving the possession or use of weapons, or a stay-away condition prohibiting the defendant from contacting a certain individual; and

(d) The defendant has not already been placed in one of the programs by the court for the same underlying offense or during the same probation term.

(2) Upon receiving the order, the department of corrections shall conduct an assessment of the offender and place such offender in **either** the **[**appropriate**]** one hundred twenty-day **structured cognitive behavioral intervention** program **[**under subsection 3 of section 559.115**] or the one hundred twenty-day**

institutional treatment program. The placement of the offender in the structured cognitive behavioral intervention program or institutional treatment program shall be at the sole discretion of the department based on the assessment of the offender. The program shall begin upon receipt of the offender by the department. The time between the court's order and receipt of the offender by the department shall not apply toward the program.

(3) **[**Notwithstanding any of the provisions of subsection 3 of section 559.115 to the contrary, once the defendant has successfully completed the program under this subsection, the court shall release the defendant to continue to serve the term of probation, which shall not be modified, enlarged, or extended based on the same incident of violation.**] Upon successful completion of a program under this subsection, as determined by the department, the division of probation and parole shall advise the sentencing court of the defendant's probationary release date thirty days prior to release. Once the defendant has successfully completed a program under this subsection, the court shall release the defendant to continue to serve the term of probation, which shall not be modified, enlarged, or extended based on the same incident of violation.**

(4) If the department determines the defendant has not successfully completed a one hundred twenty-day program under this section, the division of probation and parole shall advise the prosecuting attorney and the sentencing court of the defendant's unsuccessful program exit and the defendant shall be removed from the program. The defendant shall be released from the department within fifteen working days after the court is notified of the unsuccessful program exit, unless the court has issued a warrant in response to the unsuccessful program exit to facilitate the return of the defendant to the county of jurisdiction for further court proceedings. If a defendant is discharged as unsuccessful from a one hundred twenty-day program, the sentencing court may modify, enlarge, or revoke the defendant's probation based on the same incident of the violation.

(5) Time served in the program shall be credited as time served on any sentence imposed for the underlying offense.

[5.**] 6.** If the defendant consents to the revocation of probation or if the defendant is not eligible under subsection **[**4**] 5** of this section for placement in a program and a continuation, modification, enlargement, or extension of the term under this section is not appropriate, the court may revoke probation and order that any sentence previously imposed be executed. If imposition of sentence was suspended, the court may revoke probation and impose any sentence available under section 557.011. The court may mitigate any sentence of imprisonment by reducing the prison or jail term by all or part of the time the defendant was on probation. The court may, upon revocation of probation, place an offender on a second term of probation. Such probation shall be for a term of probation as provided by section 559.016, notwithstanding any amount of time served by the offender on the first term of probation.

[6.**] 7.** Probation shall not be revoked without giving the probationer notice and an opportunity to be heard on the issues of whether such probationer violated a condition of probation and, if a condition was violated, whether revocation is warranted under all the circumstances. Not less than five business days prior to the date set for a hearing on the violation, except for a good cause shown, the judge shall inform the probationer that he or she may have the right to request the appointment of counsel if the probationer is unable to retain counsel. If the probationer requests counsel, the judge shall determine whether counsel is necessary to protect the probationer's due process rights. If the judge determines that counsel is not necessary, the judge shall state the grounds for the decision in the record.

[7.**]** **8.** The prosecuting or circuit attorney may file a motion to revoke probation or at any time during the term of probation, the court may issue a notice to the probationer to appear to answer a charge of a violation, and the court may issue a warrant of arrest for the violation. Such notice shall be personally served upon the probationer. The warrant shall authorize the return of the probationer to the custody of the court or to any suitable detention facility designated by the court. Upon the filing of the prosecutor's or circuit attorney's motion or on the court's own motion, the court may immediately enter an order suspending the period of probation and may order a warrant for the defendant's arrest. The probation shall remain suspended until the court rules on the prosecutor's or circuit attorney's motion, or until the court otherwise orders the probation reinstated. **Notwithstanding any other provision of the law to the contrary, the probation term shall be tolled during the time period when the probation is suspended under this section. The court may grant the probationer credit on the probation term for any of the tolled period when reinstating the probation term.**

[8.**]** **9.** The power of the court to revoke probation shall extend for the duration of the term of probation designated by the court and for any further period which is reasonably necessary for the adjudication of matters arising before its expiration, provided that some affirmative manifestation of an intent to conduct a revocation hearing occurs prior to the expiration of the period and that every reasonable effort is made to notify the probationer and to conduct the hearing prior to the expiration of the period. **If the delay of the hearing is attributable to the probationer's actions or the probationer otherwise consents or acquiesces to the delay, the court shall have been found to have made every reasonable effort to conduct the hearing within the probation term.**

[9.**]** **10.** A defendant who was sentenced prior to January 1, 2017 to an offense that was eligible at the time of sentencing under paragraph (a) of subdivision (1) of subsection **[**4**]** **5** of this section for the court ordered detention sanction shall continue to remain eligible for the sanction so long as the defendant meets all the other requirements provided under subsection [4] **5** of this section."; and

coercion, the crime of sexual trafficking of a child shall be a felony for which the authorized term of imprisonment is life imprisonment without eligibility for probation or parole until the defendant has served not less than twenty-five years of such sentence.

4. In addition to any fine imposed, the court shall enter a judgment of restitution in the amount of five thousand dollars in favor of the state of Missouri, payable to the human trafficking and sexual exploitation fund established under section 589.700, upon a plea of guilty or a finding of guilt for a violation of this section.

3. As used in this section, "HIV" means the human immunodeficiency virus that causes acquired immunodeficiency syndrome.

4. The judge may order a drug and alcohol abuse treatment program for any person found guilty of prostitution, either after trial or upon a plea of guilty, before sentencing. For the class B misdemeanor offense, upon the successful completion of such program by the defendant, the court may at its discretion allow the defendant to withdraw the plea of guilty or reverse the verdict and enter a judgment of not guilty. For the class B felony offense, the court shall not allow the defendant to withdraw the plea of guilty or reverse the verdict and enter a judgment of not guilty. (f) To take or withhold action as a public servant, or to cause a public servant to take or withhold action; or

An application shall be filed in writing, signed under oath and under the penalties of perjury, and shall state whether the applicant complies with each of the requirements specified in subsection 2 of this section. In addition to the completed application, the applicant for a concealed carry permit must also submit the following:

5. (1) Before an application for a concealed carry permit is approved, the sheriff shall make only such inquiries as he or she deems necessary into the accuracy of the statements made in the application. The sheriff may require that the applicant display a Missouri driver's license or nondriver's license or military identification and orders showing the person being stationed in Missouri. In order to determine the applicant's suitability for a concealed carry permit, the applicant shall be fingerprinted. No other biometric data shall be collected from the applicant. The sheriff shall conduct an inquiry of the National Instant Criminal Background Check System within three working days after submission of the properly completed application for a concealed carry permit. (2) In the event the report from the National Instant Criminal Background Check System and the response from the Federal Bureau of Investigation national criminal history record check prescribed by subdivision (1) of this subsection are not completed within forty-five calendar days and no disqualifying information concerning the applicant has otherwise come to the sheriff's attention, the sheriff shall issue a provisional permit, clearly designated on the certificate as such, which the applicant shall sign in the presence of the sheriff or the sheriff's designee. This permit, when carried with a valid Missouri driver's or nondriver's license or a valid military identification, shall permit the applicant to exercise the same rights in accordance with the same conditions as pertain to a concealed carry permit issued under this section, provided that it shall not serve as an alternative to an national instant criminal background check required by 18 U.S.C. Section 922(t). The provisional permit shall remain valid until such time as the sheriff either issues or denies the certificate of qualification under subsection 6 or 7 of this section. The sheriff shall revoke a provisional permit issued under this subsection within twenty-four hours of receipt of any report that identifies a disqualifying record, and shall notify the concealed carry permit system established under subsection 5 of section 650.350. The revocation of a provisional permit issued under this section shall be proscribed in a manner consistent to the denial and review of an application under subsection 6 of this section.

6. The sheriff may refuse to approve an application for a concealed carry permit if he or she determines that any of the requirements specified in subsection 2 of this section have not been met, or if he or she has a substantial and demonstrable reason to believe that the applicant has rendered a false statement regarding any of the provisions of sections 571.101 to 571.121. If the applicant is found to be ineligible, the sheriff is required to deny the application, and notify the applicant in writing, stating the grounds for denial and informing the applicant of the right to submit, within thirty days, any additional documentation relating to the grounds of the denial. Upon receiving any additional documentation, the sheriff shall reconsider his or her decision and inform the applicant within thirty days of the result of the reconsideration. The applicant shall further be informed in writing of the right to appeal the denial pursuant to subsections 2, 3, 4, and 5 of section 571.114. Any record of an application that is incomplete or denied for any reason shall be kept for a period not to exceed one year. Any person who violates the provisions of this subdivision by disclosing protected information shall be guilty of a class A misdemeanor.

This fee shall include the cost to reimburse the Missouri state highway patrol for the costs of fingerprinting and criminal background checks. An additional fee shall be added to each credit card, debit card, or other electronic transaction equal

to the charge paid by the state or the applicant for the use of the credit card, debit card, or other electronic payment method by the applicant.

The failure to comply with the requirements of this section does not constitute grounds in any criminal or civil proceeding for challenging the validity of a database match or of any database information, and any evidence of that DNA record shall not be excluded by a court on those grounds;

(11) No sexual assault forensic evidence shall be used to prosecute a survivor for any misdemeanor crimes or any misdemeanor crime pursuant to sections 579.015 to 579.185; or as a basis to search for further evidence of any unrelated misdemeanor crimes or any misdemeanor crime pursuant to sections 579.015 to 579.185, that shall have been committed by the survivor, except that sexual assault forensic evidence shall be admissible as evidence in any criminal or civil proceeding against the defendant or person accused;

(a) Timely notice of any pretrial disposition of the case;

(b) Timely notice of the final disposition of the case, including the conviction, sentence, and place and time of incarceration;

(c) Timely notice of a convicted defendant's location, including whenever the defendant receives a temporary, provisional, or final release from custody, escapes from custody, is moved from a secure facility to a less secure facility, or reenters custody; and

(d) A convicted defendant's information on a sex offender registry, if any;

(15) In either a civil or criminal case relating to the sexual assault, a survivor has the right to be reasonably protected from the defendant and persons acting on behalf of the defendant, as provided under section 595.209 and Article I, Section 32 of the Missouri Constitution;

2. Patient, resident or client abuse or neglect is a class A misdemeanor unless committed under subdivision (2) or (4) of subsection 1 of this section in which case such abuse or neglect shall be a class **[**E**]** **D** felony.

632.305. 1. An application for detention for evaluation and treatment may be executed by any adult person, who need not be an attorney or represented by an attorney, including the mental health coordinator, on a form provided by the court for such purpose, and **[**must**]** **shall** allege under oath**, without a notarization requirement,** that the applicant has reason to believe that the respondent is suffering from a mental disorder and presents a likelihood of serious harm to himself **or herself** or to others. The application **[**must**]** **shall** specify the factual information on which such belief is based and should contain the names and addresses of all persons known to the applicant who have knowledge of such facts through personal observation.

2. The filing of a written application in court by any adult person, who need not be an attorney or represented by an attorney, including the mental health coordinator, shall authorize the applicant to bring the matter before the court on an ex parte basis to determine whether the respondent should be taken into custody and transported to a mental health facility. The application may be filed in the court having probate jurisdiction in any county where the respondent may be found. If the court finds that there is probable cause, either upon testimony under oath or upon a review of affidavits, to believe that the respondent may be suffering from a mental disorder and presents a likelihood of serious harm to himself **or herself** or others,

it shall direct a peace officer to take the respondent into custody and transport him **or her** to a mental health facility for detention for evaluation and treatment for a period not to exceed ninety-six hours unless further detention and treatment is authorized pursuant to this chapter. Nothing herein shall be construed to prohibit the court, in the exercise of its discretion, from giving the respondent an opportunity to be heard.

3. A mental health coordinator may request a peace officer to take or a peace officer may take a person into custody for detention for evaluation and treatment for a period not to exceed ninety-six hours only when such mental health coordinator or peace officer has reasonable cause to believe that such person is suffering from a mental disorder and that the likelihood of serious harm by such person to himself **or herself** or others is imminent unless such person is immediately taken into custody. Upon arrival at the mental health facility, the peace officer or mental health coordinator who conveyed such person or caused him **or her** to be conveyed shall either present the application for detention for evaluation and treatment upon which the court has issued a finding of probable cause and the respondent was taken into custody or complete an application for initial detention for evaluation and treatment for a period not to exceed ninety-six hours which shall be based upon his **or her** own personal observations or investigations and shall contain the information required in subsection 1 of this section.

The application shall be based on his **or her** own personal observations or investigation and shall contain the information required in subsection 1 of this section.

5. Any oath required by the provisions of this section shall be subject to the provisions of section 492.060.

650.058. 1. Notwithstanding the sovereign immunity of the state, any individual who was found guilty of a felony in a Missouri court and was later determined to be actually innocent of such crime solely as a result of DNA profiling analysis may be paid restitution. The individual [may] **shall** receive an amount of one hundred dollars per day for each day of postconviction incarceration for the crime for which the individual is determined to be actually innocent. The petition for the payment of said restitution shall be filed with the sentencing court. For the purposes of this section, the term "actually innocent" shall mean:

(1) The individual was convicted of a felony for which a final order of release was entered by the court;

(2) All appeals of the order of release have been exhausted;

(3) The individual was not serving any term of a sentence for any other crime concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another concurrent sentence because his or her parole was revoked by a court or the parole board in connection with the crime for which the person has been exonerated. Regardless of whether any other basis may exist for the revocation of the person's probation or parole at the time of conviction for the crime for which the person is later determined to be actually innocent, when the court's or the parole board's sole stated reason for the revocation in its order is the conviction for the crime for which the person is later determined to be actually innocent, such order shall, for purposes of this section only, be conclusive

evidence that **[**their**]** **the person's** probation or parole was revoked in connection with the crime for which the person has been exonerated; and

(4) Testing ordered under section 547.035, or testing by the order of any state or federal court, if such person was exonerated on or before August 28, 2004, or testing ordered under section 650.055, if such person was or is exonerated after August 28, 2004, demonstrates a person's innocence of the crime for which the person is in custody.

Any individual who receives restitution under this section shall be prohibited from seeking any civil redress from the state, its departments and agencies, or any employee thereof, or any political subdivision or its employees. This section shall not be construed as a waiver of sovereign immunity for any purposes other than the restitution provided for herein. The department of corrections shall determine the aggregate amount of restitution owed during a fiscal year. If insufficient moneys are appropriated each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount appropriated. Provided sufficient moneys are appropriated to the department, the amounts owed to such individual shall be paid on June thirtieth of each subsequent fiscal year, until such time as the restitution to the individual has been paid in full. However, no individual awarded restitution under this subsection shall receive more than thirty-six thousand five hundred dollars during each fiscal year. No interest on unpaid restitution shall be awarded to the individual. No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831.

2. If the results of the DNA testing confirm the person's guilt, then the person filing for DNA testing under section 547.035, shall:

(1) Be liable for any reasonable costs incurred when conducting the DNA test, including but not limited to the cost of the test. Such costs shall be determined by the court and shall be included in the findings of fact and conclusions of law made by the court; and

(2) Be sanctioned under the provisions of section 217.262.

3. A petition for payment of restitution under this section may **[**only**]** be filed **only** by the individual determined to be actually innocent or the individual's legal guardian. No claim or petition for restitution under this section may be filed by the individual's heirs or assigns. An individual's right to receive restitution under this section is not assignable or otherwise transferrable. The state's obligation to pay restitution under this section shall cease upon the individual's death. Any beneficiary designation that purports to bequeath, assign, or otherwise convey the right to receive such restitution shall be void and unenforceable.

4. An individual who is determined to be actually innocent of a crime under this chapter shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records all recordations of his or her arrest, plea, trial or conviction. Upon **the court's** granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and **[**only**]** available **only** to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement in

response to any inquiry made of him or her for any purpose whatsoever**,** and no such inquiry shall be made for information relating to an expungement under this section.

5. Any individual who receives restitution under section 490.800 shall not also receive restitution under this section for the same offense the individual was determined to be found actually innocent.

The department of transportation shall erect and maintain appropriate signs designating such highway, with the costs to be paid by private donation.

The state treasurer shall be the custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and money in the fund shall be used solely by the department of public safety for the purposes of providing restitution for any domesticated animal inadvertently harmed or killed by a peace officer while in the line of duty. Such restitution shall be equal to the fair marketplace value of the animal which was harmed or killed. No restitution payment made pursuant to this section shall constitute any waiver of sovereign immunity and such sovereign or governmental tort immunity shall remain in full force and effect.

2. Notwithstanding the provisions of section 33.0870 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

[217.703. 1. The division of probation and parole shall award earned compliance credits to any offender who is:

(1) Not subject to lifetime supervision under sections 217.735 and 559.106 or otherwise found to be ineligible to earn credits by a court pursuant to subsection 2 of this section;

(2) On probation, parole, or conditional release for an offense listed in chapter 579, or an offense previously listed in chapter 195, or for a class D or E felony, excluding sections 565.225, 565.252, 566.031, 566.061, 566.083, 566.093, 568.020, 568.060, offenses defined as sexual assault under section 589.015, deviate sexual assault, assault in the second degree under subdivision (2) of

subsection 1 of section 565.052, endangering the welfare of a child in the first degree under subdivision (2) of subsection 1 of section 568.045, and any offense of aggravated stalking or assault in the second degree under subdivision (2) of subsection 1 of section 565.060 as such offenses existed prior to January 1, 2017;

(3) Supervised by the division of probation and parole; and

(4) In compliance with the conditions of supervision imposed by the sentencing court or board.

2. If an offender was placed on probation, parole, or conditional release for an offense of:

(1) Involuntary manslaughter in the second degree;

(2) Assault in the second degree except under subdivision (2) of subsection 1 of section 565.052 or section 565.060 as it existed prior to January 1, 2017;

(3) Domestic assault in the second degree;

(4) Assault in the third degree when the victim is a special victim or assault of a law enforcement officer in the second degree as it existed prior to January 1, 2017;

(5) Statutory rape in the second degree;

(6) Statutory sodomy in the second degree;

(7) Endangering the welfare of a child in the first degree under subdivision (1) of subsection 1 of section 568.045; or

(8) Any case in which the defendant is found guilty of a felony offense under chapter 571;

the sentencing court may, upon its own motion or a motion of the prosecuting or circuit attorney, make a finding that the offender is ineligible to earn compliance credits because the nature and circumstances of the offense or the history and character of the offender indicate that a longer term of probation, parole, or conditional release is necessary for the protection of the public or the guidance of the offender. The motion may be made any time prior to the first month in which the person may earn compliance credits under this section or at a hearing under subsection 5 of this section. The offender's ability to earn credits shall be suspended until the court or board makes its finding. If the court or board finds that the offender is eligible for earned compliance credits, the credits shall begin to accrue on the first day of the next calendar month following the issuance of the decision.

3. Earned compliance credits shall reduce the term of probation, parole, or conditional release by thirty days for each full calendar month of compliance with the terms of supervision. Credits shall begin to accrue for eligible offenders after the first full calendar month of supervision or on October 1, 2012, if the offender began a term of probation, parole, or conditional release before September 1, 2012.

4. For the purposes of this section, the term "compliance" shall mean the absence of an initial violation report or notice of citation submitted by a probation or parole officer during a calendar month, or a motion to revoke or motion to suspend filed by a prosecuting or circuit attorney, against the offender.

5. Credits shall not accrue during any calendar month in which a violation report, which may include a report of absconder status, has been submitted, the offender is in custody, or a motion to revoke or motion to suspend has been filed, and shall be suspended pending the outcome of a hearing, if a hearing is held. If no hearing is held, or if a hearing is held and the offender is continued under supervision, or the court or board finds that the violation did not occur, then the offender shall be deemed to be in compliance and shall begin earning credits on the first day of the next calendar month following the month in which the report was submitted or the motion was filed. If a hearing is held, all earned credits shall be rescinded if:

(1) The court or board revokes the probation or parole or the court places the offender in a department program under subsection 4 of section 559.036 or under section 217.785; or

(2) The offender is found by the court or board to be ineligible to earn compliance credits because the nature and circumstances of the violation indicate that a longer term of probation, parole, or conditional release is necessary for the protection of the public or the guidance of the offender.

Earned credits, if not rescinded, shall continue to be suspended for a period of time during which the court or board has suspended the term of probation, parole, or release, and shall begin to accrue on the first day of the next calendar month following the lifting of the suspension.

6. Offenders who are deemed by the division to be absconders shall not earn credits. For purposes of this subsection, "absconder" shall mean an offender under supervision whose whereabouts are unknown and who has left such offender's place of residency without the permission of the offender's supervising officer and without notifying of their whereabouts for the purpose of avoiding supervision. An offender shall no longer be deemed an absconder when such offender is available for active supervision.

7. Notwithstanding subsection 2 of section 217.730 to the contrary, once the combination of time served in custody, if applicable, time served on probation, parole, or conditional release, and earned compliance credits satisfy the total term of probation, parole, or conditional release, the board or sentencing court shall order final discharge of the offender, so long as the offender has completed restitution and at least two years of his or her probation, parole, or conditional release, which shall include any time served in custody under section 217.718 and sections 559.036 and 559.115.

8. The award or rescission of any credits earned under this section shall not be subject to appeal or any motion for postconviction relief.

9. At least twice a year, the division shall calculate the number of months the offender has remaining on his or her term of probation, parole, or conditional release, taking into consideration any earned compliance credits, and notify the offender of the length of the remaining term.

10. No less than sixty days before the date of final discharge, the division shall notify the sentencing court, the board, and, for probation cases, the circuit or prosecuting attorney of the impending discharge. If the sentencing court, the board, or the circuit or prosecuting attorney upon receiving such notice does not take any action under subsection 5 of this section, the offender shall be discharged under subsection 7 of this section.

11. Any offender who was sentenced prior to January 1, 2017, to an offense that was eligible for earned compliance credits under subsection 1 or 2 of this section at the time of sentencing shall

continue to remain eligible for earned compliance credits so long as the offender meets all the other requirements provided under this section.

12. The application of earned compliance credits shall be suspended upon entry into a treatment court, as described in sections 478.001 to 478.009, and shall remain suspended until the offender is discharged from such treatment court. Upon successful completion of treatment court, all earned compliance credits accumulated during the suspension period shall be retroactively applied, so long as the other terms and conditions of probation have been successfully completed.**]**"; and

Upon the filing of any special motion described in this subsection, all discovery shall be suspended pending a decision on the motion by the court and the exhaustion of all appeals regarding the special motion.

2. If the court finds that a special motion to dismiss or motion for summary judgment is frivolous or solely intended to cause unnecessary delay, the court shall award costs and reasonable attorney fees to the party prevailing on the motion.

3. Any party shall have the right to an expedited appeal from a trial court order on the special motions described in subsection 2 of this section or from a trial court's failure to rule on the motion on an expedited basis.

To meet such situations, it is the intention of the general assembly to confer emergency powers on the governor, acting through the director, and vesting the governor with adequate power and authority within the limitation of available funds in the Missouri disaster fund to meet any such emergency or disaster.

2. There is hereby established a fund to be known as the "Missouri Disaster Fund", to which the general assembly may appropriate funds and from which funds may be appropriated annually to the state emergency management agency. 8. The provisions of this section shall be liberally construed in order to accomplish the purposes of sections 44.010 to 44.130 and to permit the governor to cope adequately with any emergency which may arise, and the powers vested in the governor by this section shall be construed as being in addition to all other powers presently vested in the governor and not in derogation of any existing powers.

9. Such funds as may be made available by the government of the United States for the purpose of alleviating distress from disasters may be accepted by the state treasurer and shall be credited to the Missouri disaster fund, unless otherwise specifically provided in the act of Congress making such funds available.

Notwithstanding subsection 1 of this section, the supervisor of liquor control shall not prohibit persons from participating in the sale of intoxicating liquor within the scope of their employment solely on the basis of being found guilty of any felony offense, except for prohibitions set forth in sections 311.191 and 311.193.

311.680. 1. Whenever it shall be shown, or whenever the supervisor of liquor control has knowledge, that a person licensed hereunder has not at all times kept an orderly place or house, or has violated any of the provisions of this chapter, the supervisor of liquor control may warn, place on probation on such terms and conditions as the supervisor of liquor control deems appropriate for a period not to exceed twelve months, suspend or revoke the license of that person, but the person shall have ten days' notice of the application to warn, place on probation, suspend or revoke the person's license prior to the order of warning, probation, revocation or suspension issuing.

2. Any wholesaler licensed pursuant to this chapter in lieu of, or in addition to, the warning, probation, suspension or revocation authorized in subsection 1 of this section, may be assessed a civil penalty by the supervisor of liquor control of not less than one hundred dollars or more than twenty-five hundred dollars for each violation.

3. Any solicitor licensed pursuant to this chapter in lieu of the suspension or revocation authorized in subsection 1 of this section may be assessed a civil penalty or fine by the supervisor of liquor control of not less than one hundred dollars nor more than five thousand dollars for each violation.

4. Any retailer with less than five thousand occupant capacity licensed pursuant to this chapter in lieu of the suspension or revocation authorized by subsection 1 of this section may be assessed a civil penalty or fine by the supervisor of liquor control of not less than fifty dollars nor more than one thousand dollars for each violation.

5. Any retailer with five thousand or more occupant capacity licensed pursuant to this chapter in lieu of the suspension or revocation authorized by subsection 1 of this section, may be assessed a civil penalty or fine by the supervisor of liquor control of not less than fifty dollars nor more than five thousand dollars for each violation.

6. **(1) Upon notification by the Missouri gaming commission or a law enforcement agency of possession of a gambling device, as defined pursuant to section 572.010, by a person licensed pursuant to this chapter, the supervisor of liquor control shall suspend or revoke the license of such person on such terms and conditions as the supervisor of liquor control deems appropriate, provided such person shall be given ten days to remove such gambling device from the premises prior to the supervisor of liquor control taking action pursuant to this subsection. Upon a second or subsequent notification pursuant to this subsection of the possession of a gambling device by a person licensed pursuant to this chapter, the supervisor of liquor control shall not be required to give such person ten days to remove such gambling device from the premises prior to taking action pursuant to this subsection.**

(2) The supervisor of liquor control shall, by no later than August 15, 2022, provide written or

electronic notice to all persons licensed pursuant to this chapter informing such persons of the provisions of this subsection and section 311.720.

7. Any aggrieved person may appeal to the administrative hearing commission in accordance with section 311.691.

[7.**] 8.** In order to encourage the early resolution of disputes between the supervisor of liquor control and licensees, the supervisor of liquor control, prior to issuing an order of warning, probation, revocation, suspension, or fine, shall provide the licensee with the opportunity to meet or to confer with the supervisor of liquor control, or his or her designee, concerning the alleged violations. At least ten days prior to such meeting or conference, the supervisor shall provide the licensee with notice of the time and place of such meeting or conference, and the supervisor of liquor control shall also provide the licensee with a written description of the specific conduct for which discipline is sought, a citation of the law or rules allegedly violated, and, upon request, copies of any violation report or any other documents which are the basis for such action. Any order of warning, probation, revocation, suspension, or fine shall be effective no sooner than thirty days from the date of such order.

311.710. 1. In addition to the penalties and proceedings for suspension or revocation of licenses provided for in this chapter, and without limiting them, proceedings for the suspension or revocation of any license authorizing the sale of intoxicating liquor at retail may be brought in the circuit court of any county in this state, or in the City of St. Louis, in which the licensed premises are located and such proceedings may be brought by the sheriff or any peace officer of that county or by any eight or more persons who are taxpaying citizens of the county or city for any of the following offenses:

(1) Selling, giving or otherwise supplying intoxicating liquor to a habitual drunkard or to any person who is under or apparently under the influence of intoxicating liquor;

(2) Knowingly permitting any prostitute, degenerate, or dissolute person to frequent the licensed premises;

(3) Permitting on the licensed premises any disorderly conduct, breach of the peace, or any lewd, immoral or improper entertainment, conduct or practices;

(4) Selling, offering for sale, possessing or knowingly permitting the consumption on the licensed premises of any kind of intoxicating liquors, the sale, possession or consumption of which is not authorized under his or her license;

(5) Selling, giving, or otherwise supplying intoxicating liquor to any person under the age of twenty-one years;

(6) Selling, giving or otherwise supplying intoxicating liquors between the hours of 1:30 a.m. and 6:00 a.m. any day of the week**;**

(7) Permitting on the licensed premises any form of gambling device punishable under chapter 572.

2. Provided, that said taxpaying citizen shall submit in writing, under oath, by registered United States mail to the supervisor of alcohol and tobacco control a joint complaint, stating the name of the licensee, the name under which the licensee's business is conducted and the address of the licensed premises, setting out in general the character and nature of the offense or offenses charged, together with the names and addresses of the witnesses by whom proof thereof is expected to be made; and provided, that after a period of thirty

days after the mailing of such complaint to the supervisor of alcohol and tobacco control the person therein complained of shall not have been cited by the supervisor to appear and show cause why his or her license should not be suspended or revoked then they shall file with the circuit clerk of the county or city in which the premises are located a copy of the complaint on file with the supervisor of alcohol and tobacco control.

3. If, pursuant to the receipt of such complaint by the supervisor of alcohol and tobacco control, the licensee appears and shows cause why his or her license should not be suspended or revoked at a hearing held for that purpose by the supervisor and either the complainants or the licensee consider themselves aggrieved with the order of the supervisor then, after a request in writing by either the complainants or the licensee, the supervisor shall certify to the circuit clerk of the county or city in which the licensed premises are located a copy of the original complaint filed with him or her, together with a copy of the transcript of the evidence adduced at the hearing held by him or her. Such certification by the supervisor shall not act as a supersedeas of any order made by him or her.

4. Upon receipt of such complaint, whether from the complainant directly or from the supervisor of alcohol and tobacco control, the court shall set a date for an early hearing thereon and it shall be the duty of the circuit clerk to cause to be delivered by registered United States mail to the prosecuting attorney of the county or to the circuit attorney of the City of St. Louis and to the licensee copies of the complaint and he or she shall, at the same time, give notice of the time and place of the hearing. Such notice shall be delivered to the prosecuting attorney or to the circuit attorney and to the licensee at least fifteen days prior to the date of the hearing.

5. The complaint shall be heard by the court without a jury and if there has been a prior hearing thereon by the supervisor of alcohol and tobacco control then the case shall be heard de novo and both the complainants and the licensee may produce new and additional evidence material to the issues.

6. If the court shall find upon the hearing that the offense or offenses charged in the complaint have been established by the evidence, the court shall order the suspension or revocation of the license but, in so doing, shall take into consideration whatever order, if any, may have been made in the premises by the supervisor of alcohol and tobacco control. If the court finds that to revoke the license would be unduly severe, then the court may suspend the license for such period of time as the court deems proper.

7. The judgment of the court in no event shall be superseded or stayed during pendency of any appeal therefrom.

8. It shall be the duty of the prosecuting attorney or circuit attorney to prosecute diligently and without delay any such complaints coming to him or her by virtue of this section.

9. The jurisdiction herein conferred upon the circuit courts to hear and determine complaints for the suspension or revocation of licenses in the manner provided in this section shall not be exclusive and any authority conferred upon the supervisor of alcohol and tobacco control to revoke or suspend licenses shall remain in full force and effect, and the suspension or revocation of a license as provided in this section shall be in addition to and not in lieu of any other revocation or suspension provided by this chapter.

10. Costs accruing because of such hearings in the circuit court shall be taxed in the same manner as criminal costs.

311.720. Conviction in any court of any violation of this chapter, or any felony violation of chapter 195 **or chapter 572**, in the course of business, shall have the effect of automatically revoking the license of the person convicted, and such revocation shall continue operative until said case is finally disposed of, and if

the defendant is finally acquitted, he may apply for and receive a license hereunder, upon paying the regular license charge therefor, in the same manner as though he had never had a license hereunder; provided, however, that the provisions of this section shall not apply to violations of section 311.070, and violations of said section shall be punished only as therein provided.

313.004. 1. There is hereby created the "Missouri Gaming Commission" consisting of five members appointed by the governor, with the advice and consent of the senate. Each member of the Missouri gaming commission shall be a resident of this state. No member shall have pled guilty to or shall have been convicted of a felony or gambling-related offense. Not more than three members shall be affiliated with the same political party. No member of the commission shall be an elected official. The overall membership of the commission shall reflect experience in law enforcement, civil and criminal investigation and financial principles.

2. The initial members of the commission shall be appointed within thirty days of April 29, 1993. Of the members first appointed, one shall be appointed for a one-year term, two shall be appointed for a two-year term and two shall be appointed for a three-year term. Thereafter, all members appointed shall serve for a three-year term. No person shall serve as a member more than six years. The governor shall designate one of the members as the chair. The governor may remove any member of the commission from office for malfeasance or neglect of duty in office. The governor may also replace any member of the commission, with the advice and consent of the senate, when any responsibility concerning the state lottery, pari-mutuel wagering or any other form of gaming is placed under the jurisdiction of the commission.

3. The commission shall meet at least quarterly in accordance with its rules. In addition, special meetings may be called by the chair or any two members of the commission upon twenty-four-hour written notice to each member. No action of the commission shall be binding unless taken at a meeting at which at least three of the five members are present and shall vote in favor thereof.

4. The commission shall perform all duties and have all the powers and responsibilities conferred and imposed upon it relating to excursion gambling boats and, after June 30, 1994, the lawful operation of the game of bingo under this chapter. Within the commission, there shall be established a division of gambling and after June 30, 1994, the division of bingo. Subject to appropriations, the commission may hire an executive director and any employees as it may deem necessary to carry out the commission's duties. The commission shall have authority to require investigations of any employee or applicant for employment as deemed necessary and use such information or any other information in the determination of employment. The commission shall promulgate rules and regulations establishing a code of ethics for its employees which shall include, but not be limited to, restrictions on which employees shall be prohibited from participating in or wagering on any game or gaming operation subject to the jurisdiction of the commission. The commission shall determine if any other employees of the commission or any licensee of the commission shall participate or wager in any operation under the jurisdiction of the commission.

5. On April 29, 1993, all the authority, powers, duties, functions, records, personnel, property, matters pending and all other pertinent vestiges of the state tourism commission relating to the regulation of excursion gambling boats and, after June 30, 1994, of the department of revenue relating to the regulation of the game of bingo shall be transferred to the Missouri gaming commission.

6. The commission shall be assigned to the department of public safety as a type III division, but the director of the department of public safety has no supervision, authority or control over the actions or decisions of the commission.

7. Members of the Missouri gaming commission shall receive as compensation, the amount of one hundred dollars for every day in which the commission holds a meeting, when such meeting is subject to the recording of minutes as provided in chapter 610, and shall be reimbursed for reasonable expenses incurred in the performance of their duties. The chair shall receive as additional compensation one hundred dollars for each month such person serves on the commission in that capacity.

8. No member or employee of the commission shall be appointed or continue to be a member or employee who is licensed by the commission as an excursion gambling boat operator or supplier and no member or employee of the commission shall be appointed or continue to be a member or employee who is related to any person within the second degree of consanguinity or affinity who is licensed by the commission as an excursion gambling boat operator or supplier. The commission shall determine by rule and regulation appropriate restrictions on the relationship of members and employees of the commission to persons holding or applying for occupational licenses from the commission or to employees of any licensee of the commission. No peace officer, as defined by section 590.010, who is designated to have direct regulator authority related to excursion gambling boats shall be employed by any excursion gambling boat or supplier licensed by the commission while employed as a peace officer. No member or employee of the commission or any employee of the state attorney general's office or the state highway patrol who has direct authority over the regulation or investigation of any applicant or licensee of the commission or any peace officer of any city or county which has approved excursion boat gambling shall accept any gift or gratuity from an applicant or licensee while serving as a member or while under such employment. Any person knowingly in violation of the provisions of this subsection is guilty of a class A misdemeanor. Any such member, officer or employee who personally or whose prohibited relative knowingly violates the provisions of this subsection, in addition to the foregoing penalty, shall, upon conviction, immediately and thereupon forfeit his office or employment.

9. The commission may enter into agreements with the Federal Bureau of Investigation, the Federal Internal Revenue Service, the state attorney general**, the Missouri state highway patrol,** or any state, federal or local agency the commission deems necessary to carry out the duties of the commission**, including investigations relating to and the enforcement of the provisions of chapter 572 relating to illegal gambling**. No state agency shall count employees used in any agreements entered into with the commission against any personnel cap authorized by any statute. Any consideration paid by the commission for the purpose of entering into, or to carry out, any agreement shall be considered an administrative expense of the commission. When such agreements are entered into for responsibilities relating to excursion gambling boats, **or for the purpose of investigating illegal gambling pursuant to chapter 572 utilizing existing Missouri state highway patrol personnel assigned to enforce the regulations of licensed gaming activities governed by chapter 313,** the commission shall require excursion gambling boat licensees to pay for such services under rules and regulations of the commission. The commission may provide by rules and regulations for the offset of any prize or winnings won by any person making a wager subject to the jurisdiction of the commission, when practical, when such person has an outstanding debt owed the state of Missouri.

10. No person who has served as a member or employee of the commission, as a member of the general assembly, as an elected or appointed official of the state or of any city or county of this state in which the licensing of excursion gambling boats has been approved in either the city or county or both or any employee of the state highway patrol designated by the superintendent of the highway patrol or any employee of the state attorney general's office designated by the state attorney general to have direct regulatory authority related to excursion gambling boats shall, while in such office or during such

employment and during the first two years after termination of his office or position, obtain direct ownership interest in or be employed by any excursion gambling boat licensed by the commission or which has applied for a license to the commission or enter into a contractual relationship related to direct gaming activity. A "direct ownership interest" shall be defined as any financial interest, equitable interest, beneficial interest, or ownership control held by the public official or employee, or such person's family member related within the second degree of consanguinity or affinity, in any excursion gambling boat operation or any parent or subsidiary company which owns or operates an excursion gambling boat or as a supplier to any excursion gambling boat which has applied for or been granted a license by the commission, provided that a direct ownership interest shall not include any equity interest purchased at fair market value or equity interest received as consideration for goods and services provided at fair market value of less than one percent of the total outstanding shares of stock of any publicly traded corporation or certificates of partnership of any limited partnership which is listed on a regulated stock exchange or automated quotation system. Any person who knowingly violates the provisions of this subsection is guilty of a class E felony. Any such member, officer or employee who personally and knowingly violates the provisions of this subsection, in addition to the foregoing penalty, shall, upon conviction, immediately and thereupon forfeit his office or employment. For purposes of this subsection, "appointed official" shall mean any official of this state or of any city or county authorized under subsection 10 of section 313.812 appointed to a position which has discretionary powers over the operations of any licensee or applicant for licensure by the commission. This shall only apply if the appointed official has a direct ownership interest in an excursion gambling boat licensed by the commission or which has applied for a license to the commission to be docked within the jurisdiction of his or her appointment. No elected or appointed official, his or her spouse or dependent child shall, while in such office or within two years after termination of his or her office or position, be employed by an applicant for an excursion gambling boat license or an excursion gambling boat licensed by the commission. Any other person related to an elected or appointed official within the second degree of consanguinity or affinity employed by an applicant for an excursion gambling boat license or excursion gambling boat licensed by the commission shall disclose this relationship to the commission. Such disclosure shall be in writing and shall include who is employing such individual, that person's relationship to the elected or appointed official, and a job description for which the person is being employed. The commission may require additional information as it may determine necessary.

11. The commission may enter into contracts with any private entity the commission deems necessary to carry out the duties of the commission, other than criminal law enforcement, provision of legal counsel before the courts and other agencies of this state, and the enforcement of liquor laws. The commission may require provisions for special auditing requirements, investigations and restrictions on the employees of any private entity with which a contract is entered into by the commission.

12. Notwithstanding the provisions of chapter 610 to the contrary, all criminal justice records shall be available to any agency or commission responsible for licensing or investigating applicants or licensees applying to any gaming commission of this state.

13. (1) The commission shall establish a telephone contact number, which shall be prominently displayed on the commission's website, to receive reports of suspected illegal gambling activities. Upon the receipt of such report, the commission shall refer such reports to the Missouri state highway patrol for investigation pursuant to this section. The commission shall notify the subject of such investigation within thirty days of receiving a report under this subsection.

(2) The superintendent of the highway patrol shall initiate investigations of potential violations

punishable under chapter 572, including referrals made by the Missouri gaming commission pursuant to this section.

(3) Upon the request of a prosecuting or circuit attorney, the attorney general shall aid a prosecuting or circuit attorney in prosecuting violations referred by the superintendent of the highway patrol.

(4) Local law enforcement agencies shall notify the supervisor of liquor control, the state lottery commission, and the Missouri gaming commission of all investigations of potential violations punishable under chapter 572.

(5) The provisions of this subsection shall not preclude or hinder the ability of a local law enforcement agency to conduct investigations into potential violations punishable under chapter 572 or any other crime or criminal activity in its jurisdiction.

(6) Any person or establishment licensed under this chapter that is convicted of or pleads guilty to a violation punishable under chapter 572, and any affiliated company of such person or establishment, shall be permanently prohibited from being licensed to participate in any way in a program implementing video lottery gaming terminals should such a program be implemented in this state.

313.255. 1. The director shall issue, suspend, revoke, and renew licenses for lottery game retailers pursuant to rules and regulations adopted by the commission. Such rules shall specify that at least ten percent of all licenses awarded to lottery game retailers in constitutional charter cities not within a county and constitutional charter cities with a population of at least four hundred fifty thousand not located wholly within a county of the first class with a charter form of government shall be awarded to minority-owned and -controlled business enterprises. Licensing rules and regulations shall include requirements relating to the financial responsibility of the licensee, the accessibility of the licensee's place of business or activity to the public, the sufficiency of existing licenses to serve the public interest, the volume of expected sales, the security and efficient operation of the lottery, and other matters necessary to protect the public interest and trust in the lottery and to further the sales of lottery tickets or shares. Lottery game retailers shall be selected without regard to political affiliation.

2. The commission may sell lottery tickets at its office and at special events.

3. The commission shall require every retailer to post a bond, a bonding fee or a letter of credit in such amount as may be required by the commission, and upon licensure shall prominently display his license, or a copy thereof, as provided in the rules and regulations of the commission.

4. All licenses for lottery game retailers shall specify the place such sales shall take place.

5. A lottery game retailer license shall not be assignable or transferable.

6. A license shall be revoked upon a finding that the licensee:

(1) Has knowingly provided false or misleading information to the commission or its employees;

(2) Has been convicted of any felony; or

(3) Has endangered the security of the lottery.

7. A license may be suspended, revoked, or not renewed for any of the following causes:

(1) A change of business location;

(2) An insufficient sales volume;

(3) A delinquency in remitting money owed to the lottery; **[**or**]**

(4) Any violation of any rule or regulation adopted pursuant to this section by the commission**; or**

(5) Possession of a gambling device as defined pursuant to section 572.010."; and

Further amend said bill, page 44, section 407.475, line 18, by inserting after all of said line the following:

"572.010. As used in this chapter the following terms mean:

(1) "Advance gambling activity", a person advances gambling activity if, acting other than as a player, he or she engages in conduct that materially aids any form of gambling activity. Conduct of this nature includes but is not limited to conduct directed toward the creation or establishment of the particular game, lottery, contest, scheme, device or activity involved, toward the acquisition or maintenance of premises, paraphernalia, equipment or apparatus therefor, toward the solicitation or inducement of persons to participate therein, toward the actual conduct of the playing phases thereof, toward the arrangement or communication of any of its financial or recording phases, or toward any other phase of its operation. A person advances gambling activity if, having substantial proprietary control or other authoritative control over premises being used with his or her knowledge for purposes of gambling activity, he or she permits that activity to occur or continue or makes no effort to prevent its occurrence or continuation. The supplying, servicing and operation of a licensed excursion gambling boat under sections 313.800 to 313.840 does not constitute advancing gambling activity;

(2) "Bookmaking", advancing gambling activity by unlawfully accepting bets from members of the public as a business, rather than in a casual or personal fashion, upon the outcomes of future contingent events;

(3) "Contest of chance", any contest, game, gaming scheme or gaming device in which the outcome depends in a material degree upon an element of chance, notwithstanding that the skill of the contestants may also be a factor therein;

(4) "Gambling", a person engages in gambling when he or she stakes or risks something of value upon the outcome of a contest of chance or a future contingent event not under his or her control or influence, upon an agreement or understanding that he or she will receive something of value in the event of a certain outcome. Gambling does not include bona fide business transactions valid under the law of contracts, including but not limited to contracts for the purchase or sale at a future date of securities or commodities, and agreements to compensate for loss caused by the happening of chance, including but not limited to contracts of indemnity or guaranty and life, health or accident insurance; nor does gambling include playing an amusement device that confers only an immediate right of replay not exchangeable for something of value. Gambling does not include any licensed activity, or persons participating in such games which are covered by sections 313.800 to 313.840;

(5) "Gambling device", any device, machine, paraphernalia or equipment that is **not approved by the Missouri gaming commission or state lottery commission under the provisions of chapter 313 and that:**

(a) Contains a random number generator where prize payout percentages are controlled or adjustable;

(b) Is used in any scenario where coins or cash prizes are involved or any scenario where a prize is converted to cash or monetary credit of any kind related to the use of the gambling device; or

(c) Is used or usable in the playing phases of any gambling activity, whether that activity consists of gambling between persons or gambling by a person with a machine**, regardless of whether the machine or device or system or network of devices includes a preview of the outcome or whether the outcome is known, displayed, or capable of being known or displayed to the user;**

Any device not described in paragraphs (a) to (c) of this subdivision that a reasonable person would believe is usable or can be made readily usable in gambling or any phases of gambling activity shall be prima facia evidence of a gambling device and may be subject to seizure by any peace officer in this state. However, lottery tickets, policy slips and other items used in the playing phases of lottery and policy schemes are not gambling devices within this definition;

(6) "Gambling record", any article, instrument, record, receipt, ticket, certificate, token, slip or notation used or intended to be used in connection with unlawful gambling activity;

(7) "Lottery" or "policy", an unlawful gambling scheme in which for a consideration the participants are given an opportunity to win something of value, the award of which is determined by chance;

(8) "Player", a person who engages in any form of gambling solely as a contestant or bettor, without receiving or becoming entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct or operation of the particular gambling activity. A person who gambles at a social game of chance on equal terms with the other participants therein does not otherwise render material assistance to the establishment, conduct or operation thereof by performing, without fee or remuneration, acts directed toward the arrangement or facilitation of the game, such as inviting persons to play, permitting the use of premises therefor and supplying cards or other equipment used therein. A person who engages in "bookmaking" as defined in subdivision (2) of this section is not a player;

(9) "Professional player", a player who engages in gambling for a livelihood or who has derived at least twenty percent of his or her income in any one year within the past five years from acting solely as a player;

(10) "Profit from gambling activity", a person profits from gambling activity if, other than as a player, he or she accepts or receives money or other property pursuant to an agreement or understanding with any person whereby he participates or is to participate in the proceeds of gambling activity;

(11) "Slot machine", a gambling device that as a result of the insertion of a coin or other object operates, either completely automatically or with the aid of some physical act by the player, in such a manner that, depending upon elements of chance, **from the perspective of a player or a reasonable person,** it may eject something of value**, regardless of whether the machine or device or system or network of devices includes a preview of the outcome or whether the outcome is known, displayed, or capable of being known or displayed to the user**. A device so constructed or readily adaptable or convertible to such use is no less a slot machine because it is not in working order or because some mechanical act of manipulation or repair is required to accomplish its adaptation, conversion or workability. Nor is it any less a slot machine because apart from its use or adaptability as such it may also sell or deliver something of value on a basis other than chance;

(12) "Something of value", any money or property, any token, object or article exchangeable for money or property, or any form of credit or promise directly or indirectly contemplating transfer of money or property or of any interest therein or involving extension of a service, entertainment or a privilege of playing at a game or scheme without charge;

(13) "Unlawful", not specifically authorized by law.

572.015. **1.** Nothing in this chapter prohibits constitutionally authorized activities under Article III, Sections 39(a) to 39(f) of the Missouri Constitution.

2. For the purposes of this section and Article III, Section 39(f) of the Missouri Constitution, the following terms shall mean:

(1) "Net proceeds", the gross amount paid for tickets for a raffle or sweepstakes minus the payment of prizes and administrative expenses. Administrative expenses relating to the purchase or rental of supplies and equipment utilized in conducting the raffle or sweepstakes shall not be in excess of the reasonable market purchase price or reasonable market rental rate for such supplies and equipment, and in no case shall such administrative expenses be based on a percentage of proceeds;

(2) "Raffle" or "sweepstakes", the award by chance of one or more prizes to one or more persons among a group of persons who have paid or promised something of value in exchange for a ticket that represents one or more equal chances to win a prize, and for which all tickets have been sold prior to the selection of a winner or winners;

(3) "Sponsor", the offering of a raffle or sweepstakes by an organization recognized as charitable or religious pursuant to federal law in which the entire net proceeds of such raffle or sweepstakes shall be exclusively devoted to the lawful purposes of the organization permitted to conduct the raffle or sweepstakes.

572.100. The general assembly by enacting this chapter intends to preempt any other regulation of the area covered by this chapter. No governmental subdivision or agency may enact or enforce a law that regulates or makes any conduct in the area covered by this chapter an offense, or the subject of a criminal or civil penalty or sanction of any kind**, except for the revocation, suspension, or denial by the Missouri lottery commission, the Missouri gaming commission, or the division of alcohol and tobacco control of a license issued under chapter 311 or 313**. The term "gambling", as used in this chapter, does not include licensed activities under sections 313.800 to 313.840."; and

Further amend said bill, page 66, section 620.3930, line 123, by inserting after all of said line the following:

"Section B. Because of the need to eliminate illegal gambling activity in this state, the repeal and reenactment of sections 311.660, 311.680, 311.710, 311.720, 313.004, 313.255, 572.010, 572.015, and 572.100 of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the repeal and reenactment of sections 311.660, 311.680, 311.710, 311.720, 313.004, 313.255, 572.010, 572.015, and 572.100 of this act shall be in full force and effect upon its passage and approval."; and

Further amend the title and enacting clause accordingly.

Senator Schatz moved that the above amendment be adopted.

Senator Onder raised the point of order that **SA 5** is out of order as it goes beyond the scope of the underlying bill.

The point of order was referred to the Committee on Parliamentary Procedure.

On behalf of the Parliamentary Committee, Senator Rizzo ruled that the point of order was not well taken.

At the request of Senator Schatz, **SA 5** was withdrawn.

Senator Beck offered **SA 6**:

SENATE AMENDMENT NO. 6

Amend Senate Substitute for House Committee Substitute for House Bill No. 2587, Page 8, Section 130.029, Line 46, by inserting after all of said line the following:

"**135.1620. 1. As used in this section, the following terms mean:**

(1) "Department", the Missouri department of economic development;

(2) "Eligible expenses", expenses incurred in the construction or development of real property for the purpose of establishing a full-service grocery store in a food desert;

(3) "Food desert", a census tract that has a poverty rate of at least twenty percent or a median family income of less than eighty percent of the statewide average and where at least five hundred people or thirty-three percent of the population are located at least one-half mile away from a full-service grocery store in urbanized areas or at least three miles away in rural areas;

(4) "Full-service grocery store", a grocery store that provides a full complement of healthful fruits, vegetables, grains, meat, and dairy products along with household items. Fresh fruits and vegetables shall be available for sale in quantities that are substantially similar to industry standards for facilities of similar size. A lack of availability of fresh fruits and vegetables in sufficient quantities due to a supply shortage, as determined by the department, shall not disqualify an entity from being a full-service grocery store otherwise eligible for tax credits pursuant to this section;

(5) "New location", a full-service grocery store facility located on a tract of real property within a food desert acquired by or leased to a taxpayer on or after January 1, 2023. A location shall be deemed to have been acquired by or leased to a taxpayer on or after January 1, 2023, if the transfer of title to the taxpayer, the transfer of possession under a binding contract to transfer title to the taxpayer, or the commencement of the term of the lease to the taxpayer occurs on or after January 1, 2023, or if the commencement of the construction or installation of the facility by or on behalf of a taxpayer occurs on or after January 1, 2023;

(6) "Rural area", a town or community within the state that is not within a metropolitan statistical area and has a population of fifty thousand or fewer inhabitants as determined by the last preceding federal decennial census or any unincorporated area not within a metropolitan statistical area;

(9) "Urbanized area", an urbanized area as designated by the United States Census Bureau.

2. For all tax years beginning on or after January 1, 2023, a taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty percent of the taxpayer's eligible expenses that are in excess of initial eligible expenses of:

(1) One million dollars if the full-service grocery store is established in a charter county, a county of the first classification, or a city not within a county; or

(2) Five hundred thousand dollars if the full-service grocery store is established in any other county.

3. (1) In order to claim a tax credit pursuant to this section, a taxpayer shall submit an application to the department, which shall include:

5. Tax credits issued under the provisions of this section may be transferred, sold, or assigned.

6. (1) The issuance of tax credits authorized under this section shall cease and the department shall recoup from the taxpayer and deposit in the general revenue fund an amount equal to all credits previously issued to the taxpayer under this section, less any amounts previously repaid, increased by the amount of interest that would have been earned on the amount of such tax credits, in the event that the taxpayer:

(a) Fails to complete construction of a full-service grocery store within five years of the commencement of the project; or

(b) Fails to operate a full-service grocery store at the same new location for at least ten consecutive years.

(2) A taxpayer shall annually submit a report to the department, on a form to be developed by the department, indicating that the taxpayer is in compliance with the provisions of this section.

7. The department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

SENATE AMENDMENT NO. 8

Amend Senate Substitute for House Committee Substitute for House Bill No. 2587, Page 7, Section

89.500, Line 28, by inserting after all of said line the following:

"105.145. 1. The following definitions shall be applied to the terms used in this section:

(1) "Governing body", the board, body, or persons in which the powers of a political subdivision as a body corporate, or otherwise, are vested;

(2) "Political subdivision", any agency or unit of this state, except counties and school districts, which now is, or hereafter shall be, authorized to levy taxes or empowered to cause taxes to be levied.

2. The governing body of each political subdivision in the state shall cause to be prepared an annual report of the financial transactions of the political subdivision in such summary form as the state auditor shall prescribe by rule, except that the annual report of political subdivisions whose cash receipts for the reporting period are ten thousand dollars or less shall only be required to contain the cash balance at the beginning of the reporting period, a summary of cash receipts, a summary of cash disbursements and the cash balance at the end of the reporting period.

3. Within such time following the end of the fiscal year as the state auditor shall prescribe by rule, the governing body of each political subdivision shall cause a copy of the annual financial report to be remitted to the state auditor.

4. The state auditor shall immediately on receipt of each financial report acknowledge the receipt of the report.

5. In any fiscal year no member of the governing body of any political subdivision of the state shall receive any compensation or payment of expenses after the end of the time within which the financial statement of the political subdivision is required to be filed with the state auditor and until such time as the notice from the state auditor of the filing of the annual financial report for the fiscal year has been received.

6. The state auditor shall prepare sample forms for financial reports and shall mail the same to the political subdivisions of the state. Failure of the auditor to supply such forms shall not in any way excuse any person from the performance of any duty imposed by this section.

7. All reports or financial statements hereinabove mentioned shall be considered to be public records.

8. The provisions of this section apply to the board of directors of every transportation development district organized under sections 238.200 to 238.275.

9. Any political subdivision that fails to timely submit a copy of the annual financial statement to the state auditor shall be subject to a fine of five hundred dollars per day.

10. The state auditor shall report any violation of subsection 9 of this section to the department of revenue. Upon notification from the state auditor's office that a political subdivision failed to timely submit a copy of the annual financial statement, the department of revenue shall notify such political subdivision by certified mail that the statement has not been received. Such notice shall clearly set forth the following:

(1) The name of the political subdivision;

(2) That the political subdivision shall be subject to a fine of five hundred dollars per day if the political subdivision does not submit a copy of the annual financial statement to the state auditor's office within thirty days from the postmarked date stamped on the certified mail envelope;

(3) That the fine will be enforced and collected as provided under subsection 11 of this section; and

(4) That the fine will begin accruing on the thirty-first day from the postmarked date stamped on the certified mail envelope and will continue to accrue until the state auditor's office receives a copy of the financial statement.

In the event a copy of the annual financial statement is received within such thirty-day period, no fine shall accrue or be imposed. The state auditor shall report receipt of the financial statement to the department of revenue within ten business days. Failure of the political subdivision to submit the required annual financial statement within such thirty-day period shall cause the fine to be collected as provided under subsection 11 of this section.

11. The department of revenue may collect the fine authorized under the provisions of subsection 9 of this section by offsetting any sales or use tax distributions due to the political subdivision. The director of revenue shall retain two percent for the cost of such collection. The remaining revenues collected from such violations shall be distributed annually to the schools of the county in the same manner that proceeds for all penalties, forfeitures, and fines collected for any breach of the penal laws of the state are distributed.

12. Any **[**transportation development district organized under sections 238.200 to 238.275 having**]** **political subdivision that has** gross revenues of less than five thousand dollars **or that has not levied or collected sales or use taxes** in the fiscal year for which the annual financial statement was not timely filed shall not be subject to the fine authorized in this section.

13. If a failure to timely submit the annual financial statement is the result of fraud or other illegal conduct by an employee or officer of the political subdivision, the political subdivision shall not be subject to a fine authorized under this section if the statement is filed within thirty days of the discovery of the fraud or illegal conduct. If a fine is assessed and paid prior to the filing of the statement, the department of revenue shall refund the fine upon notification from the political subdivision.

14. If a political subdivision has an outstanding balance for fines or penalties at the time it files its first annual financial statement after January 1, 2022, the director of revenue shall make a one-time downward adjustment to such outstanding balance in an amount that reduces the outstanding balance by no less than ninety percent.

15. The director of revenue shall have the authority to make a one-time downward adjustment to any outstanding penalty imposed under this section on a political subdivision if the director determines the fine is uncollectable. The director of revenue may prescribe rules and regulations necessary to carry out the provisions of this subsection. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void."; and

"415.415. 1. The operator of a self-service storage facility has a lien on all personal property stored within each leased space for rent, labor, or other charges, and for expenses reasonably incurred in sale of such personal property, as provided in sections 415.400 to 415.425. The lien established by this subsection shall have priority over all other liens except those liens that have been perfected and recorded on personal property. The rental agreement shall contain a statement, in bold type, advising the occupant of the existence of such lien and that property stored in the leased space may be sold to satisfy such lien if the occupant is in default, and that any proceeds from the sale of the property which remain after satisfaction of the lien will be paid to the state treasurer if unclaimed by the occupant within one year after the sale of the property.

2. If the occupant is in default for a period of more than forty-five days, the operator may enforce the lien granted in subsection 1 of this section and sell the property stored in the leased space for cash. Sale of the property stored on the premises may be done at a public or private sale, may be done as a unit or in parcels, or may be by way of one or more contracts, and may be at any time or place and on any terms as long as the sale is done in a commercially reasonable manner in accordance with the provisions of section 400.9-627. The operator may otherwise dispose of any property which has no commercial value.

3. The proceeds of any sale made under this subsection shall be applied to satisfy the lien, with any surplus being held for delivery on demand to the occupant or any other lienholders which the operator knows of or which are contained in the statement filed by the occupant pursuant to subsection 3 of section 415.410 for a period of one year after receipt of proceeds of the sale and satisfaction of the lien. No proceeds shall be paid to an occupant until such occupant files a sworn affidavit with the operator stating that there are no other valid liens outstanding against the property sold and that he or she, the occupant, shall indemnify the operator for any damages incurred or moneys paid by the operator due to claims arising from other lienholders of the property sold. After the one-year period set in this subsection, any proceeds remaining after satisfaction of the lien shall be considered abandoned property to be reported and paid to the state treasurer in accordance with laws pertaining to the disposition of unclaimed property.

4. Before conducting a sale under subsection 2 of this section, the operator shall:

(1) At least forty-five days before any disposition of property under this section, which shall run concurrently with subsection 2 of this section, notify the occupant and each lienholder which is contained in any statement filed by the occupant pursuant to subsection 3 of section 415.410 of the default by first-class mail or electronic mail at the occupant's or lienholder's last known address, and shall notify any third-party owner identified by the occupant pursuant to subsection 3 of section 415.410;

(2) No sooner than ten days after mailing the notice required in subdivision (1) of this subsection, mail a second notice of default, by verified mail or electronic mail, to the occupant at the occupant's or lienholder's last known address, which notice shall include:

(a) A statement that the contents of the occupant's leased space are subject to the operator's lien;

(b) A statement of the operator's claim, indicating the charges due on the date of the notice, the amount of any additional charges which shall become due before the date of release for sale and the date those

additional charges shall become due;

(c) A demand for payment of the charges due within a specified time, not less than ten days after the date on which the second notice was mailed;

(d) A statement that unless the claim is paid within the time stated, the contents of the occupant's space will be sold after a specified time; and

(e) The name, street address and telephone number of the operator, or a designated agent whom the occupant may contact, to respond to the notice;

(3) At least seven days before the sale, advertise the time, place and terms of the sale in **the classified section of** a newspaper of general circulation in the jurisdiction where the sale is to be held **or in any other commercially reasonable manner. The manner of advertisement shall be deemed commercially reasonable if at least three independent bidders attend or view the sale at the time and place advertised**. **[**Such advertisement shall be in the classified section of the newspaper and shall state that the items will be released for sale.**]**

5. If the property is a vehicle, watercraft, or trailer and rent and other charges remain unpaid for sixty days, the owner may treat the vehicle, watercraft, or trailer as an abandoned vehicle and have the vehicle, watercraft, or trailer towed from the self-service storage facility. When the vehicle, watercraft, or trailer is towed from the self-service storage facility, the owner shall not be liable for the vehicle, watercraft, or trailer for any damages to the motor vehicle, watercraft, or trailer once the tower takes possession of the property.

6. At any time before a sale under this section, the occupant may pay the amount necessary to satisfy the lien and redeem the occupant's personal property."; and

Further amend the title and enacting clause accordingly.

SENATE AMENDMENT NO. 13

Amend Senate Substitute for House Committee Substitute for House Bill No. 2587, Page 8, Section

130.029, Line 46, by inserting after all of said line the following:

"137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the City of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in subsection 3 of this section and section 137.078, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. **Beginning January 1, 2023, in any county with more than four hundred thousand but fewer than five hundred thousand inhabitants, all personal property in such county shall be annually assessed at a percent of its true value in money as of January first of each calendar year as follows:**

(1) A political subdivision shall annually reduce the percentage of true value in money at which personal property is assessed pursuant to this subsection such that the amount by which the revenue generated by taxes levied on such personal property is substantially equal to one hundred percent of the growth in revenue generated by real property assessment growth. Annual reductions shall be made pursuant to this subdivision until December 31, 2073. Thereafter, the percentage of true value in money at which personal property is assessed shall be equal to the percentage in effect on December 31, 2073.

(2) The provisions of subdivision (1) of this subsection shall not be construed to relieve a political subdivision from adjustments to property tax levies as required by section 137.073.

(3) For the purposes of subdivision (1) of this subsection, "real property assessment growth" shall mean the growth in revenue from increases in the total assessed valuation of all real property in a political subdivision over the revenue generated from the assessed valuation of such real property from the previous calendar year. Real property assessment growth shall not include any revenue in excess of the percent increase in the consumer price index, as described in subsection 2 of section 137.073.

(4) Notwithstanding the provisions of subdivisions (1) to (4) of this subsection to the contrary, for the purposes of the tax levied pursuant to Article III, Section 38(b) of the Missouri Constitution, all personal property shall be assessed at thirty-three and one-third percent of its true value in money as of January first of each calendar year.

2. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection **[**5**]** **6** of this section. The true value in money of any possessory interest in real property in subclass (3), where such real property is on or lies within the ultimate airport boundary as shown by a federal airport layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR Part 139 certification and owned by a political subdivision, shall be the otherwise applicable true value in money of any such possessory interest in real property, less the total dollar amount of costs paid by a party, other than the political subdivision, towards any new construction or improvements on such real property completed after January 1, 2008, and which are included in the above-mentioned possessory interest, regardless of the year in which such costs were incurred or whether such costs were considered in any prior year. The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the

preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this subdivision, the word "comparable" means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

[2.**]** **3.** Assessors in each county of this state and the City of St. Louis may send personal property assessment forms through the mail.

[3.**]** **4.** The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percentages of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles

pursuant to section 301.131 and aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than two hundred hours per year or aircraft that are home built from a kit, five percent;

(5) Poultry, twelve percent; and

(6) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (7) of section 135.200, twenty-five percent.

[4.**]** **5.** The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

[5.**]** **6.** (1) All subclasses of real property, as such subclasses are established in Section 4(b) of Article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(a) For real property in subclass (1), nineteen percent;

(b) For real property in subclass (2), twelve percent; and

(c) For real property in subclass (3), thirty-two percent.

(2) A taxpayer may apply to the county assessor, or, if not located within a county, then the assessor of such city, for the reclassification of such taxpayer's real property if the use or purpose of such real property is changed after such property is assessed under the provisions of this chapter. If the assessor determines that such property shall be reclassified, he or she shall determine the assessment under this subsection based on the percentage of the tax year that such property was classified in each subclassification.

[6.**]** **7.** Manufactured homes, as defined in section 700.010, which are actually used as dwelling units shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. For purposes of this section, a manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. For purposes of this section, a manufactured home located on real estate owned by the manufactured home owner may be considered real property.

[7.**]** **8.** Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015 and assessed as a realty improvement to the existing real estate parcel.

[8.**]** **9.** Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015, in which case the amount

of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

[9.**]** **10.** The assessor of each county and each city not within a county shall use the trade-in value published in the October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. The assessor shall not use a value that is greater than the average trade-in value in determining the true value of the motor vehicle without performing a physical inspection of the motor vehicle. For vehicles two years old or newer from a vehicle's model year, the assessor may use a value other than average without performing a physical inspection of the motor vehicle. In the absence of a listing for a particular motor vehicle in such publication, the assessor shall use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle.

[10.**]** **11.** Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

[11.**]** **12.** If a physical inspection is required, pursuant to subsection **[**10**]** **11** of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

[12.**]** **13.** A physical inspection, as required by subsection **[**10**]** **11** of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection **[**11**]** **12** of this section. Mere observation of the property via a drive-by inspection or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

[13.**]** **14.** A county or city collector may accept credit cards as proper form of payment of outstanding property tax or license due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank, processor, or issuer for its service. A county or city collector may accept payment by electronic transfers of funds in payment of any tax or license and charge the person making such payment a fee equal to the fee charged the county by the bank, processor, or issuer of such electronic payment.

[14.**]** **15.** Any county or city not within a county in this state may, by an affirmative vote of the governing body of such county, opt out of the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of the general reassessment, prior to January first of any year. A governing body of a city not within a county or a county that has opted out under the provisions of this subsection may choose to implement the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session, and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of general reassessment, by an affirmative vote of the governing body prior to December thirty-first of any year.

A community-based faculty preceptor may add together the amounts of preceptorship instruction time separately provided to multiple students in determining whether he or she has reached the minimum hours required under this subdivision, but the total preceptorship instruction time provided shall equal at least one hundred twenty hours in order for such preceptor to be eligible for the tax credit authorized under this section;

(7) "Physician assistant student", an individual participating in a Missouri physician assistant program accredited by the Accreditation Review Commission on Education for the Physician Assistant or its successor organization;

(2) To receive the credit allowed by this section, a community-based faculty preceptor shall claim such credit on his or her return for the tax year in which he or she completes the preceptorship rotations and shall submit supporting documentation as prescribed by the division and the department.

(3) In no event shall the total amount of a tax credit authorized under this section exceed a taxpayer's income tax liability for the tax year for which such credit is claimed. The cumulative amount of tax credits awarded under this section shall not exceed two hundred thousand dollars per year.

Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the medical preceptor fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

(b) Notwithstanding any provision of this chapter or any other provision of law to the contrary, all revenue from the license fee increases described under subdivision (1) of this subsection shall be deposited in the medical preceptor fund. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void."; and

(k) Any other required information as determined by the regulatory relief office.

2. An applicant shall remit to the regulatory relief office an application fee of three hundred dollars per application for each innovative offering. Such application fees shall be used by the regulatory relief office solely for the purpose of implementing the provisions of sections 620.3900 to 620.3930.

3. An applicant shall file a separate application for each innovative offering that the applicant wishes to demonstrate.

4. An applicant for the sandbox program may contact the regulatory relief office to request a consultation regarding the sandbox program before submitting an application. The regulatory relief office may provide assistance to an applicant in preparing an application for submission.

(4) An applicable agency may request an additional ten business days to deliver the written report required by subdivision (3) of this subsection by providing notice to the sandbox program director, which request shall automatically be granted. An applicable agency may request only one extension per application. The sandbox program director may also provide an additional extension to the applicable agency for cause.

(5) If an applicable agency recommends an applicant under this section be denied entrance into the sandbox program, the written report required by subdivision (3) of this subsection shall include a description of the reasons for such recommendation, including the reason a temporary waiver or suspension of the relevant laws or regulations would potentially significantly harm the health, safety, or financial well-being of consumers or the public and the assessed likelihood of such harm occurring.

(6) If an applicable agency determines that the consumer's or public's health, safety, or financial well-being can be protected through less restrictive means than the existing relevant laws or regulations, the applicable agency shall provide a recommendation of how that can be achieved.

(7) If an applicable agency fails to deliver the written report required by subdivision (3) of this subsection, the sandbox program director shall provide a final notice to the applicable agency for delivery of the written report. 6. (1) Notwithstanding any provision of this section to the contrary, an applicable agency may, by written notice to the regulatory relief office:

(a) Reject an application, provided such rejection occurs within forty-five days after the day on which the applicable agency receives a complete application for review, or within fifty days if an extension has been requested by the applicable agency, if the applicable agency determines, in the applicable agency's sole discretion, that the applicant's offering fails to comply with standards or specifications:

a. Required by federal rule or regulation; or

b. Previously approved for use by a federal agency; or

(b) Reject an application preliminarily approved by the regulatory relief office, if the applicable agency:

a. Recommends rejection of the application in the applicable agency's written report submitted pursuant to subdivision (3) of subsection 5 of this section; and

b. Provides in the written report submitted pursuant to subdivision (3) of subsection 5 of this section a description of the applicable agency's reasons approval of the application would create a substantial risk of harm to the health or safety of the public, or create unreasonable expenses for taxpayers in the state.

7. (1) The sandbox program director shall provide all applications and associated written reports to the advisory committee upon receiving a written report from an applicable agency.

(2) The applicant's plan will adequately protect consumers from potential harm identified by an applicable agency in the applicable agency's written report;

(3) The risk of harm to consumers is outweighed by the potential benefits to consumers from the applicant's participation in the sandbox program; and

(4) Certain state laws or regulations that regulate an innovative offering should not be waived or suspended even if the applicant is approved as a sandbox participant, including applicable anti-fraud or disclosure provisions.

10. An applicant shall become a sandbox participant if the regulatory relief office approves the application for the sandbox program and enters into a written agreement with the applicant describing the specific laws and regulations that are waived or suspended as part of participation in the sandbox program. Notwithstanding any other provision of this section to the contrary, the regulatory relief office shall not enter into a written agreement with an applicant that exempts the applicant from any income, property, or sales tax liability unless such applicant otherwise qualifies for an exemption from such tax.

11. (1) The sandbox program director may deny at his or her sole discretion any application submitted under this section for any reason, including if the sandbox program director determines that the preponderance of evidence demonstrates that suspending or waiving enforcement of a law or regulation would cause significant risk of harm to consumers or residents of the state.

(2) If the sandbox program director denies an application submitted under this section, the regulatory relief office shall provide to the applicant a written description of the reasons for not allowing the applicant to become a sandbox participant.

(3) The denial of an application submitted under this section shall not be subject to judicial or administrative review.

(4) The acceptance or denial of an application submitted under this section may be overridden by an affirmative vote of a two-thirds majority of the advisory committee at the discretion of the advisory committee, provided such vote shall take place within fifteen business days of the sandbox program director's decision. Notwithstanding any other provision of this section to the contrary, the advisory committee shall not override a rejection made by an applicable agency.

12. When an applicant is approved for participation in the sandbox program, the sandbox program director may provide notice of the approval to competitors of the applicant and to the general public.

13. Applications to participate in the sandbox program shall be considered public records for the purposes of chapter 610, provided, however, that any information contained in such applications that constitutes proprietary or confidential trade secrets shall not be subject to disclosure pursuant to chapter 610."; and

2. An innovative offering that is demonstrated within the sandbox program shall only be available to consumers who are residents of Missouri or of another state. No law or regulation shall be waived or suspended if waiving or suspending such law or regulation would prevent a consumer from seeking restitution in the event that the consumer is harmed.

3. Nothing in sections 620.3900 to 620.3930 shall restrict a sandbox participant that holds a license or other authorization in another jurisdiction from acting in accordance with such license or other authorization in that jurisdiction.

(2) A prosecutor shall not file or pursue charges pertaining to any action related to a law or regulation identified in the written agreement between the regulatory relief office and the sandbox participant that occurs during the demonstration period.

(3) A state agency shall not file or pursue any punitive action against a sandbox participant, including a fine or license suspension or revocation, for the violation of a law or regulation that is identified as being waived or suspended in the written agreement between the regulatory relief office and the sandbox participant that occurs during the demonstration period.

6. Notwithstanding any provision of this section to the contrary, a sandbox participant shall not have immunity related to any criminal offense committed during the sandbox participant's participation in the sandbox program.

7. All moneys remaining in the fund at the end of any fiscal year shall not lapse to the general revenue fund, as provided in section 33.080, but shall remain in the fund.

Disapproval of any training project shall be made in writing and state the reasons for such disapproval. employees. Payments for on-the-job training shall not exceed the average of fifty percent of the total wages paid by the qualified company to each participant during the period of training. Payment for on-the-job training may continue for up to six months from the date the training begins;

(4) A provision which fixes the minimum amount of new or retained jobs credits, **or both, whichever is applicable,** general revenue fund appropriations, or tuition and fee payments which shall be paid for training project costs; and

(5) Any payment required to be made by a qualified company. This payment shall constitute a lien upon the qualified company's business property until paid, shall have equal priority with ordinary taxes and shall not be divested by a judicial sale. Property subject to such lien may be sold for sums due and delinquent at a tax sale, with the same forfeitures, penalties, and consequences as for the nonpayment of ordinary taxes. The purchasers at a tax sale shall obtain the property subject to the remaining payments.

[5.**] 6.** (1) For projects that are funded exclusively under paragraph (a) **or (b)** of subdivision (1) of subsection **[**4**] 5** of this section, the department shall disburse such funds to the special fund for each training project in the same proportion as the new jobs or retained jobs credits remitted by the qualified company participating in such project bears to the total new jobs or retained jobs credits from withholding remitted by all qualified companies participating in projects during the period for which the disbursement is made.

(1) New or retained jobs credit shall be based upon the wages paid to the employees in the new or retained jobs;

(2) A portion of the total payments made by the qualified companies under sections 143.191 to 143.265 shall be designated as the new or retained jobs credit**, or both, whichever is applicable,** from withholding. Such portion shall be an amount equal to two and one-half percent of the gross wages paid by the qualified company for each of the first one hundred jobs included in the project and one and one-half percent of the gross wages paid by the qualified company for each of the remaining jobs included in the project. If business or employment conditions cause the amount of the new or retained jobs credit**, or both, whichever is applicable,** from withholding to be less than the amount projected in the agreement for any time period, then other withholding tax paid by the qualified company under sections 143.191 to 143.265 shall be credited to the applicable fund by the amount of such difference. The qualified company shall remit the amount of the new or retained jobs credit**, or both, whichever is applicable,** to the department of revenue in the manner prescribed in sections 143.191 to 143.265. When all training **[**program**]** **project** costs have been paid, the new or retained jobs credits**, or both, whichever is applicable,** shall cease;

(4) Any disbursement for training project costs received from the department under sections 620.800 to 620.809 and deposited into the training project's special fund may be irrevocably pledged by a community college district for the payment of the principal, premium, and interest on the certificate issued by a community college district to finance or refinance, in whole or in part, such training project;

(5) The qualified company shall certify to the department of revenue that the new or retained jobs credit**, or both, whichever is applicable,** is in accordance with an agreement and shall provide other information the department of revenue may require;

(6) An employee participating in a training project shall receive full credit under section 143.211 for the amount designated as a new or retained jobs credit;

(7) If an agreement provides that all or part of training **[**program**]** **project** costs are to be met by receipt of new or retained jobs credit, **or both, whichever is applicable,** the provisions of this subsection shall also apply to any successor to the original qualified company until the principal and interest on the certificates have been paid.

[8.**]** **9.** To provide funds for the present payment of the training project costs **[**of new or retained jobs training project**]** through the **[**training**]** **Missouri one start** program **as provided in this section**, a

community college district may borrow money and issue and sell certificates payable from a sufficient portion of the future receipts of payments authorized by the agreement including disbursements from the **[**Missouri one start community college new jobs training fund or the Missouri one start community college job retention training fund**]** **funds established under this section**, to the special fund established by the community college district for each **training** project. The refunding certificates may be exchanged in payment and discharge of the certificates being refunded, in installments at different times or an entire issue or series at one time. Refunding certificates may be sold or exchanged at any time on, before, or after the maturity of the outstanding certificates to be refunded. They may be issued for the purpose of refunding a like, greater, or lesser principal amount of certificates and may bear a rate of interest that is higher, lower, or equivalent to that of the certificates being renewed or refunded.

[10.**]** **11.** Before certificates are issued, the board of trustees shall publish once a notice of its intention to issue the certificates, stating the amount, the purpose, and the project or projects for which the certificates are to be issued. A person with standing may, within fifteen days after the publication of the notice, by action in the circuit court of a county in the district, appeal the decision of the board of trustees to issue the certificates. The action of the board of trustees in determining to issue the certificates shall be final and conclusive unless the circuit court finds that the board of trustees has exceeded its legal authority. An action shall not be brought which questions the legality of the certificates, the power of the board of trustees to issue the certificates, the effectiveness of any proceedings relating to the authorization of the project, or the authorization and issuance of the certificates from and after fifteen days from the publication of the notice of intention to issue.

[11.**]** **12.** The board of trustees shall make a finding based on information supplied by the qualified company that revenues provided in the agreement are sufficient to secure the faithful performance of obligations in the agreement.

[12.**]** **13.** Certificates issued under this section shall not be deemed to be an indebtedness of the state, the community college district, or any other political subdivision of the state, and the principal and interest on any certificates shall be payable only from the sources provided in subdivision (1) of subsection **[**4**]** **5** of this section which are pledged in the agreement.

285.1030. 1. The state of Missouri; the board; each member of the board; any other state official, state board, commission, and agency; any member, officer, and employee thereof; and the plan:

(1) Shall not guarantee any interest rate or other rate of return on or investment performance of any contribution or account balance; and

(2) Shall not be liable or responsible for any loss, deficiency, failure to realize any gain, or any other adverse consequences, including without limitation any adverse tax consequences or loss of favorable tax treatment, public assistance, or other benefits, incurred by any person as a result of participating in the plan.

2. The debts, contracts, and obligations of the plan or the board are not the debts, contracts, and obligations of the state, and neither the faith and credit nor the taxing power of the state is pledged directly or indirectly to the payment of the debts, contracts, and obligations of the plan or the board.

3. Nothing in sections 285.1000 to 285.1055 shall be construed to guarantee any interest rate or other rate of return on or investment performance of any contribution or account balance.

285.1035. 1. Individual account information relating to accounts under the plan and relating to individual participants including, but not limited to, names, addresses, telephone numbers, email addresses, personal identification information, investments, contributions, and earnings shall be

(1) To the extent necessary to administer the plan in a manner consistent with sections 285.1000 to 285.1055, ERISA, the Internal Revenue Code, or any other federal or Missouri law; or

(2) If the individual who provides the information or who is the subject of the information expressly agrees in writing to the disclosure of the information.

2. Information required to be confidential under subsection 1 of this section shall be considered a "closed record" as that term is defined in section 610.010.

285.1040. The board may enter into an intergovernmental agreement or memorandum of understanding with the state of Missouri and any agency thereof to receive outreach, technical assistance, enforcement and compliance services, collection or dissemination of information pertinent to the plan, subject to such obligations of confidentiality as may be agreed or required by law, or other services or assistance. The state of Missouri and any agency thereof that enters into such agreements or memoranda of understanding shall collaborate to provide the outreach, assistance, information, and compliance or other services or assistance to the board. The memoranda of understanding may cover the sharing of costs incurred in gathering and disseminating information and the reimbursement of costs for any enforcement activities or assistance.

285.1045. 1. There is hereby created in the state treasury the "Missouri Workplace Retirement Savings Administrative Fund", which shall consist of moneys collected under this section. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. Subject to appropriation, moneys in the fund shall be distributed by the state treasurer solely for the administration of sections 285.1000 to 285.1055.

2. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The Missouri workplace retirement savings administrative fund shall consist of:

(5) Moneys collected for the administrative fund from contributions to, or investment returns or assets of, the plan or other moneys collected by or for the plan or pursuant to arrangements established under the plan to the extent permitted under federal and Missouri law; and

(6) Earnings on moneys in the administrative fund.

5. To the extent consistent with ERISA, the tax qualification rules, and other federal law; the board shall accept any grants, gifts, appropriations, or other moneys from the state; any unit of federal, state, or local government; or any other person, firm, partnership, corporation, or other entity solely for deposit into the administrative fund, whether for investment or administrative expenses.

6. To enable or facilitate the start-up and continuing operation, maintenance, administration, and management of the program until the plan accumulates sufficient balances and can generate sufficient funding through fees assessed on program accounts for the plan to become financially self-sustaining:

(1) The board may borrow from the state of Missouri; any unit of federal, state, or local government; or any other person, firm, partnership, corporation, or other entity working capital funds and other funds as may be necessary for this purpose, provided that such funds are borrowed in the name of the plan and board only and that any such borrowings shall be payable solely from the revenues of the plan; and

(2) The board may enter into long-term procurement contracts with one or more financial providers that provide a fee structure that would assist the plan in avoiding or minimizing the need to borrow or to rely upon general assets of the state.

7. Subject to appropriation, the state of Missouri may pay administrative costs associated with the creation, maintenance, operation, and management of the plan and trust until sufficient assets are available in the administrative fund for that purpose. Thereafter, all administrative costs of the administrative fund, including any repayment of start-up funds provided by the state of Missouri, shall be repaid only out of moneys on deposit therein. However, private funds or federal funding received in order to implement the program until the administrative fund is self-sustaining shall not be repaid unless those funds were offered contingent upon the promise of such repayment.

8. The board may use the moneys in the administrative fund solely to pay the administrative costs and expenses of the plan and the administrative costs and expenses the board incurs in the performance of its duties under sections 285.1000 to 285.1055.

9. The state treasurer's office shall follow the competitive bids procedure adopted by the office of administration for the following:

(1) The contracting or hiring of a contractor with the relevant skills, knowledge, and expertise determined by the board for managing the program, every five years; and

(2) The contracting or hiring of a contractor who has qualified staff with the relevant skills, knowledge, and expertise as determined by the state treasurer's office when the number of the participants in the plan reaches fifty thousand participants.

The office of administration is authorized to provide the state treasurer's office with the necessary assistance and services as may be needed."

285.1050. 1. The board shall keep an accurate account of all the activities, operations, receipts, and expenditures of the plan, the trust, and the board. Each year, a full audit of the books and

accounts of the board pertaining to those activities, operations, receipts and expenditures, personnel, services, or facilities shall be conducted by a certified public accountant and shall include, but not be limited to, direct and indirect costs attributable to the use of outside consultants, independent contractors, and any other persons who are not state employees for the administration of the plan. For the purposes of the audit, the auditors shall have access to the properties and records of the plan and board and may prescribe methods of accounting and the rendering of periodic reports in relation to projects undertaken by the plan.

2. By August first of each year, the board shall submit to the governor, the state treasurer, the president pro tempore of the senate, and the speaker of the house of representatives a public report on the operation of the plan and trust and activities of the board, including an audited financial report, prepared in accordance with generally accepted accounting principles, detailing the activities, operations, receipts, and expenditures of the plan and board during the preceding calendar year. 285.1055. 1. The board shall establish the plan so that individuals are able to begin contributing under the plan no later than September 1, 2024.

2. The board may, in its discretion, phase in the plan so that the ability to contribute first applies on different dates for different classes of individuals, including employees of employers of different sizes or types and individuals who are not employees; provided that, any such staged or phased-in implementation schedule shall be substantially completed no later than September 1, 2024."; and

Further amend said bill, Page 28, Section 347.143, Line 23, by inserting after all of said section and line the following:

3. The board may meet and exercise its powers in any place in this state and shall meet at any time upon the call of its chairman or of the director of the division of finance or of any two members of the board.

4. The board shall have an official seal bearing the inscription, "State Banking and Savings and Loan Board of the State of Missouri", which shall be judicially noticed.

5. The division of finance may provide administrative services to the board to assist the board with fulfilling its statutory responsibilities.

361.106. 1. As used in this section, the following terms mean:

(1) "Bulletin", an informal written communication to inform or educate individuals or entities licensed, chartered, or regulated by the division of finance and the general public about a regulatory topic or issue. A "bulletin" is informational in nature and is not an evaluation of specific facts and circumstances;

(2) "Industry letter", a written communication from the director of finance in response to a specific individual or entity chartered, licensed, or regulated by the division of finance that provides the position of the division of finance on a particular regulatory topic or issue with respect to a specific set of facts and circumstances.

2. Notwithstanding any law to the contrary, the director of finance may at his or her discretion issue bulletins addressing the business of the individuals and entities licensed, chartered, or regulated by the division in this state. Bulletins shall not have the force or effect of law and shall not be considered statements of general applicability that would require promulgation by rule.

3. Notwithstanding any law to the contrary, the director of finance may at his or her discretion issue industry letters in response to a written request from an individual or entity licensed, chartered, or regulated by the division that seeks the position of the division of finance on the application of law. In addition to any materials or information requested by the division, the written request for an industry letter shall include:

(1) A brief summary of the applicable laws and rules that pertain to the request;

(2) A detailed statement of facts regarding every relevant aspect of the proposed business activity, transaction, event, or circumstance;

4. With respect to the requesting person or entity, an industry letter is binding on the division. The requesting person or entity shall not be subject to any administrative proceeding or penalty for any acts or omissions done in reliance on an industry letter, so long as no change in any material fact or law has occurred and so long as the requesting person or entity did not misrepresent or omit a material fact.

5. An industry letter request and response shall be confidential, but the director may publish an industry letter with nonidentifying facts and information from the request.

6. After redacting all identifying information, the director may publish industry letters for informational purposes. Because the division may have a different position in response to similar but nonidentical facts and circumstances, published industry letters shall not have the force or effect of law, shall not be binding on the division, and shall not be considered statements of general applicability that would require promulgation by rule.

7. Industry letters issued under this section are distinct from letters issued by the director under subsection 5 of section 362.106, and this section shall not apply to section 362.106.

361.160. 1. The director of finance at least once each year, either personally or by a deputy or examiner appointed by the director, shall visit and examine every bank and trust company organized and doing business under the laws of this state, and every other corporation which is by law required to report to the director; except, for banks or trust companies receiving a Camel/MOECA 1 or Camel/MOECA 2 rating from the division of finance, the director of finance at least once each eighteen calendar months, or for a private trust company at least once each thirty-six months, either personally or by a deputy or examiner appointed by the director, shall visit and examine such bank or trust company, and the director of finance, at the director's discretion, may conduct the director's examination, or any part thereof, on the basis of information contained in examination reports of other states, the Federal Deposit Insurance Corporation or the Federal Reserve Board or in audits performed by certified public accountants. For purposes of this subsection, a private trust company is one that does not engage in trust company business with the general public or otherwise hold itself out as a trustee or fiduciary for hire by advertising, solicitation, or other means and instead operates for the primary benefit of a family, relative of same family, or single family lineage, regardless of whether compensation is received or anticipated. The director shall be afforded prompt and free access to any workpapers upon which a certified public accountant bases an audit. A certified public accountant shall retain workpapers for a minimum of three years after the date of issuance of the certified public accountant's report to the bank or trust company. The director or the director's agent may concentrate the examinations on institutions which the director believes have safety or soundness concerns.

2. The director, or the deputy or examiners designated by the director for that purpose, shall have power to examine any such corporation whenever, in the director's judgment, it may be deemed necessary or expedient, and shall have power to examine every agency located in this state of any foreign banking corporation and every branch in this state of any out-of-state bank, for the purpose of ascertaining whether it has violated any law of this state, and for such other purposes and as to such other matters as the director may prescribe.

3. The director and the director's deputy and examiners shall have power to administer oaths to any person whose testimony may be required in such examination or investigation of any such corporation or agency, and to compel the appearance and attendance of any person for the purpose of any such examination or investigation.

4. On every such examination inquiry shall be made as to the condition and resources of such corporation, the mode of conducting and managing its affairs, the actions of its directors or trustees, the investment of its funds, the safety and prudence of its management, the security afforded to its creditors, and whether the requirements of its charter and of law have been complied with in the administration of its affairs, and as to such other matters as the director may prescribe.

5. The director may also make such special investigations as the director deems necessary to determine whether any individual or corporation has violated any of the provisions of this law.

6. Such examination may be made and such inquiry instituted or continued in the discretion of the director after the director has taken possession of the property and business of any such corporation, until it shall resume business or its affairs shall be finally liquidated in accordance with the provisions of this chapter.

7. The result of each examination shall be certified by the director or the examiner upon the records of the corporation examined **[**and the result of all examinations during the biennial period shall be embodied in the report to be made by the director of the department of commerce and insurance to the legislature**]**.

8. The director may contract with regulators in other states to provide for the examination of Missouri branches of out-of-state banks and branches of banks whose home state is Missouri. The agreements may provide for the payment by the home state of the cost of examinations conducted by the host state at the request of the home state regulators.

361.260. 1. Whenever the director shall have reason to believe that the capital stock of any corporation subject to the provisions of this chapter is reduced by impairment or otherwise, below the amount required by law, or by its certificates or articles of agreement, he shall issue a notice of charges in respect thereof.

2. Whenever **[**it shall appear to**]** the director **has reason to believe**, from any examination **or investigation** made by **[**him**]** **the director** or his **or her** examiners, that any corporation subject to the provisions of this chapter, or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such corporation, or any foreign corporation licensed by the director to do business under this chapter or chapter 362 is engaging in**[** or**],** has engaged in, or **[**there is reasonable cause to believe that the corporation or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such corporation**]** is about to engage in**[**,**]:**

(1) An unsafe or unsound practice in conducting the business of such corporation **[**or is violating or has violated, or there is reasonable cause to believe that the corporation or any director, officer, employee, agent, or other person participating in the conduct of the affairs of such corporation is about to violate**];**

(2) A **violation of** law, rule, **or director-imposed written** condition **[**imposed, in writing, by the director in connection with the granting of any application or other request by the corporation or**];**

(3) A violation of any written agreement entered into with the director**[**,**];** or

(4) A violation of the corporation's charter, the director may issue and serve upon the corporation or such director, officer, employee, agent, or other person a notice of charges in respect thereof.

3. Whenever it shall appear to the director that any corporation subject to the provisions of this chapter does not keep its books and accounts in such manner as to enable him **or her** readily to ascertain its true condition or that wrong entries or unlawful uses of the funds of the corporation have been made, the director may issue and serve upon the corporation or any appropriate director, officer, employee, agent, or other person a notice of charges in respect thereof.

4. The notice of charges shall contain a statement of the facts constituting the deficiencies, **[**the**]** alleged violation or violations, improper use of funds, or **[**the**]** unsafe or unsound practice or practices**[**,**]** and shall fix a time and place at which a **contested** hearing will be held to determine whether an order to cease and desist therefrom should issue against the corporation or the director, officer, employee, agent, or other person participating in the conduct of the affairs of such corporation.

5. In the event the party or parties so served shall fail to appear at the hearing, or shall consent to the cease and desist order, or in the event the director shall find that the fact of any deficiency, violation, unsafe or unsound practice, inadequate recordkeeping, or improper use of funds specified has been established, the director may issue and serve upon the corporation or the director, officer, employee, agent, or other person participating in the conduct of the affairs of the corporation an order to cease and desist from the actions, violations, or practices charged.

6. The **cease and desist** order**:**

(1) May require the corporation or its directors, officers, employees, agents, and other persons participating in the conduct of the affairs of such corporation to cease and desist from **[**same and, further,**] such actions, violations, or practices;**

(2) May require the corporation or its directors, officers, employees, agents, and other persons participating in the conduct of the affairs of such corporation to take affirmative action to correct the conditions resulting from any such actions, violations, or practices**[**. If the director determines that the capital of the corporation is impaired, the order**];**

(3) Shall require that**, if the director determines that the capital of the corporation is impaired,** the corporation make good the deficiency forthwith or within a time specified in the order**[**. If the director determines that the corporation does not keep adequate records, the order**];**

(4) May**, if the director determines that the corporation does not keep adequate records,** determine and prescribe such books of account as the director, in his **or her** discretion, shall require of the corporation for the purpose of keeping accurate and convenient records of the transactions and accounts**[**. If the director shall determine that wrong entries or unlawful uses of the funds of the corporation have been made, he**]; and**

(5) Shall**, if the director determines that wrong entries or unlawful uses of the funds of the corporation have been made,** order that the entries shall be corrected, and the sums unlawfully paid out restored by the person or persons responsible for the wrongful or illegal payment thereof.

[6.**] 7.** If a notice of charges served under this section specifies, on the basis of particular facts and circumstances, that a corporation's books and records are so incomplete or inaccurate that the director is

unable, through the normal supervisory process, to determine the financial condition of that corporation or the details or purpose of any transaction or transactions that may have a material effect on the financial condition of that corporation, the director may issue a temporary order requiring the cessation of any activity or practice which gave rise, whether in whole or in part, to the incomplete or inaccurate state of the books or records, or affirmative action to restore such books or records to a complete and accurate state, until the completion of the proceedings under this section. Any temporary order issued under this subsection shall become effective upon service and, unless set aside, limited or suspended by a court, shall remain in effect and enforceable until the earlier of the completion of the proceedings initiated under this section or the date on which the director determines by examination or otherwise that the corporation's books and records are accurate and reflect the financial condition of the corporation.

347.186. 1. An operating agreement may establish or provide for the establishment of a designated series of members, managers, or limited liability company interests having separate rights, powers, or duties with respect to specified property or obligations of the limited liability company or profits and losses associated with specified property or obligations. To the extent provided in the operating agreement, any such series may have a separate business purpose or investment objective.

2. (1) Notwithstanding any other provisions of law to the contrary, the debts, liabilities, and obligations incurred, contracted for, or otherwise existing with respect to a particular series shall be enforceable against the assets of such series only, and not against the assets of the limited liability company generally or any other series thereof. Such particular series shall be deemed to have possession, custody, and control only of the books, records, information, and documentation related to such series and not of the books, records, information, and documentation related to the limited liability company as a whole or any other series thereof if all of the following apply:

(a) The operating agreement creates one or more series;

(b) Separate and distinct records are maintained for or on behalf of any such series;

(c) The assets associated with any such series, whether held directly or indirectly, including through a nominee or otherwise, are accounted for separately from the other assets of the limited liability company or of any other series;

(d) The operating agreement provides for the limitations on liabilities of a series described in this subdivision;

(e) Notice of the limitation on liabilities of a series described in this subdivision is included in the limited liability company's articles of organization; and

(f) The limited liability company has filed articles of organization that separately identify each series which is to have limited liability under this section.

(2) With respect to a particular series, unless otherwise provided in the operating agreement, none of the debts, liabilities, obligations, and expenses incurred, contracted for or otherwise existing with respect to a limited liability company generally, or any other series thereof, shall be enforceable against the assets of such series, subject to the provisions of subdivision (1) of this subsection.

(3) Compliance with paragraphs (e) and (f) of subdivision (1) of this subsection shall constitute notice of such limitation of liability of a series.

(4) A series with limited liability shall be treated as a separate entity to the extent set forth in the articles of organization. Each series with limited liability may, in its own name, contract, hold title to

assets, grant security interests, sue and be sued, and otherwise conduct business and exercise the powers of a limited liability company under this chapter. The limited liability company and any of its series may elect to consolidate its operations as a single taxpayer to the extent permitted under applicable law, elect to work cooperatively, elect to contract jointly, or elect to be treated as a single business for the purposes of qualification or authorization to do business in this or any other state. Such elections shall not affect the limitation of liability set forth in this section except to the extent that the series have specifically accepted joint liability by contract.

3. Except in the case of a foreign limited liability company that has adopted a name that is not the name under which it is registered in its jurisdiction of organization, as permitted under sections 347.153 and 347.157, the name of the series with limited liability is required to contain the entire name of the limited liability company and be distinguishable from the names of the other series set forth in the articles of organization. In the case of a foreign limited liability company that has adopted a name that is not the name under which it is registered in its jurisdiction of organization, as permitted under sections 347.153 and 347.157, the name of the series with limited liability must contain the entire name under which the foreign limited liability company has been admitted to transact business in this state.

4. (1) (a) Upon filing of articles of organization setting forth the name of each series with limited liability, in compliance with section 347.037 or amendments under section 347.041, the series' existence shall begin.

(b) Each copy of the articles of organization stamped "Filed" and marked with the filing date shall be conclusive evidence that all required conditions have been met and that the series has been or shall be legally organized and formed under this section and is notice for all purposes of all other facts required to be set forth therein.

(c) The name of a series with limited liability under this section may be changed by filing articles of amendment with the secretary of state pursuant to section 347.041, identifying the series whose name is being changed and the new name of such series. If not the same as the limited liability company, the names of the members of a member-managed series or of the managers of a manager-managed series may be changed by an amendment to the articles of organization with the secretary of state.

(d) A series with limited liability under this section may be dissolved by filing with the secretary of state articles of amendment pursuant to section 347.041 identifying the series being dissolved or by the dissolution of the limited liability company as provided in section 347.045. Except to the extent otherwise provided in the operating agreement, a series may be dissolved and its affairs wound up without causing the dissolution of the limited liability company. The dissolution of a series established in accordance with subsection 2 of this section shall not affect the limitation on liabilities of such series provided by subsection 2 of this section. A series is terminated and its affairs shall be wound up upon the dissolution of the limited liability company under section 347.045.

(e) Articles of organization, amendment, or termination described under this subdivision may be executed by the limited liability company or any manager, person, or entity designated in the operating agreement for the limited liability company.

(f) Notwithstanding paragraph (d) of this subdivision, the maximum number of designated series that may be effected by any one filing shall be limited to fifty.

(2) If different from the limited liability company, the articles of organization shall list the names of

the members for each series if the series is member-managed or the names of the managers if the series is manager-managed.

(3) A series of a limited liability company shall be deemed to be in good standing as long as the limited liability company is in good standing.

(4) The registered agent and registered office for the limited liability company appointed under section 347.033 shall serve as the agent and office for service of process for each series in this state.

5. (1) An operating agreement may provide for classes or groups of members or managers associated with a series having such relative rights, powers, and duties as an operating agreement may provide and may make provision for the future creation of additional classes or groups of members or managers associated with the series having such relative rights, powers, and duties as may from time to time be established, including rights, powers, and duties senior and subordinate to or different from existing classes and groups of members or managers associated with the series.

(2) A series may be managed either by the member or members associated with the series or by the manager or managers chosen by the members of such series, as provided in the operating agreement. Unless otherwise provided in an operating agreement, the management of a series shall be vested in the members associated with such series.

(3) An operating agreement may grant to all or certain identified members or managers, or to a specified class or group of the members or managers associated with a series, the right to vote separately or with all or any class or group of the members or managers associated with the series, on any matter. An operating agreement may provide that any member or class or group of members associated with a series shall have no voting rights or ability to otherwise participate in the management or governance of such series, but any such member or class or group of members are owners of the series.

(4) Except as modified in this section, the provisions of this chapter which are generally applicable to limited liability companies and their managers, members, and transferees shall be applicable to each particular series with respect to the operation of such series.

(5) Except as otherwise provided in an operating agreement, any event specified in this chapter or in an operating agreement that causes a manager to cease to be a manager with respect to a series shall not, in itself, cause such manager to cease to be a manager of the limited liability company or with respect to any other series thereof.

(6) Except as otherwise provided in an operating agreement, any event specified in this chapter or in an operating agreement that causes a member to cease to be associated with a series shall not, in itself, cause such member to cease to be associated with any other series, terminate the continued membership of a member in the limited liability company, or cause the termination of the series, regardless of whether such member was the last remaining member associated with such series.

(7) An operating agreement may impose restrictions, duties, and obligations on members of the limited liability company or any series thereof as a matter of internal governance, including, without limitation, those with regard to:

(a) Choice of law, forum selection, or consent to personal jurisdiction;

(b) Capital contributions;

(c) Restrictions on, or terms and conditions of, the transfer of membership interests;

(d) Restrictive covenants, including noncompetition, nonsolicitation, and confidentiality provisions;

(e) Fiduciary duties; and

(f) Restrictions, duties, or obligations to or for the benefit of the limited liability company, other series thereof, or their affiliates.

6. (1) If a limited liability company with the ability to establish series does not register to do business in a foreign jurisdiction for itself and its series, a series of a limited liability company may itself register to do business as a limited liability company in the foreign jurisdiction in accordance with the laws of the foreign jurisdiction.

(2) If a foreign limited liability company, as permitted in the jurisdiction of its organization, has established a series having separate rights, powers, or duties and has limited the liabilities of such series so that the debts, liabilities, and obligations incurred, contracted for, or otherwise existing with respect to a particular series are enforceable against the assets of such series only, and not against the assets of the limited liability company generally or any other series thereof, or so that the debts, liabilities, obligations, and expenses incurred, contracted for, or otherwise existing with respect to the limited liability company generally or any other series thereof are not enforceable against the assets of such series, then the limited liability company, on behalf of itself or any of its series, or any of its series on its own behalf may register to do business in this state in accordance with this chapter. The limitation of liability shall also be stated on the application for registration. As required under section 347.153, the registration application filed shall identify each series being registered to do business in the state by the limited liability company. Unless otherwise provided in the operating agreement, the debts, liabilities, and obligations incurred, contracted for, or otherwise existing with respect to a particular series of such a foreign limited liability company shall be enforceable against the assets of such series only and not against the assets of the foreign limited liability company generally or any other series thereof, and none of the debts, liabilities, obligations, and expenses incurred, contracted for, or otherwise existing with respect to such a foreign limited liability company generally or any other series thereof shall be enforceable against the assets of such series.

7. Nothing in sections 347.039, 347.153, or 347.186 shall be construed to alter existing Missouri statute or common law providing any cause of action for fraudulent conveyance, including but not limited to chapter 428, or any relief available under existing law that permits a challenge to limited liability.

358.460. 1. The exclusive right to the use of a name of a registered limited liability partnership or foreign registered limited liability partnership may be reserved by:

(1) Any person intending to become a registered limited liability partnership or foreign registered limited liability partnership under this chapter and to adopt that name; and

(2) Any registered limited liability partnership or foreign registered limited liability partnership which proposes to change its name.

2. The reservation of a specified name shall be made by filing with the secretary of state an application, executed by the applicant, specifying the name to be reserved and the name and address of the applicant. If the secretary of state finds that the name is available for use by a registered limited

liability partnership or foreign registered limited liability partnership, the secretary of state shall reserve the name for the exclusive use of the applicant for a period of sixty days. A name reservation shall not exceed a period of one hundred eighty days from the date of the first name reservation application. Upon the one hundred eighty-first day the name shall cease reserve status and shall not be placed back in such status. The right to the exclusive use of a reserved name may be transferred to any other person by filing in the office of the secretary of state a notice of the transfer, executed by the applicant for whom the name was reserved, specifying the name to be transferred and the name and address of the transferee. The reservation of a specified name may be cancelled by filing with the secretary of state a notice of cancellation, executed by the applicant or transferee, specifying the name reservation to be cancelled and the name and address of the applicant or transferee.

A fee in the amount of **[**twenty-five**]** **twenty** dollars shall be paid to the secretary of state upon receipt for filing of an application for reservation of name, an application for renewal of reservation or a notice of transfer or cancellation pursuant to this section. All moneys from the payment of this fee shall be deposited into the general revenue fund.

358.470. 1. Each registered limited liability partnership and each foreign registered limited liability partnership shall have and maintain in the state of Missouri:

(1) A registered office, which may, but need not be, a place of its business in the state of Missouri; and

(2) A registered agent for service of process on the registered limited liability partnership or foreign registered limited liability partnership, which agent may be either an individual resident of the state of Missouri whose business office is identical with the registered limited liability partnership's or foreign registered limited liability partnership's registered office, or a domestic corporation, or a foreign corporation authorized to do business in the state of Missouri, having a business office identical with such registered office or the registered limited liability partnership or foreign registered limited liability partnership itself.

2. A registered agent may change the address of the registered office of the registered limited liability partnerships or foreign registered limited liability partnerships for which the agent is the registered agent to another address in the state of Missouri by paying a fee in the amount of **[**ten**]** **five** dollars**[**, and a further fee in the amount of two dollars**]** for each registered limited liability partnership or foreign registered limited liability partnership affected thereby, to the secretary of state and filing with the secretary of state a certificate, executed by such registered agent, setting forth the names of all the registered limited liability partnerships or foreign registered limited liability partnerships represented by such registered agent, and the address at which such registered agent has maintained the registered office for each of such registered limited liability partnerships or foreign registered limited liability partnerships, and further certifying to the new address to which such registered office will be changed on a given day, and at which new address such registered agent will thereafter maintain the registered office for each of the registered limited liability partnerships or foreign registered limited liability partnerships recited in the certificate. Upon the filing of such certificate, the secretary of state shall furnish to the registered agent a certified copy of the same under the secretary of state's hand and seal of office, and thereafter, or until further change of address, as authorized by law, the registered office in the state of Missouri of each of the registered limited liability partnerships or foreign registered limited liability partnerships recited in the certificate shall be located at the new address of the registered agent thereof as given in the certificate. HOUSE AMENDMENT NO. 2

Amend House Committee Substitute for Senate Committee Substitute for Senate Bill No. 908, Pages 32-38, Section 137.115, Lines 1-210, by deleting all of said section and lines from the bill and inserting in lieu thereof the following:

"137.115. 1. All other laws to the contrary notwithstanding, the assessor or the assessor's deputies in all counties of this state including the City of St. Louis shall annually make a list of all real and tangible personal property taxable in the assessor's city, county, town or district. Except as otherwise provided in

subsection 3 of this section and section 137.078, the assessor shall annually assess all personal property at thirty-three and one-third percent of its true value in money as of January first of each calendar year. The assessor shall annually assess all real property, including any new construction and improvements to real property, and possessory interests in real property at the percent of its true value in money set in subsection 5 of this section. The true value in money of any possessory interest in real property in subclass (3), where such real property is on or lies within the ultimate airport boundary as shown by a federal airport layout plan, as defined by 14 CFR 151.5, of a commercial airport having a FAR Part 139 certification and owned by a political subdivision, shall be the otherwise applicable true value in money of any such possessory interest in real property, less the total dollar amount of costs paid by a party, other than the political subdivision, towards any new construction or improvements on such real property completed after January 1, 2008, and which are included in the above-mentioned possessory interest, regardless of the year in which such costs were incurred or whether such costs were considered in any prior year. The assessor shall annually assess all real property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year and shall be entered in the assessor's books; those same assessed values shall apply in the following even-numbered year, except for new construction and property improvements which shall be valued as though they had been completed as of January first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or residence of each person required by this chapter to list property, and require the person to make a correct statement of all taxable tangible personal property owned by the person or under his or her care, charge or management, taxable in the county. On or before January first of each even-numbered year, the assessor shall prepare and submit a two-year assessment maintenance plan to the county governing body and the state tax commission for their respective approval or modification. The county governing body shall approve and forward such plan or its alternative to the plan to the state tax commission by February first. If the county governing body fails to forward the plan or its alternative to the plan to the state tax commission by February first, the assessor's plan shall be considered approved by the county governing body. If the state tax commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the county involved are unable to resolve the differences, in order to receive state cost-share funds outlined in section 137.750, the county or the assessor shall petition the administrative hearing commission, by May first, to decide all matters in dispute regarding the assessment maintenance plan. Upon agreement of the parties, the matter may be stayed while the parties proceed with mediation or arbitration upon terms agreed to by the parties. The final decision of the administrative hearing commission shall be subject to judicial review in the circuit court of the county involved. In the event a valuation of subclass (1) real property within any county with a charter form of government, or within a city not within a county, is made by a computer, computer-assisted method or a computer program, the burden of proof, supported by clear, convincing and cogent evidence to sustain such valuation, shall be on the assessor at any hearing or appeal. In any such county, unless the assessor proves otherwise, there shall be a presumption that the assessment was made by a computer, computer-assisted method or a computer program. Such evidence shall include, but shall not be limited to, the following:

(1) The findings of the assessor based on an appraisal of the property by generally accepted appraisal techniques; and

(2) The purchase prices from sales of at least three comparable properties and the address or location thereof. As used in this subdivision, the word "comparable" means that:

(a) Such sale was closed at a date relevant to the property valuation; and

(b) Such properties are not more than one mile from the site of the disputed property, except where no similar properties exist within one mile of the disputed property, the nearest comparable property shall be used. Such property shall be within five hundred square feet in size of the disputed property, and resemble the disputed property in age, floor plan, number of rooms, and other relevant characteristics.

2. Assessors in each county of this state and the City of St. Louis may send personal property assessment forms through the mail.

3. The following items of personal property shall each constitute separate subclasses of tangible personal property and shall be assessed and valued for the purposes of taxation at the following percentages of their true value in money:

(1) Grain and other agricultural crops in an unmanufactured condition, one-half of one percent;

(2) Livestock, twelve percent;

(3) Farm machinery, twelve percent;

(4) Motor vehicles which are eligible for registration as and are registered as historic motor vehicles pursuant to section 301.131 and aircraft which are at least twenty-five years old and which are used solely for noncommercial purposes and are operated less than two hundred hours per year or aircraft that are home built from a kit, five percent;

(5) Poultry, twelve percent; and

(6) Tools and equipment used for pollution control and tools and equipment used in retooling for the purpose of introducing new product lines or used for making improvements to existing products by any company which is located in a state enterprise zone and which is identified by any standard industrial classification number cited in subdivision (7) of section 135.200, twenty-five percent.

4. The person listing the property shall enter a true and correct statement of the property, in a printed blank prepared for that purpose. The statement, after being filled out, shall be signed and either affirmed or sworn to as provided in section 137.155. The list shall then be delivered to the assessor.

5. (1) All subclasses of real property, as such subclasses are established in Section 4(b) of Article X of the Missouri Constitution and defined in section 137.016, shall be assessed at the following percentages of true value:

(a) For real property in subclass (1), nineteen percent;

(b) For real property in subclass (2), twelve percent; and

(c) For real property in subclass (3), thirty-two percent.

(2) A taxpayer may apply to the county assessor, or, if not located within a county, then the assessor of such city, for the reclassification of such taxpayer's real property if the use or purpose of such real property is changed after such property is assessed under the provisions of this chapter. If the assessor determines that such property shall be reclassified, he or she shall determine the assessment under this subsection based on the percentage of the tax year that such property was classified in each subclassification.

6. Manufactured homes, as defined in section 700.010, which are actually used as dwelling units

shall be assessed at the same percentage of true value as residential real property for the purpose of taxation. The percentage of assessment of true value for such manufactured homes shall be the same as for residential real property. If the county collector cannot identify or find the manufactured home when attempting to attach the manufactured home for payment of taxes owed by the manufactured home owner, the county collector may request the county commission to have the manufactured home removed from the tax books, and such request shall be granted within thirty days after the request is made; however, the removal from the tax books does not remove the tax lien on the manufactured home if it is later identified or found. For purposes of this section, a manufactured home located in a manufactured home rental park, rental community or on real estate not owned by the manufactured home owner shall be considered personal property. For purposes of this section, a manufactured home located on real estate owned by the manufactured home owner may be considered real property.

7. Each manufactured home assessed shall be considered a parcel for the purpose of reimbursement pursuant to section 137.750, unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015 and assessed as a realty improvement to the existing real estate parcel.

8. Any amount of tax due and owing based on the assessment of a manufactured home shall be included on the personal property tax statement of the manufactured home owner unless the manufactured home is deemed to be real estate as defined in subsection 7 of section 442.015, in which case the amount of tax due and owing on the assessment of the manufactured home as a realty improvement to the existing real estate parcel shall be included on the real property tax statement of the real estate owner.

9. The assessor of each county and each city not within a county shall use the trade-in value published in the **current or two previous years** October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, as the recommended guide of information for determining the true value of motor vehicles described in such publication. **The assessor may assign any value that the assessor deems to be the true value, provided that such value is not greater than the current October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, and such value is not less than the lowest value in the current or two previous years of such publication.** The assessor shall not use a value that is greater than the average trade-in value in determining the true value of the motor vehicle without performing a physical inspection of the motor vehicle. For vehicles two years old or newer from a vehicle's model year, the assessor may use a value other than average without performing a physical inspection of the motor vehicle. **For the purposes of this section,** in the absence of a listing for a particular motor vehicle**, recreational vehicle, or agricultural equipment** in such publication, **excluding tangible personal property as described in section 137.122, section 137.123, chapter 151, chapter 153, and chapter 155,** the assessor **[**shall**] may** use such information or publications which in the assessor's judgment will fairly estimate the true value in money of the motor vehicle**, recreational vehicle, or agricultural equipment in the current year or two previous years. If an assessor used a publication other than the current October issue of the National Automobile Dealers' Association Official Used Car Guide, or its successor publication, the assessor may assign any value that the assessor deems to be the true value, provided that such value is not greater than the current publication's value, and such value is not less than the lowest value in the current or two previous years of such publication**.

10. Before the assessor may increase the assessed valuation of any parcel of subclass (1) real

property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

11. If a physical inspection is required, pursuant to subsection 10 of this section, the assessor shall notify the property owner of that fact in writing and shall provide the owner clear written notice of the owner's rights relating to the physical inspection. If a physical inspection is required, the property owner may request that an interior inspection be performed during the physical inspection. The owner shall have no less than thirty days to notify the assessor of a request for an interior physical inspection.

12. A physical inspection, as required by subsection 10 of this section, shall include, but not be limited to, an on-site personal observation and review of all exterior portions of the land and any buildings and improvements to which the inspector has or may reasonably and lawfully gain external access, and shall include an observation and review of the interior of any buildings or improvements on the property upon the timely request of the owner pursuant to subsection 11 of this section. Mere observation of the property via a drive-by inspection or the like shall not be considered sufficient to constitute a physical inspection as required by this section.

13. A county or city collector may accept credit cards as proper form of payment of outstanding property tax or license due. No county or city collector may charge surcharge for payment by credit card which exceeds the fee or surcharge charged by the credit card bank, processor, or issuer for its service. A county or city collector may accept payment by electronic transfers of funds in payment of any tax or license and charge the person making such payment a fee equal to the fee charged the county by the bank, processor, or issuer of such electronic payment.

14. Any county or city not within a county in this state may, by an affirmative vote of the governing body of such county, opt out of the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of the general reassessment, prior to January first of any year. No county or city not within a county shall exercise this opt-out provision after implementing the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, in a year of general reassessment. For the purposes of applying the provisions of this subsection, a political subdivision contained within two or more counties where at least one of such counties has opted out and at least one of such counties has not opted out shall calculate a single tax rate as in effect prior to the enactment of house bill no. 1150 of the ninety-first general assembly, second regular session. A governing body of a city not within a county or a county that has opted out under the provisions of this subsection may choose to implement the provisions of this section and sections 137.073, 138.060, and 138.100 as enacted by house bill no. 1150 of the ninety-first general assembly, second regular session, and section 137.073 as modified by house committee substitute for senate substitute for senate committee substitute for senate bill no. 960, ninety-second general assembly, second regular session, for the next year of general reassessment, by an affirmative vote of the governing body prior to December thirty-first of any year.

15. The governing body of any city of the third classification with more than twenty-six thousand three hundred but fewer than twenty-six thousand seven hundred inhabitants located in any county that

has exercised its authority to opt out under subsection 14 of this section may levy separate and differing tax rates for real and personal property only if such city bills and collects its own property taxes or satisfies the entire cost of the billing and collection of such separate and differing tax rates. Such separate and differing rates shall not exceed such city's tax rate ceiling.

16. Any portion of real property that is available as reserve for strip, surface, or coal mining for minerals for purposes of excavation for future use or sale to others that has not been bonded and permitted under chapter 444 shall be assessed based upon how the real property is currently being used. Any information provided to a county assessor, state tax commission, state agency, or political subdivision responsible for the administration of tax policies shall, in the performance of its duties, make available all books, records, and information requested, except such books, records, and information as are by law declared confidential in nature, including individually identifiable information regarding a specific taxpayer or taxpayer's mine property. For purposes of this subsection, "mine property" shall mean all real property that is in use or readily available as a reserve for strip, surface, or coal mining for minerals for purposes of excavation for current or future use or sale to others that has been bonded and permitted under chapter 444.

17. The true value of a taxpayer's personal property assessed under subsection 9 of this section shall not increase more than the consumer price index established in subsection 4 of section 137.073. The provisions of this subsection shall become effective January 1, 2023."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

The state EMS medical director shall be the chair of the state EMS medical director's advisory committee, and shall be elected by the members of the regional EMS medical director's advisory committee, shall serve a term of four years, and shall seek to coordinate EMS services between the EMS regions, promote educational efforts for agency medical directors, represent Missouri EMS nationally in the role of the state EMS medical director, and seek to incorporate the EMS system into the health care system serving Missouri.

2. A medical director is required for all ambulance services and emergency medical response agencies that provide: advanced life support services; basic life support services utilizing medications or providing assistance with patients' medications; or basic life support services performing invasive procedures including invasive airway procedures. The medical director shall provide medical direction to these services and agencies in these instances.

3. The medical director, in cooperation with the ambulance service or emergency medical response agency administrator, shall have the responsibility and the authority to ensure that the personnel working under their supervision are able to provide care meeting established standards of care with consideration for state and national standards as well as local area needs and resources. The medical director, in cooperation with the ambulance service or emergency medical response agency administrator, shall establish and develop triage, treatment and transport protocols, which may include authorization for standing orders. Emergency medical technicians shall only perform those medical procedures as directed by treatment protocols approved by the local medical director or when authorized through direct communication with online medical control.

4. All ambulance services and emergency medical response agencies that are required to have a medical director shall establish an agreement between the service or agency and their medical director. The agreement will include the roles, responsibilities and authority of the medical director beyond what is granted in accordance with sections 190.001 to 190.245 and rules adopted by the department pursuant to sections 190.001 to 190.245. The agreement shall also include grievance procedures regarding the emergency medical response agency or ambulance service, personnel and the medical director.

5. Regional EMS medical directors and the state EMS medical director elected as provided under subsection 1 of this section shall be considered public officials for purposes of sovereign immunity, official immunity, and the Missouri public duty doctrine defenses.

6. The state EMS medical director's advisory committee shall be considered a peer review committee under section 537.035.

7. Regional EMS medical directors may act to provide online telecommunication medical direction to AEMTs, EMT-Bs, EMT-Ps, and community paramedics and provide offline medical direction per standardized treatment, triage, and transport protocols when EMS personnel, including AEMTs, EMT-Bs, EMT-Ps, and community paramedics, are providing care to special needs patients or at the request of a local EMS agency or medical director.

8. When developing treatment protocols for special needs patients, regional EMS medical directors may promulgate such protocols on a regional basis across multiple political subdivisions' jurisdictional boundaries, and such protocols may be used by multiple agencies including, but not limited to, ambulance services, emergency response agencies, and public health departments. Treatment protocols shall include steps to ensure the receiving hospital is informed of the pending arrival of the special needs patient, the condition of the patient, and the treatment instituted.

9. Multiple EMS agencies including, but not limited to, ambulance services, emergency response agencies, and public health departments shall take necessary steps to follow the regional EMS protocols established as provided under subsection 8 of this section in cases of mass casualty or state-declared disaster incidents.

10. When regional EMS medical directors develop and implement treatment protocols for patients or provide online medical direction for patients, such activity shall not be construed as having usurped local medical direction authority in any manner.

11. **The state EMS medical directors advisory committee shall review and make recommendations regarding all proposed community and regional time-critical diagnosis plans.**

12. Notwithstanding any other provision of law to the contrary, when regional EMS medical directors are providing either online telecommunication medical direction to AEMTs, EMT-Bs, EMT-Ps, and community paramedics, or offline medical direction per standardized EMS treatment, triage, and transport protocols for patients, those medical directions or treatment protocols may include the administration of the patient's own prescription medications.

190.176. 1. The department shall develop and administer a uniform data collection system on all ambulance runs and injured patients, pursuant to rules promulgated by the department for the purpose of injury etiology, patient care outcome, injury and disease prevention and research purposes. The department shall not require disclosure by hospitals of data elements pursuant to this section unless those data elements are required by a federal agency or were submitted to the department as of January 1, 1998, pursuant to:

(1) Departmental regulation of trauma centers; or

(2) **[**The Missouri brain and spinal cord injury registry established by sections 192.735 to 192.745; or

(3)**]** Abstracts of inpatient hospital data; or

[(4)**]** **(3)** If such data elements are requested by a lawful subpoena or subpoena duces tecum.

2. All information and documents in any civil action, otherwise discoverable, may be obtained from any person or entity providing information pursuant to the provisions of sections 190.001 to 190.245.

190.200. 1. The department of health and senior services in cooperation with **hospitals and** local and regional EMS systems and agencies may provide public and professional information and education programs related to emergency medical services systems including trauma, STEMI, and stroke systems and emergency medical care and treatment. The department of health and senior services may also provide public information and education programs for informing residents of and visitors to the state of the availability and proper use of emergency medical services, **of the designation a hospital may receive as a trauma center, STEMI center, or stroke center,** of the value and nature of programs to

involve citizens in the administering of prehospital emergency care, including cardiopulmonary resuscitation, and of the availability of training programs in emergency care for members of the general public.

2. The department shall, for **trauma care,** STEMI care**,** and stroke care**,** respectively:

(1) Compile **[**and**],** assess**, and make publicly available** peer-reviewed and evidence-based clinical research and guidelines that provide or support recommended treatment standards **and that have been recommended by the time-critical diagnosis advisory committee**;

(2) Assess the capacity of the emergency medical services system and hospitals to deliver recommended treatments in a timely fashion;

(3) Use the research, guidelines, and assessment to promulgate rules establishing protocols for transporting **trauma patients to a trauma center,** STEMI patients to a STEMI center**,** or stroke patients to a stroke center. Such transport protocols shall direct patients to **trauma centers,** STEMI centers**,** and stroke centers under section 190.243 based on the centers' capacities to deliver recommended acute care treatments within time limits suggested by clinical research;

(4) Define regions within the state for purposes of coordinating the delivery of **trauma care,** STEMI care**,** and stroke care, respectively;

(5) Promote the development of regional or community-based plans for transporting **trauma,** STEMI**,** or stroke patients via ground or air ambulance to **trauma centers,** STEMI centers**,** or stroke centers, respectively, in accordance with section 190.243; and

3. A community-based or regional plan **for the transport of trauma, STEMI, and stroke patients** shall be submitted to the department for approval. Such plan shall be based on the clinical research and guidelines and assessment of capacity described in subsection **[**1**]** **2** of this section and shall include a mechanism for evaluating its effect on medical outcomes. Upon approval of a plan, the department shall waive the requirements of rules promulgated under sections 190.100 to 190.245 that are inconsistent with the community-based or regional plan. A community-based or regional plan shall be developed by **[**or in consultation with**]** the representatives of hospitals, physicians, and emergency medical services providers in the community or region.

190.241. 1. **Except as provided for in subsection 4 of this section,** the department shall designate a hospital as an adult, pediatric or adult and pediatric trauma center when a hospital, upon proper application submitted by the hospital and site review, has been found by the department to meet the applicable level of trauma center criteria for designation in accordance with rules adopted by the department as prescribed by section 190.185. **Site review may occur on-site or by any reasonable means of communication, or by any combination thereof.** Such rules shall include designation as a trauma center without site review if such hospital is verified by a national verifying or designating body at the level which corresponds to a level approved in rule. **In developing trauma center designation criteria, the department shall use, as it deems practicable, peer-reviewed and evidence-based clinical research and guidelines including, but not limited to, the most recent guidelines of the American College of Surgeons.**

2. Except as provided for in subsection **[**5**]** **4** of this section, the department shall designate a hospital as a STEMI or stroke center when such hospital, upon proper application and site review, has been found by the department to meet the applicable level of STEMI or stroke center criteria for designation in accordance with rules adopted by the department as prescribed by section 190.185. **Site review may occur on-site or by any reasonable means of communication, or by any combination thereof.** In developing STEMI center and stroke center designation criteria, the department shall use, as it deems practicable, **[**appropriate**]** peer-reviewed **[**or**]** **and** evidence-based **clinical** research **[**on such topics**]** **and guidelines** including, but not limited to, the most recent guidelines of the American College of Cardiology **[**and**],** **the** American Heart Association **[**for STEMI centers, or the Joint Commission's Primary Stroke Center Certification program criteria for stroke centers, or Primary and Comprehensive Stroke Center Recommendations as published by**],** **or** the American Stroke Association. Such rules shall include designation as a STEMI center **or stroke center** without site review if such hospital is certified by a national body.

3. The department of health and senior services shall, not less than once every **[**five**]** **three** years, conduct **[**an on-site**]** **a site** review of every trauma, STEMI, and stroke center through appropriate department personnel or a qualified contractor, with the exception of **trauma centers, STEMI centers, and** stroke centers designated pursuant to subsection **[**5**]** **4** of this section; however, this provision is not intended to limit the department's ability to conduct a complaint investigation pursuant to subdivision (3) of subsection 2 of section 197.080 of any trauma, STEMI, or stroke center. **[**On-site**]** **Site** reviews shall be coordinated for the different types of centers to the extent practicable with hospital licensure inspections conducted under chapter 197. No person shall be a qualified contractor for purposes of this subsection who has a substantial conflict of interest in the operation of any trauma, STEMI, or stroke center under review. The department may deny, place on probation, suspend or revoke such designation in any case in which it has **[**reasonable cause to believe that**]** **determined** there has been a substantial failure to comply with the provisions of this chapter or any rules or regulations promulgated pursuant to this chapter. **Centers that are placed on probationary status shall be required to demonstrate compliance with the provisions of this chapter and any rules or regulations promulgated under this chapter within twelve months of the date of the receipt of the notice of probationary status, unless otherwise provided by a settlement agreement with a duration of a maximum of eighteen months between the department and the designated center.** If the department of health and senior services has **[**reasonable cause to believe**]** **determined** that a hospital is not in compliance with such provisions or regulations, it may conduct additional announced or unannounced site reviews of the hospital to verify compliance. If a trauma, STEMI, or stroke center fails two consecutive **[**on-site**]** **site** reviews because of substantial noncompliance with standards prescribed by sections 190.001 to 190.245 or rules adopted by the department pursuant to sections 190.001 to 190.245, its center designation shall be revoked.

4. **(1)** Instead of applying for **trauma,** STEMI**, or stroke** center designation under subsection **1 or** 2 of this section, a hospital may apply for **trauma,** STEMI**, or stroke** center designation under this subsection. Upon receipt of an application **[**from a hospital**]** on a form prescribed by the department, the department shall designate such hospital**[**:

(1) A level I STEMI center if such hospital has been certified as a Joint Commission comprehensive cardiac center or another department-approved nationally recognized organization that provides comparable STEMI center accreditation; or

(2) A level II STEMI center if such hospital has been accredited as a Mission: Lifeline STEMI receiving center by the American Heart Association accreditation process or another department-approved nationally recognized organization that provides STEMI receiving center accreditation.

5. Instead of applying for stroke center designation pursuant to the provisions of subsection 2 of this section, a hospital may apply for stroke center designation pursuant to this subsection. Upon receipt of an application from a hospital on a form prescribed by the department, the department shall designate such hospital:

(1) A level I stroke center if such hospital has been certified as a comprehensive stroke center by the Joint Commission or any other certifying organization designated by the department when such certification is in accordance with the American Heart Association/American Stroke Association guidelines;

(2) A level II stroke center if such hospital has been certified as a primary stroke center by the Joint Commission or any other certifying organization designated by the department when such certification is in accordance with the American Heart Association/American Stroke Association guidelines; or

The rules shall be based on standards of nationally recognized organizations and the recommendations of the time-critical diagnosis advisory committee**.

(2) Except as provided by subsection **[**6**]** **5** of this section, the department shall not require compliance with any additional standards for establishing or renewing **trauma, STEMI, or** stroke designations **under this subsection**. The designation shall continue if such hospital remains certified **or verified**. The department may remove a hospital's designation as a **trauma center, STEMI center, or** stroke center if the hospital requests removal of the designation or the department determines that the certificate **[**recognizing**]** **or verification that qualified** the hospital **[**as a stroke center**]** **for the designation under this subsection** has been suspended or revoked. Any decision made by the department to withdraw its designation of a **[**stroke**]** center pursuant to this subsection that is based on the revocation or suspension of a certification **or verification** by a certifying **or verifying** organization shall not be subject to judicial review. The department shall report to the certifying **or verifying** organization any complaint it receives related to the **[**stroke**]** center **[**certification of a stroke center**]** designated pursuant to this subsection. The department shall also advise the complainant which organization certified **or verified** the **[**stroke**]** center and provide the necessary contact information should the complainant wish to pursue a complaint with the certifying **or verifying** organization.

Nothing in this subdivision shall be construed as requiring duplicative data entry by a hospital that is otherwise complying with the provisions of this subsection. Failure of the department to obtain access to data submitted to a national data registry or data bank shall not be construed as hospital noncompliance under this subsection.**

The department shall deem the education requirements promulgated by ABEM or AOBEM to meet the standards for designations under this section. Education requirements for non-ABEM or non-AOBEM certified physicians, nurses, and other providers who provide care at a facility designated as a trauma center, STEMI center, or stroke center by the department under this section shall mirror but not exceed those established by national designating or verifying bodies of trauma centers, STEMI centers, or stroke centers.**

When initial transport from the scene of illness or injury to a trauma, STEMI, or

JOURNAL OF THE SENATE

ONE HUNDRED FIRST GENERAL ASSEMBLY

OF THE

STATE OF MISSOURI

FIRST EXTRA SESSION

OF THE

SECOND REGULAR SESSION

FIRST DAY—WEDNESDAY, SEPTEMBER 14, 2022

The Senate was called to order in Extra Session by Lieutenant Governor Mike Kehoe.

The Reverend Carl Gauck offered the following prayer:

Gracious God, we thank you for our safe travel here to begin this special session together. We are thankful for the scripture teaching of the lives of faithful people, like Mordecai, a man who loved his people and risked his life for them. Help us to have such a passion and love for our people that our decisions will do what is right and necessary to work for the general welfare of our state and our people. In Your Holy Name, we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

COMMUNICATIONS FROM THE GOVERNOR

The President laid before the Senate the following proclamation from the Governor, reading of which was waived:

PROCLAMATION

WHEREAS, on May 30, 2022, the General Assembly adjourned pursuant to Article III, Section 20(a) of the Missouri Constitution; and

WHEREAS, agriculture is Missouri's top economic industry by contributing over $93.7 billion, with over $55 billion generated from agriculture inputs and $34 billion in agriculture value-added products; and

WHEREAS, Missouri's agriculture industry employs nearly 460,000 citizens that support many of the state's top agricultural commodities including soybeans, corn, cattle and calves, hogs, and turkeys; and

WHEREAS, the Show-Me State is 2nd in the United States for number of farms with over 95,000 farms covering two-thirds of the state's total land acreage, nearly all of which are family owned and operated; and

WHEREAS, Missouri farmers not only feed Missourians, but also help feed the world by exporting commodities to other countries, providing critical aid while global fuel supply shortages occur surrounding the global Russia-Ukraine crisis; and

WHEREAS, in order to further support and promote agricultural opportunities in Missouri and support Missouri family farms, certainty and longevity are needed for our key agriculture programs to attract additional agricultural investment to Missouri; and

WHEREAS, all Missouri families are impacted by agriculture, and the costs of food, fuel, and other household goods have increased over 8.5% in the past twelve months, adding to the financial strain placed on farmers and families; and

WHEREAS, Missouri has taken a fiscally conservative approach to managing our state finances by balancing our budget every year, all while reducing individual income taxes in 2018, 2019, and 2022; and

WHEREAS, the current individual income tax top rate is 5.3%, and the fiscally disciplined decisions my administration and the General Assembly have made over the last several years have positioned us to provide additional relief to Missouri citizens by further reducing taxes; and

WHEREAS, Missouri families and farmers would greatly benefit from additional tax reductions to help them manage rising national and global prices.

NOW, THEREFORE, on the extraordinary occasion that exists in the State of Missouri:

I, MICHAEL L. PARSON, GOVERNOR OF THE STATE OF MISSOURI, pursuant to the authority vested in me as Governor by the Constitution of the State of Missouri, do, by this Proclamation, convene the One Hundred First General Assembly in the First Extraordinary Session of the Second Regular Session; and

Amend Senate Substitute for Senate Bill No. 8, Page 1, In the Title, Line 5, by striking "tax relief" and inserting in lieu thereof the following: "economic opportunities"; and

Further amend said page, section A, line 6, by inserting after all of said line the following:

"60.301. Whenever the following words and terms are used in this chapter they shall have the following meaning unless the context clearly indicates that a different meaning is intended:

(1) "Corners of the United States public land survey", those points that determine the boundaries of the various subdivisions represented on the official plat such as the township corner, the section corner, the quarter-section corner, grant corner **[**and**],** meander corner**, and center of section**;

(2) "Existent corner", a corner whose position can be identified by verifying the evidence of the original monument or its accessories, or by some physical evidence described in the field notes, or located by an acceptable supplemental survey record or some physical evidence thereof, or by testimony. The physical evidence of a corner may have been entirely obliterated but the corner will be considered existent if its position can be recovered through the testimony of one or more witnesses who have a dependable knowledge of the original location. A legally reestablished corner shall have the same status as an existent corner;

(3) "Lost corner", a corner whose position cannot be determined, beyond reasonable doubt, either from traces of the original marks or from acceptable evidence or testimony that bears upon the original position;

(4) "Monument", the physical object which marks the corner point determined by the surveying process. The accessories, such as bearing trees, bearing objects, reference monuments, mounds of stone and other similar objects that aid in identifying the corner position, are also considered a part of a corner monument;

(5) "Obliterated, decayed or destroyed corner", **[**an existent corner**] a position** at whose point there are no remaining traces of the original monument or its accessories, but whose location has been perpetuated by subsequent surveys, or the point may be recovered beyond reasonable doubt by the acts and testimony of local residents, competent surveyors, other qualified local authorities or witnesses, or by some acceptable record evidence. A position that depends upon the use of collateral evidence can be accepted only if duly supported, generally through proper relation to known corners, and agreement with the field notes regarding distances to natural objects, stream crossings, line trees, etc., or unquestionable testimony;

(6) "Original government survey", that survey executed under the authority of the United States government as recorded on the official plats and field notes of the United States public land survey maintained by the Missouri department of agriculture;

(7) "Proportionate measurement", a measurement of a line that gives equal relative weight to all parts of the line. The excess or deficiency between two existent corners is so distributed that the amount of excess or deficiency given to each interval bears the same proportion to the whole difference as the record length of the interval bears to the whole record distance:

(a) "Single proportionate measurement", a measurement of a line applied to a new measurement made between known points on a line to determine one or more positions on that line;

(b) "Double proportionate measurement", a measurement applied to a new measurement made between four known corners, two each on intersecting meridional and latitudinal lines, for the purpose of relating the intersection to both. **[**The procedure is described as follows: first, measurements will be made between the nearest existent corners north and south of the lost corner. A temporary point will be determined to locate the latitude of the lost corner on the straight line connecting the existent corners and at the proper proportionate distance. Second, measurements will be made between the nearest existent corners east and west of the lost corner. A temporary point will be determined to locate the longitude of the lost corner on the straight line connecting the existent corners and at the proportionate distance. Third, determine the location of the lost corner at the intersection of an east-west line through the point determining the latitude of the lost corner with a north-south line through the point determining the longitude of the lost corner.**]** When the total length of the line between the nearest existing corners was not measured in the original government survey, the record distance from one existing corner to the lost corner will be used instead of the proportionate distance. This exception will apply to either or both of the east-west or north-south lines;

(8) "Record distance", the distance or length as shown on the original government survey. In determining record distances, consideration shall be given as to whether the distance was measured on a random or true line.

60.315. The following rules for the reestablishment of lost corners shall be applied only when it is determined that the corner is lost: (The rules utilize proportional measurement which harmonizes surveying practice with legal and equitable considerations. This plan of relocating a lost corner is always employed unless it can be shown that the corner so located is in substantial disagreement with the general scheme of the original government survey as monumented. In such cases the surveyor shall use procedures that produce results consistent with the original survey of that township.)

(1) Existent original corners shall not be disturbed. Consequently, discrepancies between the new and record measurements shall not in any manner affect the measurements beyond the existent corners; but the differences shall be distributed proportionately within the several intervals along the line between the corners;

(2) Standard parallels shall be given precedence over other township exteriors, and, ordinarily, the latter shall be given precedence over subdivisional lines; section corners shall be located or reestablished before the position of lost quarter-section corners can be determined;

(3) Lost township corners common to four townships shall be reestablished by double proportionate measurement between the nearest existent corners on opposite sides of the lost township corner;

(4) Lost township corners located on standard parallels and common only to two townships shall be reestablished by single proportionate measurement between the nearest existent corners on opposite sides of the lost township corner on the standard parallel;

Notwithstanding the above table, two consecutive sets of tandem axles may carry a gross load of thirty-four thousand pounds each if the overall distance between the first and last axles of such consecutive sets of tandem axles is thirty-six feet or more.

4. Whenever the state highways and transportation commission finds that any state highway bridge in the state is in such a condition that use of such bridge by vehicles of the weights specified in subsection 3 of this section will endanger the bridge, or the users of the bridge, the commission may establish maximum weight limits and speed limits for vehicles using such bridge. The governing body of any city or county may grant authority by act or ordinance to the commission to enact the limitations established in this section on those roadways within the purview of such city or county. Notice of the weight limits and speed limits established by the commission shall be given by posting signs at a conspicuous place at each end of any such bridge.

5. Nothing in this section shall be construed as permitting lawful axle loads, tandem axle loads or gross loads in excess of those permitted under the provisions of P.L. 97-424 codified in Title 23 of the United States Code (23 U.S.C. Section 101, et al.), as amended.

6. Notwithstanding the weight limitations contained in this section, any vehicle or combination of vehicles operating on highways other than the interstate highway system may exceed single axle, tandem axle and gross weight limitations in an amount not to exceed two thousand pounds. However, total gross weight shall not exceed eighty thousand pounds, except as provided in subsections 9, 10, 12, **[**and**]** 13**, and 14** of this section.

7. Notwithstanding any provision of this section to the contrary, the commission shall issue a single-use special permit, or upon request of the owner of the truck or equipment shall issue an annual permit, for the transporting of any crane or concrete pump truck or well-drillers' equipment. The commission shall set fees for the issuance of permits and parameters for the transport of cranes pursuant to this subsection. Notwithstanding the provisions of section 301.133, cranes, concrete pump trucks, or well-drillers' equipment may be operated on state-maintained roads and highways at any time on any day.

8. Notwithstanding the provision of this section to the contrary, the maximum gross vehicle limit and axle weight limit for any vehicle or combination of vehicles equipped with an idle reduction technology may be increased by a quantity necessary to compensate for the additional weight of the idle reduction system as provided for in 23 U.S.C. Section 127, as amended. In no case shall the additional weight increase allowed by this subsection be greater than five hundred fifty pounds. Upon request by an appropriate law enforcement officer, the vehicle operator shall provide proof that the idle reduction technology is fully functional at all times and that the gross weight increase is not used for any purpose other than for the use of idle reduction technology.

9. Notwithstanding any provision of this section or any other law to the contrary, the total gross weight of any vehicle or combination of vehicles hauling milk from a farm to a processing facility or livestock may be as much as, but shall not exceed, eighty-five thousand five hundred pounds while operating on highways other than the interstate highway system. The provisions of this subsection shall not apply to vehicles operated and operating on the Dwight D. Eisenhower System of Interstate and Defense Highways.

10. Notwithstanding any provision of this section or any other law to the contrary, any vehicle or combination of vehicles hauling grain or grain coproducts during times of harvest may be as much as, but not exceeding, ten percent over the maximum weight limitation allowable under subsection 3 of this section while operating on highways other than the interstate highway system. The provisions of this subsection shall not apply to vehicles operated and operating on the Dwight D. Eisenhower System of Interstate and Defense Highways.

11. Notwithstanding any provision of this section or any other law to the contrary, the commission shall issue emergency utility response permits for the transporting of utility wires or cables, poles, and equipment needed for repair work immediately following a disaster where utility service has been disrupted. Under exigent circumstances, verbal approval of such operation may be made either by the department of transportation motor carrier compliance supervisor or other designated motor carrier services representative. Utility vehicles and equipment used to assist utility companies granted special permits under this subsection may be operated and transported on state-maintained roads and highways at any time on any day. The commission shall promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2014, shall be invalid and void.

12. Notwithstanding any provision of this section to the contrary, emergency vehicles designed to be used under emergency conditions to transport personnel and equipment and to support the suppression of fires and mitigate hazardous situations may have a maximum gross vehicle weight of eighty-six thousand pounds inclusive of twenty-four thousand pounds on a single steering axle; thirty-three thousand five hundred pounds on a single drive axle; sixty-two thousand pounds on a tandem axle; or fifty-two thousand pounds on a tandem rear-drive steer axle; except that, such emergency vehicles shall only operate on the Dwight D. Eisenhower National System of Interstate and Defense Highways.

13. Notwithstanding any provision of this section to the contrary, a vehicle operated by an engine fueled primarily by natural gas may operate upon the public highways of this state in excess of the vehicle weight limits set forth in this section by an amount that is equal to the difference between the weight of the vehicle

attributable to the natural gas tank and fueling system carried by that vehicle and the weight of a comparable diesel tank and fueling system. In no event shall the maximum gross vehicle weight of the vehicle operating with a natural gas engine exceed eighty-two thousand pounds.

14. Notwithstanding any provision of law to the contrary, local log trucks and local log truck tractors, as defined in section 301.010, may be operated with a weight not exceeding twenty-two thousand four hundred pounds on one axle or a weight not exceeding forty-four thousand eight hundred pounds on any tandem axle, except the front steering axle shall not exceed fifteen thousand pounds or the gross vehicle weight rating set by the manufacturer, and may have a total weight of up to one hundred five thousand pounds. Provided however, when operating on the national system of interstate and defense highways described in 23 U.S.C. Section 103, as amended, or outside the radius from the forested site specified in section 301.010 with an extended distance local log truck permit, the vehicle shall not exceed the weight limits otherwise specified in this section.

304.240. **1.** Any person, firm, corporation, partnership or association violating any of the provisions of sections 304.170 to 304.230 shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than five dollars or by confinement in a county jail for not more than twelve months, or by both the fine and confinement; provided, however, that where load limits as defined in sections 304.180 to 304.220 have been violated, the fine shall be two cents for each pound of excess weight up to and including five hundred, and five cents for each pound of excess weight above five hundred and not exceeding one thousand, and ten cents for each pound in excess weight above one thousand; provided that, when any vehicle is being operated under a special permit as provided in section 304.200, the term "excess weight" means only weight in excess of the amount permitted in the permit as issued. The court may, in its discretion, cause to be impounded the motor vehicle operated by any person violating the provisions of this section until such time as the fine and cost assessed by the court under this section is paid.

2. Notwithstanding subsection 1 of this section, the fine for a load-limit violation under sections 304.180 to 304.220 involving a local log truck or a local log truck tractor, as such terms are defined in section 301.010, shall be as follows:

(1) If the weight exceeds the limit by one pound to four thousand nine hundred ninety-nine pounds, the fine shall be ten cents for each pound of excess weight;

(2) If the weight exceeds the limit by five thousand pounds to nine thousand nine hundred ninety-nine pounds, the fine shall be twenty cents for each pound of excess weight; and

(3) If the weight exceeds the limit by ten thousand pounds or more, the fine shall be fifty cents for each pound of excess weight."; and

Further amend said bill, page 47, section 348.500, line 70, by inserting after all of said line the following:

"643.050. 1. In addition to any other powers vested in it by law the commission shall have the following powers:

(1) Adopt, promulgate, amend and repeal rules and regulations consistent with the general intent and purposes of sections 643.010 to 643.355, chapter 536, **[**and**]** Titles V and VI of the federal Clean Air Act, as amended, 42 U.S.C. 7661**[**,**]** et seq., **and 42 U.S.C. Section 7412(r), as amended, for covered processes of agricultural stationary sources that use, store, or sell anhydrous ammonia,** including**,** but not limited to:

(a) Regulation of use of equipment known to be a source of air contamination;

(b) Establishment of maximum quantities of air contaminants that may be emitted from any air contaminant source; **[**and**]**

(c) Regulations necessary to enforce the provisions of Title VI of the Clean Air Act, as amended, 42 U.S.C. 7671**[**,**]** et seq., regarding any Class I or Class II substances as defined therein; **and**

(d) Regulations necessary to implement and enforce the risk management plans under 42 U.S.C. Section 7412(r), as amended, for agricultural facilities that use, store, or sell anhydrous ammonia;

(2) After holding public hearings in accordance with section 643.070, establish areas of the state and prescribe air quality standards for such areas giving due recognition to variations, if any, in the characteristics of different areas of the state which may be deemed by the commission to be relevant;

(3) (a) To require persons engaged in operations which result in air pollution to monitor or test emissions and to file reports containing information relating to rate, period of emission and composition of effluent;

(b) Require submission to the director for approval of plans and specifications for any article, machine, equipment, device, or other contrivance specified by regulation the use of which may cause or control the issuance of air contaminants; but any person responsible for complying with the standards established under sections 643.010 to 643.355 shall determine, unless found by the director to be inadequate, the means, methods, processes, equipment and operation to meet the established standards;

(4) Hold hearings upon appeals from orders of the director or from any other actions or determinations of the director hereunder for which provision is made for appeal, and in connection therewith, issue subpoenas requiring the attendance of witnesses and the production of evidence reasonably relating to the hearing;

(5) Enter such order or determination as may be necessary to effectuate the purposes of sections 643.010 to 643.355. In making its orders and determinations hereunder, the commission shall exercise a sound discretion in weighing the equities involved and the advantages and disadvantages to the person involved and to those affected by air contaminants emitted by such person as set out in section 643.030. If any small business, as defined by section 643.020, requests information on what would constitute compliance with the requirements of sections 643.010 to 643.355 or any order or determination of the department or commission, the department shall respond with written criteria to inform the small business of the actions necessary for compliance. No enforcement action shall be undertaken by the department or commission until the small business has had a period of time, negotiated with the department, to achieve compliance;

(6) Cause to be instituted in a court of competent jurisdiction legal proceedings to compel compliance with any final order or determination entered by the commission or the director;

(7) Settle or compromise in its discretion, as it may deem advantageous to the state, any suit for recovery of any penalty or for compelling compliance with the provisions of any rule;

(8) Develop such facts and make such investigations as are consistent with the purposes of sections 643.010 to 643.355, and, in connection therewith, to enter or authorize any representative of the department to enter at all reasonable times and upon reasonable notice in or upon any private or public property for the purpose of inspecting or investigating any condition which the commission or director shall have probable cause to believe to be an air contaminant source or upon any private or public property having material information relevant to said air contaminant source. The results of any such investigation shall be reduced

to writing, and a copy thereof shall be furnished to the owner or operator of the property. No person shall refuse entry or access, requested for purposes of inspection under this provision, to an authorized representative of the department who presents appropriate credentials, nor obstruct or hamper the representative in carrying out the inspection. A suitably restricted search warrant, upon a showing of probable cause in writing and upon oath, shall be issued by any judge having jurisdiction to any such representative for the purpose of enabling him to make such inspection;

(9) Secure necessary scientific, technical, administrative and operational services, including laboratory facilities, by contract or otherwise, with any educational institution, experiment station, or any board, department, or other agency of any political subdivision or state or the federal government;

(10) Classify and identify air contaminants; and

(11) Hold public hearings as required by sections 643.010 to 643.355.

2. No rule or portion of a rule promulgated under the authority of this chapter shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

3. The commission shall have the following duties with respect to the prevention, abatement and control of air pollution:

(1) Prepare and develop a general comprehensive plan for the prevention, abatement and control of air pollution;

(2) Encourage voluntary cooperation by persons or affected groups to achieve the purposes of sections 643.010 to 643.355;

(3) Encourage political subdivisions to handle air pollution problems within their respective jurisdictions to the extent possible and practicable and provide assistance to political subdivisions;

(4) Encourage and conduct studies, investigations and research;

(5) Collect and disseminate information and conduct education and training programs;

(6) Advise, consult and cooperate with other agencies of the state, political subdivisions, industries, other states and the federal government, and with interested persons or groups;

(7) Represent the state of Missouri in all matters pertaining to interstate air pollution including the negotiations of interstate compacts or agreements.

4. Nothing contained in sections 643.010 to 643.355 shall be deemed to grant to the commission or department any jurisdiction or authority with respect to air pollution existing solely within commercial and industrial plants, works, or shops or to affect any aspect of employer-employee relationships as to health and safety hazards.

5. Any information relating to secret processes or methods of manufacture or production discovered through any communication required under this section shall be kept confidential.

643.079. 1. Any air contaminant source required to obtain a permit issued under sections 643.010 to 643.355 shall pay annually beginning April 1, 1993, a fee as provided herein. For the first year the fee shall be twenty-five dollars per ton of each regulated air contaminant emitted. Thereafter, the fee shall be set every three years by the commission by rule and shall be at least twenty-five dollars per ton of regulated air contaminant emitted but not more than forty dollars per ton of regulated air contaminant emitted in the

previous calendar year. If necessary, the commission may make annual adjustments to the fee by rule. The fee shall be set at an amount consistent with the need to fund the reasonable cost of administering sections 643.010 to 643.355, taking into account other moneys received pursuant to sections 643.010 to 643.355. For the purpose of determining the amount of air contaminant emissions on which the fees authorized under this section are assessed, a facility shall be considered one source **[**under the definition of**]** **as described in** subsection 2 of section 643.078, except that a facility with multiple operating permits shall pay the emission fees authorized under this section separately for air contaminants emitted under each individual permit.

2. A source which produces charcoal from wood shall pay an annual emission fee under this subsection in lieu of the fee established in subsection 1 of this section. The fee shall be based upon a maximum fee of twenty-five dollars per ton and applied upon each ton of regulated air contaminant emitted for the first four thousand tons of each contaminant emitted in the amount established by the commission pursuant to subsection 1 of this section, reduced according to the following schedule:

(1) For fees payable under this subsection in the years 1993 and 1994, the fee shall be reduced by one hundred percent;

(2) For fees payable under this subsection in the years 1995, 1996 and 1997, the fee shall be reduced by eighty percent;

(3) For fees payable under this subsection in the years 1998, 1999 and 2000, the fee shall be reduced by sixty percent.

3. The fees imposed in subsection 2 of this section shall not be imposed or collected after the year 2000 unless the general assembly reimposes the fee.

4. Each air contaminant source with a permit issued under sections 643.010 to 643.355 shall pay the fee for the first four thousand tons of each regulated air contaminant emitted each year but no air contaminant source shall pay fees on total emissions of regulated air contaminants in excess of twelve thousand tons in any calendar year. A permitted air contaminant source which emitted less than one ton of all regulated pollutants shall pay a fee equal to the amount per ton set by the commission. An air contaminant source which pays emission fees to a holder of a certificate of authority issued pursuant to section 643.140 may deduct such fees from any amount due under this section. The fees imposed in this section shall not be applied to carbon oxide emissions. The fees imposed in subsection 1 **of this section** and this subsection shall not be applied to sulfur dioxide emissions from any Phase I affected unit subject to the requirements of Title IV, Section 404, of the federal Clean Air Act, as amended, 42 U.S.C. Section 7651**[**,**]** et seq., any sooner than January 1, 2000. The fees imposed on emissions from Phase I affected units shall be consistent with and shall not exceed the provisions of the federal Clean Air Act, as amended, and the regulations promulgated thereunder. Any such fee on emissions from any Phase I affected unit shall be reduced by the amount of the service fee paid by that Phase I affected unit pursuant to subsection 8 of this section in that year. Any fees that may be imposed on Phase I sources shall follow the procedures set forth in subsection 1 **of this section** and this subsection and shall not be applied retroactively.

5. Moneys collected under this section shall be transmitted to the director of revenue for deposit in appropriate subaccounts of the natural resources protection fund created in section 640.220. A subaccount shall be maintained for fees paid by air contaminant sources which are required to be permitted under Title V of the federal Clean Air Act, as amended, 42 U.S.C. Section 7661**[**,**]** et seq., and used, upon appropriation, to fund activities by the department to implement the operating permits program authorized by Title V of the federal Clean Air Act, as amended. Another subaccount shall be maintained for fees paid by air

contaminant sources which are not required to be permitted under Title V of the federal Clean Air Act as amended, and used, upon appropriation, to fund other air pollution control program activities. Another subaccount shall be maintained for service fees paid under subsection 8 of this section by Phase I affected units which are subject to the requirements of Title IV, Section 404, of the federal Clean Air Act Amendments of 1990 **(42 U.S.C. Section 7651c)**, as amended, **[**42 U.S.C. Section 7651,**]** and used, upon appropriation, to fund air pollution control program activities. The provisions of section 33.080 to the contrary notwithstanding, moneys in the fund shall not revert to general revenue at the end of each biennium. Interest earned by moneys in the subaccounts shall be retained in the subaccounts. The per-ton fees established under subsection 1 of this section may be adjusted annually, consistent with the need to fund the reasonable costs of the program, but shall not be less than twenty-five dollars per ton of regulated air contaminant nor more than forty dollars per ton of regulated air contaminant. The first adjustment shall apply to moneys payable on April 1, 1994, and shall be based upon the general price level for the twelve-month period ending on August thirty-first of the previous calendar year.

6. The department may initiate a civil action in circuit court against any air contaminant source which has not remitted the appropriate fees within thirty days. In any judgment against the source, the department shall be awarded interest at a rate determined pursuant to section 408.030 and reasonable attorney's fees. In any judgment against the department, the source shall be awarded reasonable attorney's fees.

7. The department shall not suspend or revoke a permit for an air contaminant source solely because the source has not submitted the fees pursuant to this section.

8. Any Phase I affected unit which is subject to the requirements of Title IV, Section 404, of the federal Clean Air Act **Amendments of 1990 (42 U.S.C. Section 7651c)**, as amended, **[**42 U.S.C. Section 7651,**]** shall pay annually beginning April 1, 1993, and terminating December 31, 1999, a service fee for the previous calendar year as provided herein. For the first year, the service fee shall be twenty-five thousand dollars for each Phase I affected generating unit to help fund the administration of sections 643.010 to 643.355. Thereafter, the service fee shall be annually set by the commission by rule, following public hearing, based on an annual allocation prepared by the department showing the details of all costs and expenses upon which such fees are based consistent with the department's reasonable needs to administer and implement sections 643.010 to 643.355 and to fulfill its responsibilities with respect to Phase I affected units, but such service fee shall not exceed twenty-five thousand dollars per generating unit. Any such Phase I affected unit which is located on one or more contiguous tracts of land with any Phase II generating unit that pays fees under subsection 1 or subsection 2 of this section shall be exempt from paying service fees under this subsection. A "contiguous tract of land" shall be defined to mean adjacent land, excluding public roads, highways and railroads, which is under the control of or owned by the permit holder and operated as a single enterprise.

9. The department of natural resources shall determine the fees due pursuant to this section by the state of Missouri and its departments, agencies and institutions, including two- and four-year institutions of higher education. The director of the department of natural resources shall forward the various totals due to the joint committee on capital improvements and the directors of the individual departments, agencies and institutions. The departments, as part of the budget process, shall annually request by specific line item appropriation funds to pay said fees and capital funding for projects determined to significantly improve air quality. If the general assembly fails to appropriate funds for emissions fees as specifically requested, the departments, agencies and institutions shall pay said fees from other sources of revenue or funds available. The state of Missouri and its departments, agencies and institutions may receive assistance from

the small business technical assistance program established pursuant to section 643.173.

10. **Each retail agricultural facility that uses, stores, or sells anhydrous ammonia that is an air contaminant source subject to the risk management plan under 42 U.S.C. Section 7412(r), as amended, shall pay an annual registration fee of two hundred dollars. In addition, each retail agricultural facility that uses, stores, or sells anhydrous ammonia shall pay an annual tonnage fee calculated on the number of tons of anhydrous ammonia sold. The initial retail tonnage fee shall be set at one dollar and twenty-five cents per ton of anhydrous ammonia used or sold. Each distributor or terminal agricultural facility that uses, stores, or sells anhydrous ammonia that is an air contaminant source subject to the risk management plan program 3 under 40 CFR Part 68 shall pay an annual registration fee of five thousand dollars and shall not pay a tonnage fee. The annual registration fees and tonnage fee may be periodically revised under subsection 11 of this section. However, the fees collected shall be used exclusively for the purposes of administering the provisions of 42 U.S.C. Section 7412(r), as amended, for such agricultural facilities. Fees paid by agricultural air contaminant sources that use, store, or sell anhydrous ammonia for the purposes of implementing the requirements of 42 U.S.C. Section 7412(r), as amended, shall be deposited into the anhydrous ammonia risk management plan subaccount within the natural resources protection fund created in section 643.245. If the funding exceeds the reasonable costs to administer the programs as set forth in this section, the department of natural resources shall reduce fees for all registrants if the fees derived exceed the reasonable cost of administering the risk management plan under 42 U.S.C. Section 7412(r), as amended.**

11. Notwithstanding any statutory fee amounts or maximums to the contrary, the department of natural resources may conduct a comprehensive review and propose changes to the fee structure authorized by sections 643.073, 643.075, 643.079, 643.225, 643.228, 643.232, 643.237, and 643.242 after holding stakeholder meetings in order to solicit stakeholder input from each of the following groups: the asbestos industry, electric utilities, mineral and metallic mining and processing facilities, cement kiln representatives, and any other interested industrial or business entities or interested parties. The department shall submit a proposed fee structure with stakeholder agreement to the air conservation commission. The commission shall review such recommendations at the forthcoming regular or special meeting, but shall not vote on the fee structure until a subsequent meeting. If the commission approves, by vote of two-thirds majority or five of seven commissioners, the fee structure recommendations, the commission shall authorize the department to file a notice of proposed rulemaking containing the recommended fee structure, and after considering public comments, may authorize the department to file the order of rulemaking for such rule with the joint committee on administrative rules pursuant to sections 536.021 and 536.024 no later than December first of the same year. If such rules are not disapproved by the general assembly in the manner set out below, they shall take effect on January first of the following calendar year and the previous fee structure shall expire upon the effective date of the commission-adopted fee structure. Any regulation promulgated under this subsection shall be deemed to be beyond the scope and authority provided in this subsection, or detrimental to permit applicants, if the general assembly, within the first sixty calendar days of the regular session immediately following the filing of such regulation, by concurrent resolution disapproves the regulation by concurrent resolution. If the general assembly so disapproves any regulation filed under this subsection, the commission shall continue to use the previous fee structure. The authority of the commission to further revise the fee structure as provided by this subsection shall expire on August 28, 2024.

643.245. 1. All moneys received pursuant to sections 643.225 to 643.245 and any other moneys so designated shall be placed in the state treasury and credited to the "Natural Resources Protection Fund —

Air Pollution Asbestos Fee Subaccount", which is hereby created. Such moneys received pursuant to sections 643.225 to 643.245 shall, subject to appropriation, be used solely for the purpose of administering this chapter. Any unexpended balance in such fund at the end of any appropriation period shall not be transferred to the general revenue fund of the state treasury and shall be exempt from the provisions of section 33.080.

2. **All moneys received under subsection 10 of section 643.079 and any other moneys so designated shall be placed in the "Natural Resources Protection Fund - Anhydrous Ammonia Risk Management Plan Subaccount", which is hereby created. Such moneys received under subsection 10 of section 643.079 shall, subject to appropriation, be used solely for the purpose of administering the provisions of section 643.079. Any unexpended balance in such fund at the end of any appropriation period shall not be transferred to the general revenue fund of the state treasury and shall be exempt from the provisions of section 33.080.**

COMMUNICATIONS FROM THE GOVERNOR

The following communication, regarding vetoed Senate Bills, was received by the Secretary of State, reading of which was waived:

GOVERNOR
STATE OF MISSOURI
July 1, 2022

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
101st GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you Senate Substitute for Senate Committee Substitute for Senate Bill 724, entitled:

AN ACT

To repeal sections 50.800, 50.810, 50.815, 50.820, and 105.145, RSMo, and to enact in lieu thereof four new sections relating to financial statements of political subdivisions, with penalty provisions.

I disapprove of Senate Substitute for Senate Committee Substitute for Senate Bill 724. My reasons for disapproval are as follows:

While I recognize and applaud the General Assembly in its effort to improve the laws governing financial statements of political subdivisions, I cannot approve this bill as presented to me.

Section 164.450 is legally and practically troubling. Legally, this section resembles a special law, violating Article III, Section 40 of the Missouri Constitution. There must be a rational basis for the statute to subject St. Charles County alone to additional bond and voter approval requirements. *City of Aurora v. Spectra Commc'ns Group, LLC*, 592 S.W.3d 764, 781 (Mo. banc 2019). It is not clear how school district construction projects or bond indebtedness are different in St. Charles County than anywhere else in Missouri. To avoid legal pitfalls with targeted legislation, I cannot support a statute that has no tangible benefit to Missourians statewide. *See Jefferson Cty. Fire Prot. Dists. Assoc. v. Blunt*, 205 S.W.3d 866, 868–69 (Mo. banc 2006), *overruled on other grounds by City of Aurora*, 592 S.W.3d at 781.

Practically, Section 164.450 fairs no better. Historically, districts typically advertise bond proposals with a list of projects and estimated costs, which are sometimes based on project estimates up to two to three years before the bond authorization is passed. Inflation, material costs, and labor access have created unprecedented and unforeseen challenges and expenses for even well-planned and executed projects. According to the United States Census Bureau, construction costs alone increased over 17.5 percent from 2020 to 2021. Further, construction costs in 2021 were more than 23 percent higher than pre-pandemic costs in 2019. While districts currently manage these circumstances by reducing the scope of the project to stay within the budget or supplement the project with reserve funds or other funding sources, this proposal requires construction projects to cease immediately and completely when costs exceed ten percent of the budgeted amount, which is currently less than inflation, until voters approve further bond indebtedness. Not only does this stall projects intended to benefit the public and that have already been approved by voters, it could also result in project cost increases over the time the project is delayed and waste taxpayer funds if construction is not completed in cases where a project is not further approved as required under the proposal. Worse still, these effects would have been certain and immediate on construction projects currently underway in St. Charles County given the historic inflation we have been experiencing over the last year.

Also of concern, Section 164.450 invites individuals to sue the school district for incurring costs regardless of whether they are outside of the district's control, which would also increase costs to school districts and therefore taxpayers. Further, the language is unclear as to whether the ten percent cost increase trigger applies to individual projects within an overall larger project or on a cumulative basis for an entire project. For example, it is unclear whether a roof installation for a new middle school building that exceeds the ten percent threshold would threaten the overall project regardless of whether the overall project costs remain under the threshold. As currently written, this provision would create uncertainty at best, and project delays, increased costs, and unnecessary litigation at worst.

In practice, this proposal would likely result in districts severely overestimating project costs and seeking inflated bond issuances in an effort to reduce the risk of project delays and legal challenges. While I see value in adding transparency to school district construction projects, I cannot support this proposal as drafted given the negative practical and economic impacts it will likely have, as well as my concerns on the legality of the measure.

Thankfully, the two other provisions of the bill that provide relief to counties by reducing publishing costs and providing opportunities to reduce penalties relative to annual financial statement filings are both contained in House Bill 1606, which I have already signed.

In accordance with the above stated reasons for disapproval, I am returning Senate Substitute for Senate Committee Substitute for Senate Bill 724 without my approval.

Respectfully Submitted,
Michael L. Parson
Governor

On motion of Senator Rowden, the Senate adjourned until 10:00 a.m., Tuesday, September 20, 2022.
